

NMS 2024 - 2025 Communication Guide

Striving to Improve Communication in Our School (24-25)

STUDENTS

We encourage all students to express their questions or concerns directly with their teacher.

PARENTS

If you are concerned about an issue involving your child's education, classroom experience or teacher, contact the teacher directly.

Teachers are available to communicate with students and parents. You can leave a message for the teacher at 441-4500 between 7:30 am and 4:00 pm or email the teacher directly by visiting the [NMS webpage](#) and navigate to the [staff directory](#), department page, or team page. In order to respond in a timely manner, indicate times when you can be reached. Please be patient...the teachers will try to contact you as soon as possible. In the event that additional clarification is necessary or if you haven't heard from the teacher in a reasonable amount of time, please contact the Department Chair at the appropriate number listed below.
