Navitus MedicareRx (PDP) Summary of Benefits 2021 Plan 0x25

Part D Prescription Drugs

The benefit information provided is a summary of what we cover and what you pay. Your cost sharing may differ based on the pharmacy's status as preferred/non-preferred; mail order; long-term care; home infusion; one-month or extended-day supplies; and when you enter another phase of the Medicare Part D benefit. For more information on the additional pharmacy specific cost sharing, the phases of the benefit, or a complete description of benefits, please call us or access your Evidence of Coverage online at https://medicarerx.navitus.com.

Yearly Deductible Stage:

Because this plan does not have a deductible for Part D drugs, this payment stage does not apply to you.

Initial Coverage Stage:

During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. The table below shows your share of the cost for drugs in each of the plan's drug tiers. You stay in this stage until your total drug costs reach $4,130, when you move on to the Coverage Gap stage.

Cost Sharing Tiers	Network Retail Pharmacy (1-30 day supply)	Network Retail Pharmacy (31-60 day supply)	Network Retail Pharmacy (61-90 day supply)	Network Mail Order Pharmacy (1-30 day supply)	Network Mail Order Pharmacy (31-90 day supply)
Tier 1: Preferred generic and certain lower-cost brand products	$0 copayment	$0 copayment	$0 copayment	$0 copayment	$0 copayment
Tier 2: Preferred brand and certain higher-cost generic products; Includes all specialty products	$25 copayment	$50 copayment	$75 copayment	$25 copayment	$60 copayment

Coverage Gap Stage:
During this stage, you will continue to be responsible for your copayment. Your employer group benefit may continue to cover your drug costs when the Medicare plan does not. Your drug copayment or coinsurance may be less, based upon the cost of the drug. After your yearly total drug costs reach $6,550 for Part D drugs, you move on to the Catastrophic Coverage Stage.

Catastrophic Coverage Stage:
During this stage, you will pay the lesser of your wrap formulary copay, *or*
Either 5% coinsurance or a $3.70 copay for generic (including brand drugs treated as generic) and a $9.20 copay for all other drugs, whichever is greater.

Additional Cost Sharing Information

- Your drug copay or coinsurance may be less, based upon the cost of the drug and the coverage stage you are in.
- Drugs marked as NDS on the formulary are not available for an extended supply (greater than 1-month).
- If you reside in a long-term care facility, you pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.
- Your plan will allow up to a 10-day supply of medication at an out-of-network pharmacy.

Additional Benefit Information

- Coverage of compound drugs – Navitus MedicareRx will evaluate the individual Part D drug ingredients included in the compound to determine coverage eligibility and cost sharing amount.
- Costco Retail and Mail Order pharmacies are unable to process claims for medications that are covered by Medicare Part B.
- Costco Retail locations are affiliated with a third party vendor who will process diabetic test strips and diabetic supplies through Medicare Part B and ship them to your home.

For a complete description of benefits, please call Customer Care or access our Evidence of Coverage on the Member Portal online at https://medicarerx.navitus.com.
