SUMMER BUILDING HOURS

Administration and High School

May 30th–August 4th

7:30 a.m. to 3:30 p.m.

Elementary, Intermediate and Junior High

May 30th–June 13th & July 22nd–August 4th

7:30 a.m. to 3:30 p.m.

Normal building hours resume August 5th.

TRANSPORTATION

New this year, all students must opt-in for transportation services via Skyward to optimize bus routing. Bus routes will be finalized by **August 2** and families will receive an email to confirm route information. It's recommended to review bus information again on **August 6** due to possible last-minute changes. Buses may run late during the first few days of school as routes are learned.

ROSTERS & SCHEDULES

Elementary and intermediate students will receive class assignments the afternoon of **August 2**. Look for additional communication from your child's school and/or teacher.

Tentative schedules for secondary students may be available during school specific opening/preview events. However all students in grades 7–12 will be able to access final schedules in Skyward on **August 2**.

CURRICULAR FEES

No fees for textbooks or curricular materials for the 2024–25 school year.

SCHOOL SUPPLIES

Supply lists for K–8 students are available on each school's **website**. Students in grades 9–12 should bring their device (iPad/Laptop), a notebook and pencil on the first day; additional supply information will be provided then.

STUDENT DEVICES

Starting this school year, HSE will phase out the Bring Your Own Device (BYOD) option, requiring students to use district-owned devices. For 2024–25, this rule applies to students entering kindergarten, 5th, and 9th grades, with the mandate extending to additional grades over the next five years.

UPDATING FORMS

Complete and update all 2024–25 Back-to-School forms located in **Skyward** prior to **August 7** (via a browser, not the app). These forms include verifying family and emergency contacts, health information, technology agreement, and more.

VISITING & VOLUNTEERING

A SafeVisitor background check is required for anyone visiting an HSE school, including family members of students. This requirement also applies to:

- Classroom Volunteers/Helpers/Room Parents
- Field/Study Trip Chaperones

A SafeVisitor background check is valid for three years. The cost is \$12.95, covering a national screening process. The background check process may take 5 to 7 business days to complete. Visit our **safety webpage** to learn more.

FOOD SERVICES

2024-2025 MEAL PRICES

| | |
|-----------------------------|--------|
| Paid Student Lunch K-6 | \$2.80 |
| Paid Student Lunch 7-12 | \$3.00 |
| Paid Student Breakfast K-12 | \$1.50 |

HSE Schools participates in the School Breakfast Program (SBP) and National School Lunch Program (NSLP) for free and reduced-price meals to qualifying students. Families must apply each year (even if you qualified previously). Applications and participation is confidential. **Please note if your student(s) qualifies for Direct Certification from the state, you will not be able to submit an application through Skyward. This is due to your student(s) already qualifying for meal benefits.**

HOW DO I APPLY FOR FREE & REDUCED MEALS?

- Log into your Skyward account.
- Select a student.
- Click on 'Food Services' on the left-hand side of the screen.
- Click on the 'Applications' link located toward the top of the screen.
- Click 'Add an Application.'
- Follow the steps provided, including the Parent Letter, Instructions, Federal Income Chart, Privacy Act and Non-Discrimination Statements.
- For complete instructions, visit our **food services webpage**.

For questions or assistance, contact Food Services Director Karen Ogden at kogden@hse.k12.in.us.

HEALTH SERVICES

- Medications must be in the original bottle with full label.
- Medications must stay in the clinic except for emergency purposes.
- Non-FDA medications cannot be administered at school unless a physician's note is provided. CBD or essential oils are not allowed.

HSE HEALTH FORMS

Each school year, families are required to complete their student's Health Card and Consent-to-Treat form in Skyward. For detailed information on immunizations and medications, please visit our **health services webpage**.

TECHNOLOGY

HSE Schools uses several tools to help students and families stay engaged:

CANVAS

Canvas is used by K-12 teachers as an extension to in-class instruction. Teachers may post assignments, give feedback and communicate with students on learning achievement. Students can access Canvas on their device and families are encouraged to make a Canvas Observer Account.

E~FUNDS

e~Funds is a convenient way to prepay student's meal accounts through electronic withdraw from a checking account or credit card. Payments can also be made by check, money order, or cash. Balance information is available in Skyward under 'Fee Management.'

PARENTSQUARE

ParentSquare is a digital communication platform used by HSE Schools. Students and families may receive information and updates via email, text, phone call, and through mobile app notifications.

SKYWARD

Skyward is an online portal for enrolling new students, sharing/accessing student information, viewing class schedules, grades, managing fees, and signing up for bus transportation.
