JUNIOR/SENIOR PARKING RULES & REGULATIONS

Parking on campus is a privilege. Therefore, certain rules and regulations are expected of the student to maintain this privilege. Upon receiving a school parking hang tag, the student assumes full responsibility for knowledge of all school rules (as specified in the Student Handbook and on this form). Each student who drives an automobile to school must register the vehicle by purchasing a parking permit. **Parking fees are non-refundable.** The parking hang tag **MUST** be placed in the driver's rear view mirror each instructional day.

ALL school rules are in effect in the parking area before, during, and after school. Parking permits may not be sold, traded, or transferred from one student to another. **DO NOT ALLOW ANOTHER STUDENT TO DRIVE USING YOUR HANG TAG EVEN IF YOU ARE RIDING WITH THEM.** Replacement hang tags are \$15.00. The original parking hang tag must be returned at the time of the replacement request. Failure to return the original parking hang tag may result in the student having to register their vehicle again for \$40.00.

- Students may not enter the parking lot during the day unless scheduled to leave with proper name badge documentation or without written permission from the Administration.
- The Administration has the right to search your vehicle as deemed necessary. Such searches may be conducted without notice, without student consent, and without a search warrant.
- Buses and pedestrians always have the right of way in the parking lot.
- Be courteous and cautious. Speed limit is 10 mph.
- No smoking on campus includes your vehicle.
- Any reassignment of parking spaces can only be done by the Administration.
- Your vehicle may not occupy more than one (1) space.
- You may only sign in a vehicle belonging to you or your parent/guardian. Students may not apply for another student's car.
- Students who give, sell, or trade their parking pass to another student may have their parking permit revoked and also will be subject to consequences deemed appropriate by the administration.
- Students are expected to comply with all State of Georgia Traffic Rules and Regulations and Road Safety rules while on school property.

AFFIDAVIT

I also, understand it is my responsibility to follow all the rules and regulations established by McClure Health Science High School and that if I violate any of these rules my vehicle may be towed, (GA.
