Dear Parent/Guardian,

At the end of this academic year, I would like to take the time to reflect on the achievements and milestones we have been through at Bilton School this year, specifically for me this half term. During this academic year the students have excelled in various fields from sports, arts as well as academic achievements. This week we shared two fantastic award evenings where the student's achievements and resilience were recognised by staff, students and parents alike.

We all participated in our 'Stride to Save Lives' event this afternoon, raising over £700 for our CRY charity, Cardiac Risk in the Young. As a school we have raised £2416 this year for a variety of local charities, contributing back into our local community. This is something we are looking to develop even further next year as we enhance the community element of school. Please join our Facebook page, Bilton School Rugby, where you are able to see all the various aspects of school life we have experienced this term.

I welcome the support I experienced from parents by the participation in our parent survey and attendance to our first Culture and Attitudes parent forum this week. Parents are an integral part of our school, and all feedback is welcome so together we develop all our children's educational experience.

Looking forward to next academic year I would like to share with you your child's tutor group and their classroom, please see below:

13.1	Megan Kyrke (Tue-Fri)/Claire Francis (Mon)	H67
13.2	Jess Stay	H66
13.3	Julie Griffiths	H65

I would also like to remind you that the first day back is Thursday 5th September. All expectations regarding Sixth Form school dress code and equipment can be found on the school website and I would like to take the opportunity to remind everyone that school starts at 8.50am and we expect all students to be punctual for the start of every tutor time. This also applies to lessons where we expect students to arrive at lesson on time and ready to learn.

Should your child be unwell please contact school to let us know the reason for the absence. I have attached a letter from Mrs Keell our senior leader with responsibility for attendance explaining the changes and importance of student attendance to school.

I would like to express my sincere thanks for the welcome I have received since starting as Headteacher at Bilton School and for your continued support and partnership in the education of your child. Together we will continue to strive for excellence in all aspects of school life.

Kind regards,

Jayne Delves
Headteacher
