## SECRETARY GODLEWSKI VISITS FCLA

As part of her program to encourage youth civic engagement, Secretary of State Sarah Godlewski paid a visit to FCLA's staff and students. Secretary Godlewski sparked discussions among students on voting, democracy, state and local government, and history by using a civics trivia game.

“This group is so engaged, and I can't wait to see how they choose to be leaders in the future. Thank you, FCLA!” ~Secretary Godlewski
