## MISSION

Striving to improve Clinton County by preventing disease, promoting health, and protecting the environment.

## VISION

To provide the highest level of education, leadership, and service to promote the well-being of those living and working in Clinton County.

## VALUES

Commitment- We are committed to building strong communities with healthy people for a healthy Clinton County.

Educate- We strive to inform, educate, and empower people about health issues.

Equality- Everyone should have equal opportunity to health.

Inspire- We believe that health is more than life without disease.

Leadership- We provide our highest and best efforts in every aspect of our work.

Prevention- We emphasize prevention, health promotion and early intervention.

Respect- We have respect for our community, our citizens, each other and ourselves.

Service- We value fiscal responsibility and stewardship.

## AFTER HOURS EMERGENCY
