Are you in favor for Emerson Elementary School to begin remote learning on Friday, November 19th until after Thanksgiving vacation?

Please only vote/respond yes or no.

This prevents a quorum of the School Board.

no - follow Lisa W's plan to only go remote in a school if the school cannot be adequately staffed.

My only comment Miss Betty is that we don't know if it's students, teachers or staff that have Covid in the particular schools in question.

Either way the level is substantial and I believe we need further discussion at a future board meeting as to how it's addressed i.e. remote vs. in person based on the % of covid cases per number of people in the individual school(s) effected. I believe the message to the public has been it's not just staffing…It's the number of Covid cases!
