## ATTENDANCE

For the comprehensive Fulton County attendance policy, visit: <https://www.fultonschools.org/attendancematters>

Student attendance is taken daily. Students must be present one half of the instructional time of the day (11:00 a.m.) to be counted present.

Students are tardy if they are not in the building by the 7:40 bell. Tardy students must check in with the office with their parent/guardian. Exception: Students are not counted tardy if they ride the bus and the bus is late.

Parents and guardians will be notified regularly when students are absent. Infinite Campus (IC) will send an email when an absence occurs. In addition, an automatic phone call will be made when your child is absent. Below shows when parent contact will be made. **When students miss 5% or 10% of school, parents will receive additional text messages and letters about student attendance.**

**Parents should email or send a note in to the school letting them know why their child was absent.**

The school may request additional documentation if a student has reached the following benchmarks.

- After 3 consecutive ill absences, a doctor's note may be required.
- 7 or more days for any reason (not including assigned remote)
- 10 or more late arrivals or early checkouts

### **Make up work for Excused and Unexcused Absences**

Schools and teachers will make a good faith effort to have structures in place to clear late/missing assignments before grades are impacted. When a student has missed instruction, the teacher should work with the student to ensure the delivery of content before the student is assessed. Should there be an extenuating circumstance for a prolonged absence and/or missing assignments/assessments and/or tasks, the teacher and student will create an appropriate plan to deliver content and assess student learning.

Upon return to school, students will have an equal number of days as they were absent to complete any late/missing assignment, assessment, and/or task(s) for full credit. If a student fails to turn in a late/missing assignment, assessment, and/or task(s), then a zero may be entered in the grade book.

## BIRTHDAYS

Birthday party invitations may **not** be given out at school. Birthday treats (cupcakes, etc.) are not to be distributed in the cafeteria or in the classroom. Parents are encouraged to purchase a birthday treat for the class via the cafeteria. Parents should contact the cafeteria manager to place their order at least two days in advance to ensure treats are available.

## **BOARD POLICY**

The official policies of the Fulton County Board of Education are available online at <https://go.boarddocs.com/ga/fcss/Board.nsf/Public>. These are available for teachers and parents to read at any time on the Fulton Schools website.

## **CALENDAR**

The Fulton County district calendar can be accessed online at <https://www.fultonschools.org/Page/2#calendar1/20211118/month>

## **CHANGE OF PERSONAL INFORMATION**

Please notify the data clerk, Lisa Carper [carper@fultonschools.org](mailto:carper@fultonschools.org), of any change of address, emergency contact, email or phone number as soon as possible. We must keep accurate records and be able to notify parents in case of an emergency.

## **CLINIC**

Dolvin Elementary has a clinic staffed by a clinic assistant. However, we are not staffed or equipped for a serious injury or illness. Students who are ill must be kept at home. Parents will be contacted when students are injured or become ill at school. Help us keep our students and staff safe and healthy by keeping your children home if they are ill, have a fever 100.4 or greater, diarrhea, vomiting and/or may have a contagious illness. Students exhibiting these symptoms SHOULD NOT be sent to school and will not be permitted to remain in school. To return to school, a student should be well (have improved symptoms) and must be free of fever without the use of fever reducing medications, vomiting or diarrhea for at the least 24 hours. Please click [here](#) for additional information on the Student (District) Health Services website.

If the student is in need of prescribed and non-prescribed medication (cough drop, etc.) during the school day, the parent must fill out an authorization form from the clinic and take the medication to the clinic for storage until needed. If a prescribed medication is necessary for a student to attend school on a regular basis, a school employee must assist in administering the medication to the student. An authorization form must be completed and returned to the school before prescribed and non-prescribed medications can be administered to a student on a regular basis. The full board policy on medication administration can be found here:

<http://go.boarddocs.com/ga/fcss/Board.nsf/goto?open&id=ACYJ5T4B8EDB>

## **COMMUNICATION**

We welcome and value parent/community feedback. Parents are encouraged to communicate with the classroom teacher via email. Teachers will respond within 24 hours. The school counselor is available to assist with any personal/ social/ emotional needs your child may have. Specific curriculum questions can be supported by our Curriculum Support Teacher. Any other questions or feedback can be directed to the assistant principal or principal. Twice a month parents receive the Dolvin Diary from the principal via school messenger. This newsletter gives important dates, upcoming events, etc. Teachers communicate via emailed weekly newsletters.

