## Teaching & Training Course Information

### Level 1

#### Principles of Education and Training

13014200

**Grade: 9-10**

**Credit: 1**

Principles of Education and Training is designed to introduce learners to the various careers available within the Education and Training Career Cluster. Students use self-knowledge as well as educational and career information to analyze various careers within the Education and Training Career Cluster. Students will develop a graduation plan that leads to a specific career choice in the student's interest area.

#### Principles of Human Services

13024200

**Grade: 9-10**

**Credit: 1**

Principles of Human Services is a laboratory course that will enable students to investigate careers in the Human Services Career Cluster, including counseling and mental health, early childhood development, family and community, personal care, and consumer services. Each student is expected to complete the knowledge and skills essential for success in high-skill, high-wage, or high-demand human services careers.

### Level 2

#### Child Development

13024700

**Grade: 10-12**

**Credit: 1**

*Recommended Prerequisite: Principles of Education and Training OR Principles of Human Services*

Child Development is a course that addresses knowledge and skills related to child growth and development from prenatal through school-age children. Students use these skills to promote the well-being and healthy development of children and investigate careers related to the care and education of children.

#### Human Growth and Development

13014300

**Grade: 10-12**

**Credit: 1**

*Recommended Prerequisite: Principles of Education and Training OR Principles of Human Services*

Human Growth and Development is an examination of human development across the lifespan with emphasis on research, theoretical perspectives, and common physical, cognitive, emotional, and social developmental milestones. The course covers material that is generally taught in a postsecondary, one-semester introductory course in developmental psychology or human development.

### Level 3

#### Instructional Practices

13014400

**Grade: 11-12**

**Credit: 2**

*Prerequisite: Human Growth and Development OR Child Development*

Instructional Practices is a field-based (practicum) internship that provides students with background knowledge of child and adolescent development as well as principles of effective teaching and training practices. Students work under the joint direction and supervision of both a teacher with knowledge of early childhood, middle childhood, and adolescence education and exemplary educators or trainers in direct instructional roles with elementary-, middle school-, and high school-aged students. Students learn to plan and direct individualized instruction and group activities, prepare instructional materials, develop materials for educational environments, assist with record keeping, and complete other responsibilities of teachers, trainers, paraprofessionals, or other educational personnel.

### Level 4
