

GATE: Online Resources

- [U Conn Website Information](#) As part of the University of Connecticut's Renzulli Center for Creativity, Gifted Education, and Talent Development, this page has links to other helpful websites for parents.
- [Dr. Kaplan's Explanation of Depth & Complexity.](#)
Here you will see Dr. Kaplan giving a brief explanation of her Depth and Complexity icons. You may see these icons displayed in your child's classroom.
- [California Association for the Gifted](#)
California Association for the Gifted provides the resources to support understanding of appropriate developmental and differentiated identification and curriculum practices. By focusing on the gifts, talents, and potential of students, CAG's philosophy and practices enrich the education of all students.
- [Council for Exceptional Children \(CEC\) Resources for Gifted Education](#)
The Association for the Gifted, a division of the Council for Exceptional Children (CEC), is a professional organization devoted to helping meet the needs of gifted children.
- [National Association for Gifted Children](#)
NAGC invests all of its resources to train teachers, encourage parents and educate administrators and policymakers on how to develop and support gifted children and what's at stake if high-potential learners are not challenged and encouraged.
- [Supporting Emotional Needs of Gifted Children](#)
Information on identification, guidance, and effective ways to live and work with gifted children.

Math Resources:

- [Fun Math Puzzles for all](#) - JRMF
- [YouCubed Parent Resources](#) - Stanford University
- [More Free Math Resources for Parents](#) - STMath
