Ordering lunches has never been easier!

Grace Academy has partnered with Crave-it Nutrition to manage our food service program. Their new meal software platform will provide you a secure, fast, and easy-to-use online ordering system that allows you to view our lunch menu, preorder meals, add funds, view transaction history, and manage student lunches from a smartphone, tablet or computer. **All meal preorders are due 2 days prior to the day of service. For example, you would order for Thursday by Tuesday 11:59pm. If there is no order placed, we can't guarantee your child will receive a meal!**
