

Supplies needed for Music class 2024-2025

Mr. Halliwell

rhalliwell@alkschool.org

All students entering grades 3 and 4 will need to purchase a recorder instrument for their music class. These recorders must be a standard Soprano 3-piece recorder, made of plastic, and must come with a case and a cleaning rod. **Each student only needs to purchase one (1) recorder** for themselves for music class, however, they will be held responsible for replacing their instrument in the event they break it. Students are also free to choose whichever color instrument they like. Links to purchase these are below:
