

Edison High School

SUMMER MAILER REGISTRATION AND GENERAL INFORMATION

June 21, 2024

“One Tiger, Many Stripes” Go Tigers!

Dear Edison Families,

Welcome to Edison High School! We're excited for the 2024-2025 school year, starting on August 19, 2024. Enjoy your summer and mark your calendars.

At Edison, we pride ourselves on fostering a community that values diversity, excellence, creativity, and innovation. Our dedicated teachers and staff are here to support, challenge, and help you grow in ways you never imagined. Edison offers a robust CTE pathway program, and we pride ourselves in providing an array of AP courses. Whether your passion lies in the arts, sciences, athletics, or technology, you will find countless ways to explore and develop your interests.

Get involved! It's a time to discover who you are and want to become. Participation in sports and clubs can boost academic achievement and foster lifelong connections.

Edison athletics and numerous clubs are great ways to stay engaged, build leadership skills and discover your potential.

Communication with Edison families is crucial. We share updates via social media, our website, ATLAS, Edu-Text, Peachjar, and ParentSquare. Please ensure your contact information is up to date in ATLAS.

I am committed to leading with integrity and enhancing student achievement. I look forward to partnering with you in supporting students to embrace their high school challenges with confidence and excitement. Here's to a remarkable educational experience and welcome to the “Tiger Family”!

Respectfully,

J. L. Munoz

Principal, Edison High School

School Climate and Culture

Student Involvement

Student involvement is essential to the development of our students. Students involved in activities beyond the classroom are more likely to perform better in school because they become more connected by developing positive relationships, learning new things, and developing interpersonal skills. Additionally, students expand their college and career resumes. Students can also get involved by joining one of our numerous clubs. Please refer to the list of clubs on our website under the Arts & Activities tab, or students can create a new club. They can see Ms. Driggers, CCD, in W105 for details about existing clubs or creating a club. Club Rush is a lunchtime event each semester where students can find all the clubs EHS has to offer!

Parent Involvement

WE NEED YOU!! Families are instrumental in the growth of our students and Edison High School. Our goal is to promote family partnerships for the success of our students. Get involved!!! Here are some ways that we at Edison would love for you to get connected:

- ParentSquare
- Edison School Site Council
- English Learner Advisory Committee
- Family Engagement Hour/Coffee Hour
- Parent University
- Edison Athletics and Activities Booster Organizations.

Contact Vice-Principal Jasmine Marby for information:

Jasmine.Burris-marby@fresnounified.org

ParentSquare is Here!

ParentSquare

We have now moved to Parent Square as the main mode of communication. This will make it easier for you to communicate with teachers and receive timely notifications on all things Edison including the weekly school messengers that will now be available mainly through Parent Square and Edison's website.

Please check the emails of all parent/guardians listed in Atlas for this Parent Square invite. If you have not received a notification from Parent Square to login to your account, please make sure your information is up to

If you see a ParentSquare logo next to a topic in the mailer, additional information will be sent out via ParentSquare.

date in the Atlas parent portal.

If you are still having a hard time getting logged in, please call Edison, or come by and we will be happy to assist you. Lastly, you can visit fresnounified.org/Parent Square to access easy training available in both English and Spanish

ParentSquare
App!

Edison School Climate and Culture

9th Grade Summer Bridge

Edison's Summer Bridge & Link Crew are high school transition programs that welcome incoming freshmen and help them feel comfortable throughout the first year of their high school experience. Having a positive experience in their first year in high school has proven to increase a student's chance for academic success.

- Summer Bridge is a week-long, optional program that will include the Link Crew Orientation on the last day of Summer Bridge. This program will give students the opportunity to connect with different Edison teachers and their classmates, as they focus on building their academic habits. If you have any questions, please contact Arthur Mosqueda: Arthur.Mosqueda@fresnounified.org
- Monday through Friday, August 5th – 9th, from 8:30am - 2:30pm (Reminders will be sent out on ParentSquare!)

