SOS PROGRAM GUIDELINES, RESPONSIBILITIES, & EXPECTATIONS:

GUIDELINES:

- The SOS Program uses a behavior management system to address positive and negative behaviors as they occur. A student will retain daily points for appropriate behavior choices. If points are not earned, a teacher/student interaction occurs to assist the student in planning and implementing more appropriate behavior choices.
- The SOS Program is a supervised off-campus educational program in which a student is provided classroom assignments by the home campus. This highly structured program provides a learning environment that helps the student maintain academic progress.
- The SOS Program provides the student an opportunity to be removed from the home campus and still comply with academic requirements. The placement will allow the student to reflect upon the inappropriate behavior and/or academic choice during this off-campus placement.
- Transportation to DAEP is **NOT** provided by the District and is a parent's responsibility.

RESPONSIBILITIES:

The Home Campus is responsible for determining the student's placement at SOS. The home campus teachers will assign the work/lessons for the student to complete during his/her placement.

The Student is responsible for completing all behavior, academic, and attendance expectations while complying with all District and SOS rules. This includes daily search/seizure/surveillance procedures upon entry in order to protect the safety of students and school personnel and to enforce the Drug and Weapon-Free Zone Law.

The SOS Staff will assist the student with strategies and/or skills to help the student make appropriate choices concerning cooperation, staying on task, maintaining self-control, and following school rules. The teacher will monitor the quality of the student's academic work and communicate with home campus if warranted.

The Parent is responsible for ensuring student attendance, providing appropriate transportation, and communicating with the DAEP Office regarding absences and addressing any concerns.

EXPECTATIONS:

- Students are expected to be in the DAEP Dress Code every day, failure to comply will result in students not being admitted.