## **CONFERENCES**

Parents are given the opportunity to discuss his/her child's progress at an individual conference with the teacher held during the month of October. We believe that the educational success of your child is a joint venture between the school and home, and we want to keep communication lines open. Additional parent conferences may be initiated by the parent, teacher or principal and held at mutually agreeable times.

## **DISCIPLINE**

All students have the right to learn in a safe, warm climate. We believe strongly in positive reinforcement and work to create a positive atmosphere in which students can learn. Yet, we believe that our students are responsible for their own behavior and academic success. It is our duty to help students become more responsible for their own behavior. A variety of methods are encouraged to ensure appropriate conduct, including, student and parent conferences, time out, opportunity classrooms, action plans, in-school and out-of-school suspensions, and tribunal referral.

Student discipline is the joint responsibility of the school and home. Parental support for good discipline enables us to maintain a productive environment for learning. For more information about student discipline including the Code of Conduct, visit <https://www.fultonschools.org/studentdiscipline>

## **FOUNDATION**

The Dolvin Foundation is a charitable organization that provides support for Dolvin Elementary. Donors receive a tax credit for their contribution. The goal of The Dolvin Foundation is to enhance the learning opportunities for every student.

## **PARENT VOLUNTEERS/ VISITORS**

Parents must follow the required volunteer process set forth by the county in order to participate in the classrooms. All visitors must report directly to the office if they are in the building for classroom visitation or reporting as a volunteer. Classroom observations must be scheduled through the CST (Curriculum Support Teacher).

## **PERSONAL COMMUNICATION DEVICES**

Fulton County Code of Conduct states: Possession of Personal Communication Devices (PCD) (i.e., cell phones, tablets, recording devices, smart watches, etc) by a student at school during school hours is not allowed in grades Pre-K through 5. Students are not permitted to contact their guardians via a PCD during school hours.

Students are permitted to use smart watches as watches only. If students are using watches to play games, text, make phone calls, etc, the watch will be confiscated by the teacher and a parent will have to come collect it from the office.

## **PTA**

The PTA is an active and integral part of our school. All parents and teachers are urged to become members. Support is requested from each family for the purpose of enhancing and enriching the total school program.

Volunteers are needed for a variety of PTA committees including:

Book Fair	Family Fun Night	Field Day	Hearing and Vision
Ice Cream Social	Lunch Bunch	Rocking Reader	Room Parents
School Store	Staff Appreciation	Yearbook	

## **REPORT CARDS**

All schools will provide students and parents/guardians with a progress report that measures their academic progress on a 4.5-week basis throughout the school year. This will be done electronically and can be accessed in the parent portal. At the end of each semester, students will be issued a formal report card to represent the student's final semester average. A printed copy of the report card will be sent home.

## **SCHOOL GOVERNANCE COUNCIL**

Each school has a Governance Council to assess the needs of the school's programs and services, establish goals to improve programs and services, make recommendations as to how they may be met, and to evaluate the success of these efforts. Members are selected from a representative group of local citizens, parents and staff members and serve a two-year term.

## **SCHOOL HOURS**

Elementary schools have six hours and forty minutes for an instructional day. Students should arrive at school no earlier than 7:10 a.m. and no later than 7:40 a.m. The first bell rings at 7:10 a.m. allowing students to go to homeroom. Households are encouraged to prepay for student meals and extra sales using **MyPaymentsPlus**. Benefits of MyPaymentsPlus include online availability 24/7, viewing student account balances and purchase history, and setting up low-balance alerts. Visit [www.mypaymentsplus.com](http://www.mypaymentsplus.com) to sign up and get started. Cash or check payments can also be made at your student’s school in the cafeteria.

**TRANSPORTATION**

Safe school transportation is considered an integral part of the total educational program. Riding a school bus is a privilege contingent upon proper and courteous conduct. The Fulton County Board of Education recognizes that safe school bus operation is only possible with the full cooperation of our parents, students and school staff.

Students must get on and off the bus at their own stops. A student is not allowed to ride another student’s bus, unless the parent obtains written permission through the transportation department for child care reasons only. In case of a one-day emergency, approval may come from the principal.

Students who ride the bus are expected to stay in their seats while the bus is in motion, speak in low voices, refrain from throwing objects, keep heads, arms, and hands inside the bus, keep hands and feet to themselves, cooperate with the bus driver and act in a respectful manner. Students may be subject to disciplinary procedures when bus safety rules are violated. These procedures may include suspension from riding the bus for one or more days.