Technology

Students are required to bring their district-issued computer to school daily. Technology is a required resource that should be used for educational purposes and academic growth. All School provided technology is monitored for the safety of our students. Please contact the FLATS center for support with district provided technology. Email: Flats@fresnounified.org
Telephone: (559) 457-3939

9th Grade Link Crew Orientation

- Link Crew Orientation is a requirement for freshmen who did not attend Summer Bridge. This program will introduce the Class of 2028 to the Edison campus as well as connect them with an upperclassman. Please attend the orientation that corresponds to the first letter of your last name:
- A-L students & Summer Bridge participants attend Wednesday, August 9, 9:00am - 1:00pm
- M-Z students & any students who missed day 1 attend Monday, August 12, 9:00am - 1:00pm

Student Success

We pride ourselves on the performance of our students. Three main areas that will be continuously monitored and reviewed for all students will be academic performance, attendance, and behavior. If students are on a transfer, they can have their file reviewed at any time to ensure they are meeting the academic performance, attendance, and behavior criteria to continue at Edison. We recommend that families to be active participants in the achievement of the students. Students are expected to use resources available to them at school and online. Please contact Edison if you feel that your student needs extra support.

Attendance

Please, make sure that your child(ren) attend school daily. If students need to miss school for any reason, call Edison at (559) 457-2650 to clear absences using the following information.

- Contact Nina Aguiniga to clear absences for students with the last name beginning with A-L.
- Contact Tracy Moua to clear absences for students with the last name beginning with M-Z or any Hmong calls.

Tardy Policy

To help prepare college and career ready graduates, Edison High School enforces an on-time policy. Students are expected to be in their class and prepared to learn prior to the sound of the tardy bell in every class and every day. Random tardy Sweeps will be conducted campus wide. Students who are tardy or out of class without a pass will have consequences assigned and parents will be contacted. Follow-up actions may include detention, loss of school privileges, Saturday School, and SARB processes. Please note that the 10 minutes no bathroom policy is in place for the start and end of each period.

EDISON HIGH SCHOOL CLASS OF 2024

Dress Code

Appropriate attire and appearance are necessary to be prepared for college and careers. As such, Edison High School provides students with a dress code that promotes safety and a healthy learning environment free from distraction. The goal is to work collaboratively with parents to ensure our students are coming to school in dress code and prepared to learn in a safe environment. Please familiarize yourself with our current dress code. Students who do not meet our dress code guidelines will be sent to Administration South and given a chance to change the clothing article. The clothing will stay there until the end of the school day, and parents will be contacted for more support. Parents will also be contacted if no options are available for the student to change their article of clothing or the student refuses the options provided, parents will be contacted to bring the student an article of clothing that meets the dress code and would allow the student to return to class. Any refusal on the part of students during this process will lead to increased parent communication and collaboration to identify the best response for the student to meet expectations. Please encourage our students to take advantage of instructional time by adhering to the dress code.

To better support student safety, we want to emphasize the FUSD dress code policy that requires students to always have their Student ID Card with them while on campus. Students will be asked to present their ID cards multiple times throughout the school day to ensure they are in class receiving all their high-quality, standards-based, instructional time.

This dress code is for the 2024-2025 school year, as put forth by the Fresno Unified School District.

(FUSD Policy Below):

"Students' clothing must not present a health or safety hazard or interfere with the educational process." ~ FUSD
The following dress code applies to all sexes and genders, and will be enforced at the school site, and all school activity locations: any apparel, hairstyle, cosmetic or jewelry, even if not specifically mentioned below, which creates a safety concern, draws undue attention to the wearer, or which tends to detract from the educational process is not acceptable.

