Entry 9 Enrollment & Retention

Completed - Aug 1 2023

Instructions for submitting Enrollment and Retention Efforts

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2022-2023 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2023-2024.

*SUNY-authorized charter schools

The education corporation must include a plan for the charter to meet or exceed enrollment and retention targets established by the SUNY Trustees for students with disabilities, ELLs, and students who are eligible to participate in the FRPL program. See the [enrollment and retention target calculator](#) to find specific targets.

Entry 9 Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2022-2023	Describe Recruitment Plans in 2023-2024
Economically Disadvantaged	<p>University Prep Charter High School's recruitment efforts focus on Districts 7, 8, 9, and 12, areas of the Bronx with high levels of families living in poverty. Therefore, we consider all of our recruitment efforts to be targeted toward Economically Disadvantaged students, and our high percentage of this subgroup (90%) reflects the validity of that philosophy. Our efforts include presentations at middle schools, attendance at high school fairs, distribution of brochures and flyers, and open houses held throughout the year.</p>	<p>As we surpassed our enrollment target (89%) for this subgroup by four percentage points, no changes are planned for the school's efforts to recruit Economically Disadvantaged students in 2023-24.</p>
English Language Learners	<p>To recruit English Language Learners in 2022-23, we visited all middle schools with higher than district averages for ELL students. In our presentations and open houses, we stress the various programs we provide to serve this subgroup as well as our high graduation rates. All recruitment materials, applications, and enrollment documents are available in Spanish, and translators are brought to all recruitment events. Using these strategies, English Language Learners comprised 6% of our total enrollment in 2022-23.</p>	<p>While we did not meet the enrollment target for this subgroup (16%), we are confident that our good-faith efforts are solid. Therefore, no major changes are planned for the school's strategies to recruit English Language Learners in 2023-24, although we will increase our efforts to develop relationships with schools and community-based organizations that serve high levels of non-English speaking families.</p>
Students with Disabilities	<p>Our efforts to recruit Students with Disabilities included strategic visits to schools that high percentages of students with IEP's, during which we outlined the special education program and additional support provided to all special needs</p>	<p>Although we were 3 percentage points below our enrollment target (20%) for this subgroup, we are confident that we are implementing a strong recruitment plan. Therefore, no changes are planned for the</p>

	<p>students. When parents of students with IEPs ask, we proudly point out that we are open to all students. In addition to instructional and emotional support, we stated that we provide speech and hearing services to students who require them. Using these strategies, Students with Disabilities comprised 17% of our total enrollment in 2022-23.</p>	<p>school's efforts to recruit Students with Disabilities in 2023-24.</p>
--	--	---

Good Faith Efforts To Meet Enrollment Retention Targets

	Describe Retention Efforts in 2022-2023	Describe Retention Plans in 2023-2024
Economically Disadvantaged	<p>We make every effort to retain all Economically Disadvantaged students who enroll in our school. We believe the best way to prevent students from leaving due to their or their families' discontent is to provide as much support as possible. For emotional guidance, we have five counselors for four grade levels. This allows students who qualify for free or reduced-price lunch to receive counseling if mandated or simply if they are at risk of failure or emotional crisis. Every counselor knows every student in his/her cohort and every student knows at least one adult outside of the classroom that he/she can go to for help. In addition, we cover any fees for special programs and uniforms for any student who cannot afford to pay.</p>	<p>As retention of Economically Disadvantaged students was strong, we will implement similar strategies in 2023-24.</p>
English Language Learners	<p>To retain English Language Learners, we employ a full-time certified ELL teacher to provide all mandated services and to support subject matter teachers in working with ELL strategies in the least restrictive environment. ELL students can attend teacher office hours to receive supplemental instruction or to complete assignments. Translators are provided for all parent-teacher conferences and school events.</p>	<p>As retention of English Language Learners was strong, we will implement similar strategies in 2023-24.</p>
Students with Disabilities	<p>We also provide numerous academic interventions for our students with IEPs, including office hours with any of their teachers.</p>	<p>As retention of Students with Disabilities was strong, we will implement similar strategies in 2023-24.</p>

During this supplemental instruction time, students can get tutoring, extra help, or make up work as needed. For students with IEPs, we also revised the schedule/staffing to provide the least restrictive environment so that students received academic support in all of their core classes by a highly qualified special education teacher using an integrated co-teaching model. In addition, we held two series of Saturday/Afterschool academies throughout the year to help students prepare for the Regents Exams. Our general strategy for retaining at-risk students is to highlight the benefits of taking eight classes per year, especially with respect to graduating from high school and being accepted to college. We frequently meet with parents of students that are demonstrating characteristics that make them at-risk of failure like poor attendance, excessive lateness, poor behavior, significant academic struggles, and low student achievement. These students receive at-risk counseling.

Entry 10 – Teacher and Administrator Attrition

Completed - Aug 1 2023

Form for "Entry 10 – Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

1. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employee-fingerprint-oct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Entry 13 School Calendar

Completed - Aug 1 2023

[Instructions for submitting School Calendar](#)

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2023 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2023**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "... *unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month (also used to align to schools with extended days/years referenced in their mission statements/key design elements). See an example of a calendar showing the requested information. Schools **must** use a calendar format and ensure there is a monthly tally of instructional days.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.
