

August 2024

Dear Thayer Parents and Guardians,

We hope you and your families are enjoying your summer days. To assist with your back-to-school planning, we have provided the following resources in this information packet:

▶ **BACK-TO-SCHOOL CHECKLIST**

Here, we've consolidated what you need to complete for the start of school. You have received and will receive emails with more details on these activities.

▶ **CALENDAR (YEAR AT A GLANCE)**

The one-page calendar identifies the holidays and vacation days of the school year as well as a few major Thayer events.

The full and up-to-date schedule of school events can be found online at [THAYER.ORG/CALENDAR](https://thayer.org/calendar).

*Note: two additional holidays (Rosh Hashanah and Good Friday) were added since the calendar was emailed in July.*

▶ **FAQS, CAMPUS CONTACTS & DAILY SCHEDULE**

We have included answers to your most commonly asked questions, contact information you may need, and the daily schedule.

▶ **DROP-OFF/PICKUP INFORMATION**

Check out the enclosed map(s) to understand traffic flows that ensure the safety of our students and neighbors. Staff will be on site to assist you during the opening days of the school year; however, these detailed maps are helpful for understanding traffic patterns and locations for drop-off and pickup.

▶ **GREETINGS FROM THE THAYER ACADEMY PARENT ASSOCIATION (TAPA)**

Information from the Thayer Academy Parent Association includes a description of the group, key activities and contacts, and a listing of TAPA-sponsored, not-to-be-missed events.

▶ **THAYER STICKERS & CAR MAGNET**

Share your Tiger spirit by displaying them on school laptops (cases only!), notebooks, water bottles, and cars.

### **MORE RESOURCES & WAYS TO STAY CONNECTED**

- ▶ We encourage you to check out the resources in the Parents section of the website ([THAYER.ORG/PARENTS](https://thayer.org/parents)). There you'll find calendars, general athletics information, form links, directories, daily announcements, and more.
- ▶ Student-specific information about academics, athletics participation, health records (Magnus), and billing (Tuition Management) may be found in the MySchoolApp ([THAYER.MYSCHOOLAPP.COM](https://thayer.myschoolapp.com)).
- ▶ Also, be sure to stay in touch throughout the year by reading the weekly TNN email newsletter and following us on Facebook, Instagram, and LinkedIn.

In the month of August, you will receive (or will have received) communications from the school leadership with more information about orientations, schedules, the Student Handbook, supplies, books, and important events.

Wishing you and your families a healthy and happy 2024-25 school year!

Sincerely,
