

AFTERNOON PARENT PICK UP AT THE APS SOCCER COMPLEX PARKING LOT

Aerial view of parent drop off & pick up area:

In order to best accommodate the large volume of parent drivers, the afternoon pick up will be different than the morning drop off.

Please adhere to the plan and map.

As you review the plan we ask that you prepare by writing your student's LAST NAME on a large piece of paper and place on the vehicle dashboard. We hope this will help the process run smoothly and safely.

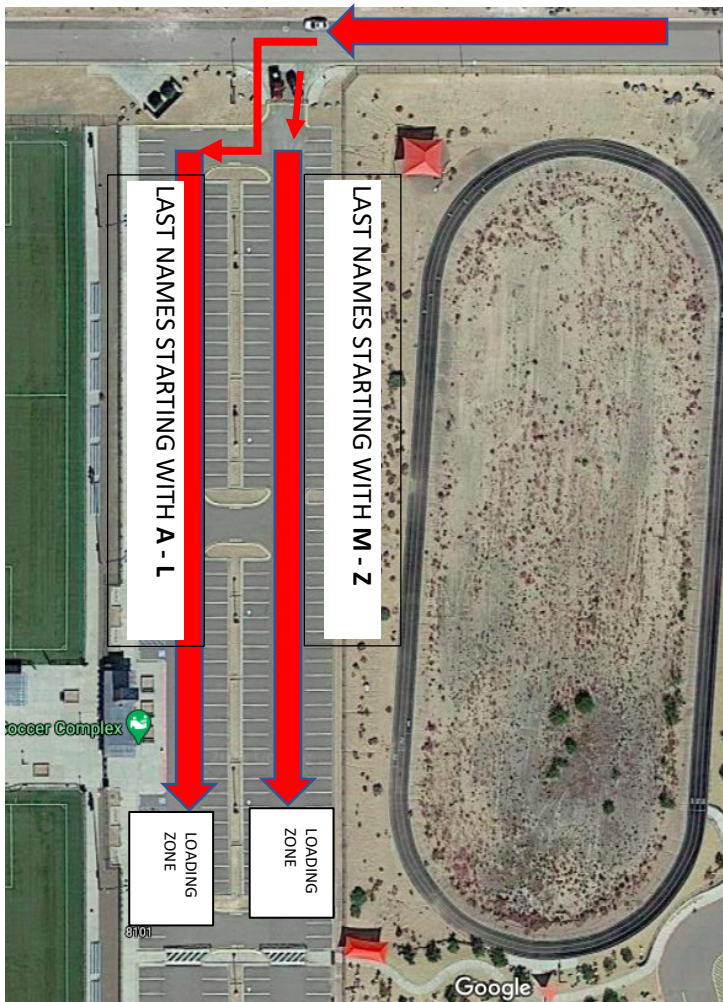

When you enter the parking lot, please adhere to following:

**Last names A-L, go to the west side of the parking lot.
Last names, M-Z stay on the east side of parking lot.**

Students will be waiting in the loading zone area (6-7 cars at a time). Cones will be placed to designate the loading zone area. After all cars are loaded traffic will exit south of the parking lot.

Please adhere to all staff instructions and be patient as we safely direct your student to your vehicle.
