SENIOR AUTOGRAPHS

I knew at once that I liked my adopted school . . .

for everyone there was willing to help.

CHU-AN

Through the American Field Service, Chuanpis Rungnobhakhun arrived in July to be Olean High School's 1964-65 Foreign Exchange Student. Coming from Thailand, Chu-an resided with the Feltons, whose daughter, Kathy, is a senior.

With the help of the Olean Chapter of the A.F.S., Chu-an was able to enjoy a full academic and social year while enriching the lives of the students of Olean High School.

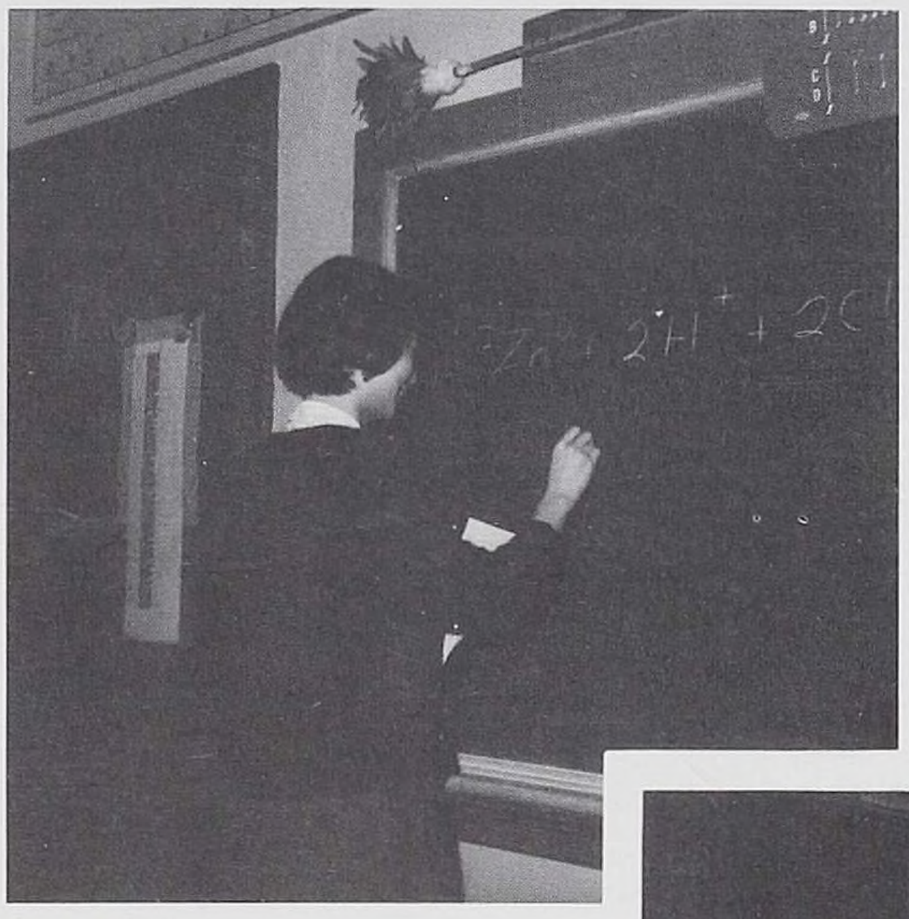

brought with me the native costume of my homeland.

And like you, I knew I belonged.

Like you, I had problems . . . .

and after.

And made many of you my friends, during school . . .

I worked with you in the classroom . . . .

I learned to love my new family for their wonderful ways.

Olean will always be
a part of me, even
when I'm back
home, 11,000
miles a-
way . . .

OUR VALEDICTORIAN,
Alan Eade . . .

AND SALUTATORIAN,
Mary Lou Bennett . . .

Achieved one of the highest goals at OHS through study and determination . . .

Without sacrificing fun and friendship.

Newspapers make a BIG DIFFERENCE in people's lives -- every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want — and you deserve — to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death — caused by nature's ravages or by man's hand — strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You want — and you deserve — to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all-new product each day — your newspaper.

Because your newspaper brings you and other readers "far, far more," it makes a **BIG DIFFERENCE** in people's lives — in your life — every day.
