

The Pottsville Area School District has partnered with ESS to manage its substitute teacher program.

With the vision of enhancing the educational experience for students, ESS recruits, hires, trains, places and manages talented substitute personnel. Additionally, the company offers benefits including health insurance and a 401K. Whether you're interested in working one day a week or five, ESS offer a variety of positions to match your availability and interests.

If you're interested in working as a substitute for our district, please visit ESS website to apply or contact Carly Warner at 570-544-9131 ext. 1206, Email CWarner@ess.com
