

**SUSSEX COUNTY TECHNICAL SCHOOL**  
**School-Based Youth Services Program**  
**The Student Center**

**Interest Form for Optical and/or Dental Clinics**

The Student Center is hosting two care clinics this fall. The Optical Academy provides affordable eye exams and glasses or contacts, and works with most insurances. They set up in the Student Center so that students can come in for an eye exam during the school day. Zufall Dental brings their mobile dental unit, and provides affordable dental evaluations, also during the school day!

In an effort to secure registrations so that we can ensure the events are well-attended enough to run, we'd like to know if you are interested in your child attending one or both of the clinics. Please send this form back to the Student Center during Sunation, or via email to: [tmcnamara@sussextech.org](mailto:tmcnamara@sussextech.org). We will then contact you with more information and a registration form(s) before the start of school.

Each clinic will only run if there is enough interest, so please return this form and we'll get the registration forms to you shortly.

**Please indicate which clinic(s) you are interested in for your child:**

**\_\_\_\_\_ Optical Clinic on Weds Sept 25th - *register no later than Fri Sept 6th!***

**\_\_\_\_\_ Dental Clinic on Weds Oct 9th - *register no later than Fri Sept 20th!***
