

ADOPT-A-SCHOOL

Our Adopt-A-School Program offers business partners, churches, and community organizations the opportunity to form a unique and lasting relationship with a campus and help to strengthen and enrich the quality of education for our students and work experience for our employees.

Our Partners

- Gain a new perspective on public education
- Serve as role models to students
- Increase visibility and communication between our schools and community
- Foster relations with our district through volunteerism

Our Schools

- Gain a community ally in creating greater awareness of our district
- Receive support and encouragement
- Create a greater understanding of campus culture and needs
- Have a trusted partner
