Participation in Commencement

Fisher College holds one commencement ceremony per year for graduate students to participate in. Students who have fully completed their certificate program will be invited to participate.

Incomplete Grades

Rarely, for extenuating circumstances, during the last two weeks of a term, a student may petition for an incomplete (INC) if they cannot complete all coursework on time. In such cases, the student can request from the Associate Dean, School of Graduate Studies that an incomplete be granted. If the request is approved, the student, the faculty member, and the Registrar will be notified of the decision in writing.

It is the student's responsibility to make arrangements with the faculty member to complete all course work and to submit it to him or her within 30 days of the end of the term in which it was granted. At the end of the 30-day period, if the course work has been submitted, the instructor will submit a Grade Change report with the received grade. If not, the Incomplete is converted to an 'F' grade and recorded on the student's transcript.

Attendance Policy

Students are expected to attend all face-to-face and synchronous classes and be active in online or blended components of their courses. Each faculty member will designate their specific attendance policy.

Immunization and Health Insurance

Repeating a Course

- Any student who fails a required course must repeat and pass the course before a certificate can be awarded.
- Courses in which a grade of F has been earned may be repeated one time only.

- Both the original and repeated grades will appear on the transcript. The repeated grade, whether higher or lower, is used to determine the cumulative grade-point average.

Course Withdrawal

- Students may withdraw from a class up to approximately 2 weeks prior to the end of the term. Exact dates are published on the academic calendar.
- Students are expected to submit documentation to support their request to withdraw to the Associate Dean, School of Graduate Studies.
- Students who withdraw from a required course are expected to repeat the course.

Leave of Absence Policy

Graduate students may have a medical, psychological, or personal situation that impacts their ability to successfully complete their studies. In these situations, students may apply for a leave of absence. A leave of absence will result in withdrawal from the current term's classes, but not withdrawal from the College. A leave of absence is granted for no less than one term and no more than two years. When ready to return, students must file the return request form and provide appropriate documentation to establish an ability to return to the College. The College LOA procedures are documented on the website.

Voluntary Withdrawal from the College

Students wishing to withdraw from the College must submit a written notice of withdrawal to the Associate Dean, School of Graduate Studies. The withdrawal date is the last date the student attends class.

Administrative Withdrawal from the College

Students who discontinue attending classes for two weeks will be subject to administrative withdrawal from the college.

Re-Enrollment Following Voluntary Withdrawal from the College

In general, students may re-enroll after a voluntary withdrawal as long as they are in good academic and financial standing with the College. Students are subject to the College policies and program requirements in effect at the time of their re-enrollment. The College reserves the right to deny re-enrollment at its discretion.

Satisfactory Academic Progress

Satisfactory Academic Progress (SAP) is the term used to determine if a student is making acceptable progress toward a certificate or degree. A review of a student's progress is conducted four times a year after each academic term. A student's failure to meet SAP standards may result in academic dismissal.

Certificate Programs:

- Students achieving a term GPA of 2.7 or lower during any academic term will be placed on academic probation.
- Students who do not achieve the graduation GPA of 3.0 or higher after the completion of 6 credits will be academically dismissed.
- Students who fail a course have the opportunity to re-take that course one time. Subsequent failure of that course or failure of a second course will result in academic dismissal.

Re-Enrollment Following Academic Dismissal

Under certain circumstances, a student who has been academically dismissed may petition for re-enrollment to the Associate Dean, School of Graduate Studies. Students petitioning for re-enrollment into a graduate program must

present evidence of ability and willingness to meet the College's standards of academic performance. All requests for re-admission will be given careful consideration. Re-admitted students may not be eligible for financial aid. Students re-enrolled are subject to the College policies and program requirements in effect at the time of their re-enrollment. The College reserves the right to deny re-enrollment at its discretion.

Advisory Regarding Internet Sites and Other Blogs

Fisher College does not as a matter of policy routinely monitor Internet sites (e.g., Facebook, Twitter, Instagram, blogs, etc.). However, if a student uses such sites and blogs to express sentiments or activities that are unlawful and/or violate the policies of the College, and such practice is brought to an administrator's attention, then the College will review the sites and the material posted therein. After reviewing the material, the administrator will then address that practice with the student. For a student, the incident will be addressed by the student conduct process. Please be advised that posting personal and/or questionable material on sites and blogs might jeopardize personal safety and/or future career prospects.

Fire Safety (Boston Campus)

Fisher College properties are equipped with a modern, sophisticated fire and smoke alarm system. Fire drills are held regularly in the Residence Halls and classrooms to ensure the safety of students in case of emergency. All students must evacuate the premises each time the alarm sounds. Any student who does not is subject to a fine and/ or dismissal from the College. Students are disciplined immediately if they activate an alarm or use the fire extinguisher unnecessarily. Anyone found to have intentionally set off a false alarm will be fined \$500 (the cost of resetting the alarm), and may be suspended and/ or dismissed from the College. This act might also lead to criminal prosecution. (See the Student Code of Conduct for details.)

STUDENT CODE OF CONDUCT

All students are responsible for reviewing and adhering to the [Fisher College Code of Conduct](#).

College Property

Fisher College takes pride in the fine buildings and equipment provided for its students at all locations and asks student cooperation in keeping the classrooms and equipment in excellent condition. Please report any noticed waste, damage, destruction, or theft to College personnel. Additionally, anyone responsible for damage may be subject to disciplinary action and restitution.

Alcohol and Drug Policy

Attending class or a college event under the influence of alcohol or drugs is forbidden. Massachusetts state law prohibits the possession and consumption of alcoholic beverages by anyone under 21 years of age. At Fisher College, no students regardless of age may possess, consume, or transport alcohol onto the Fisher College campus. Students, as adults, are expected to obey the law and take personal responsibility for their conduct. Under Massachusetts and federal laws, possession of dangerous drugs and narcotics, including marijuana, is regarded as a misdemeanor or felony. If a student has a problem with alcohol or drugs, the College will try to help, but will not interfere with the legal prosecution of any member of the community who is apprehended for possessing or using drugs.

Each student must be aware of his/her responsibility for upholding these laws. Infractions should be reported to the College administration. The College takes drug/alcohol abuse very seriously; therefore, any infraction makes a student liable to immediate dismissal from Fisher College. The College reserves the right to examine any student's residence hall room, locker, or belongings if it has a reasonable belief that illegal or illicit activity is taking place. The College also reserves the right to immediately dismiss a student from housing or from the College if he or she is found in violation of the Alcohol and Drug Policy.

Smoking & Tobacco

Fisher College has established a no-smoking policy throughout the college. No smoking is allowed in the common areas, which include: corridors, classrooms, auditoriums, or residence halls. There is a smoking area located behind building 116 Beacon Street. This policy results from the College's compliance with the Massachusetts Clear Air Act. If a student is smoking on the Beacon Street side, the student will be required to move to the designated smoking area. Chewing tobacco is also not to be consumed in any College building. Failure to abide by the Smoking & Tobacco Policy will result in disciplinary action. The College also offers educational programs regarding the hazards of smoking and tobacco use.
