

Parent Guide: Infinite Campus

Updated: July 2024

Overview:

Infinite Campus provides a view of a student's up-to-date attendance, schedule, grades, assessments, and more. Users can access this tool through the Infinite Campus Parent app on a mobile device, or through the Worthington Schools Parent Portal.

Infinite Campus through the Mobile App:

1. Search for the *Infinite Campus Parent* app and install it on your mobile device.
2. To log in for the first time, input Worthington for the district name, select Ohio, and click Search.
3. On the next screen, input the district-provided Parent Username and Password. If you do not know these login credentials, retrieve them through the [Password Recovery Link](#). We recommend clicking the box that says *Stay logged in* to receive push notifications.

NOTE: If you have an older version of the Infinite Campus Parent app installed on your mobile device, and are getting an error message that it cannot connect, delete the app from your device and re-install it, then follow the steps above.

Infinite Campus through Parent Portal:

1. Log in to the Worthington Schools Parent Portal at worthington-portal.org. Or visit the Worthington Schools website and click the Portal Login tile.
2. Input district-provided Username and Password. If you do not know these login credentials, retrieve them through the [Password Recovery Link](#).
3. Click the Infinite Campus tile. You may need to input your username and password a second time.

Navigating Infinite Campus:

The home page shows your student(s) and a count of recent updates to their grades, attendance and assignments. Click the student name to expand this information. Click the gear icon to adjust the timeframe for these updates.

Click the three horizontal lines in the top left to select a more detailed view of specific areas:

Setting Notification Preferences allows you to be notified immediately as attendance events and grades are recorded. To set your notification preferences, click the person icon in the top right corner. Select Settings. Select Notification Settings. Use the sliding scale and boxes to select notification preferences. Click the blue Save button.

← Back

Notification Settings

These settings are applied to in-app notifications and mobile push notifications. Mobile users must mark "Stay logged in" when logging in to receive mobile push notifications.

Select notifications to receive. Notifications are deleted after 30 days.

Assignment is scored

Less than 70%

A horizontal sliding scale with a blue dot positioned at approximately 70% from the left. The scale is flanked by left and right arrow icons.

Grade is updated

Less than 80%

A horizontal sliding scale with a blue dot positioned at approximately 80% from the left. The scale is flanked by left and right arrow icons.
