

Stop Change Request

2024-2025

7/10/24

In Accordance with Board Policy EEAB-AF, this form is provided for parents/guardians who would like to request a change in their child's bus stop for safety reasons. Parents/guardians are responsible for their child's safety to and from the stop.

The Lee's Summit School District transports over 12,800 students daily. Bus routes and stops are determined based on considerations for safety, efficiency and effectiveness to stay in the times allowed to get students to and from school in a timely manner.

 - Elementary Students: Walk of less than 1,200 feet to stop
- Visibility of stop from residence
- Issues with overseeing non-school age children
- Parent work schedules
- Lack of sidewalks

Requesters are encouraged to log on to the District Transportation website and review the FAQ page: <http://www.lsr7.org/schools/bus-transportation/>
