2024-2025 W60 HOME SCHOOLING INFORMATION LETTER TO PARENTS

_____, 2024
Date

Dear Parents or Guardian:

Parents considering Home Schooling for their child need to **Know the Law*. Requirements to legally homeschool in Texas are:

- Parent needs to inform the school in writing of their intent to provide homeschooling;
- The letter needs to include your assurance that the home-school curriculum is designed to meet basic education goals;
- The curriculum must include the basic subjects of reading, spelling, grammar, mathematics and good citizenship;
- The instruction must be bona fide (child must continue receiving genuine daily instruction);
- The curriculum must be in visual form (e.g. books, workbooks, video monitor);

Student(s) will be dis-enrolled by school officials when they receive (1.) written notice and (2) parent signed withdrawal homeschooling PEIMS forms.

Upon your child's return to BISD, the district will review the homeschooling curriculum and may further assess to determine your child's appropriate placement.

We hope that you reconsider by keeping your child in BISD as we are ready to educate your child in a safe and enriching learning environment. BISD is the BEST choice.

Please contact us should you have any questions.

Sincerely,

Campus Principal
