**04**

## Share a file

You can share many types of files with your tutor in the classroom. Upload an essay, your lab report, a PowerPoint presentation, and more. You and your tutor will be able to view the file together in the classroom.

05

## Use special tools

The classroom includes a graphing calculator, text editor, and code editor when working on subject material that may require these special tools. Open them by using the buttons above the whiteboard.

06

## Rate & review your session

After each session, be sure to let us know how we did! Complete the survey and share your comments. Then you'll have the option to play a video of your session, and email or print the chat log and whiteboards.

07

## Submit your paper

Our Drop-Off Review service allows you to get expert help from a tutor without having to connect for a real-time session. Upload your writing assignment and get detailed feedback and explanations within 12 hours. Retrieve your tutor's completed review under My Sessions.

08

## Practice for a test

Use our practice quizzes to assess your level of knowledge and practice for upcoming tests or quizzes in math, science, and English. Take a quiz, review your results, and connect with a tutor to discuss any missed questions.
