Dear Seventh Grader Young Scholar,

Welcome to the seventh grade at Clinton Middle School! We hope that you have a wonderful summer and we look forward to having you in our classes next school year.

The following suggested list has been compiled to help you purchase the appropriate supplies that you will need during the school year. Please plan to bring these to school with you on the first day of school.

To help with student organization, we **highly suggest** that students **color coordinate** subject notebooks and folders. To better help with color coding, these supplies are blocked by subject on the back of this letter.

We are pleased to announce that we will be providing all students with the calculators they will need for their math and science classes this year. Students will be assigned an appropriate calculator, either a scientific calculator for Math 7 or a graphing calculator for Math Honors. Students will be able to bring their calculators home to complete work. At the end of the school year, students will be returning their calculators to their math teacher.

**Physical Education**
To continue to develop proper hygiene, all students must change their clothes before participating in physical education.

Required: *A t-shirt and athletic shorts/pants.* A PE uniform which consists of a maroon t-shirt and black mesta shorts may be purchased through the CCS website, **if you prefer**. Please also bring the following:
- Sweatshirts and sweatpants (for cold days)
- 2 pairs of socks (for wet days)
- Only sneakers without a large platform (old pair for wet days)
- Deodorant-No spray deodorant, perfumes or colognes

**No Crocs, Hey Dudes, Birkenstocks, sandals, of any of the sort may be worn**

Please encourage your child to bring their PE clothes home for cleaning. We recommend every three weeks or more often if necessary.

During the first week of school, each student will receive a **STUDENT AGENDA** to be used throughout the year.

Enjoy the summer!

Sincerely,

*The Seventh Grade Teachers*

G7Supplies-2024-25
# Seventh Grade Supply List