1. Every high school student must have in their possession a valid student I.D. card.
 2. Clothing, hats, beanies, Do-rags, or accessories with logos/mascots of professional sports is prohibited, (e.g., Raiders, 49ers, Oakland A's, Dodgers). Any clothing or accessories depicting bulldogs (word or image of) such as Fresno State Bulldogs and Georgetown Hoyas are not acceptable. Gang-related symbols, insignias, or "colors" are not to be worn or displayed. Any clothing item or accessory that is over 50% bright red, or bulldog red, will not be permitted. Likewise, any clothing that is over 50% royal blue, or Dodger blue, will not be permitted.
 3. Clothing with lettering or drawings which depict sexually suggestive expressions or actions, profanity, obscenity, drugs, alcohol, or tobacco, or which degrade the integrity of individual groups may not be worn.
 4. See-through or sexually suggestive apparel, which exposes the body or skin in a sexually suggestive manner, is not acceptable. No undergarments may be revealed. Underwear-type sleeveless shirts, spaghetti straps or any top (e.g., tube tops and halter tops) that does not completely cover the midriff and torso are not allowed.
 5. Dresses, skirts, and shorts must not be more than 4 inches above the knee.
 6. Attire, which may be used as a weapon, may not be worn (e.g., steel-toed boots, chains, items with spikes or studs).
- THE ENFORCEMENT OF THE EDISON DRESS CODE IS THE RESPONSIBILITY OF ALL STAFF.
Referrals will be made to the Vice Principals for appropriate action.
-

Edison School Climate and Culture

Level 0	No personal technology
Level 1	Use for educational purpose
Level 2	Only headphones quietly listening to music
Level 3	Unrestricted access (must abide by FUSD Technology Use Policy)

Cell Phone Policy

Electronic Device Policy: Electronic devices are allowed before school, during lunch, and after school. Students shall not use a cellular phone or other electronic device without direct permission from school. Students shall not use a cellular phone or other electronic device without direct permission from their teacher(s) during the school day, unless essential to the student's health. Students bring these items at their own risk and assume all liability for the devices. Edison High School assumes no liability for broken, lost, or stolen devices.

Food Deliveries

Students are NOT ALLOWED to receive food deliveries from food delivery services while they are on campus.

Food delivery services create a safety concern for our students as we cannot verify the contents or ingredients of any food items nor have the delivery drivers been cleared by the school.

ALL student food deliveries will be turned away by office staff and students may be subjected to fees lost.

After School Program

All students can participate in our after-school program, which starts the first week of school from 3:21pm-6:00PM, Monday-Friday. The After School Program offers academic support and various enrichment activities. If you have questions, please contact our ASP Coordinator, Crystal Cobarrubias at crystal.cobarrubias@fresnounified.org.

Tiger Academic Competitions

Edison is known as one of the premier schools for student academic achievement. As such, our students also love to show their academic skills. Our speech and debate teams are highly competitive, and help students develop critical thinking and research skills. Students learn to problem solve and speak publicly while building lasting relationships. You may also want to consider some of our other highly competitive extracurricular teams. See the list below:

- MESA: Contact Jamie Vargas
- Mock Trial: Contact Nicole Jennison
- Model United Nations: contact Matthew Ethan
- Robotics: Contact Xiong Cha
- Science Olympiad: Contact Sara Meadows Alvarez
- History Day: Contact Gary Mrkaich

Edison School Climate and Culture

Restorative Practices

Edison High School uses restorative practices to address the academic, social-emotional, and behavioral needs of our students. This approach considers the effects of behaviors on both those harmed and those causing harm. Our goal is to enhance relationships and behaviors for everyone, emphasizing the development of the "whole child." Restorative practices aim to repair relationships and restore social norms when expectations are not met, involving the offender, the offended, and others impacted by the behavior. While consequences remain, the focus is on moving forward and improving future behavior.

In the Classroom

Restorative practices are an expectation of Edison High School. A restorative approach in the classroom strives to demonstrate the 4 Emotional Intelligence Skills of Self-Awareness, Self-Management, Social Awareness, and Relationship Management. An example of this restorative approach would include efforts to build relationships and rapport among students, between students and teachers. Mutual respect, high expectations with high support, and a community of caring help to improve behavior in the classroom.

Re-Engagement Center Process

To support staff and students in building and repairing relationships, students who come to the RC will be given the opportunity to reflect on the interaction to appropriately re-enter the classroom through the reflection tool. When appropriate and agreed upon by all parties, students and staff members will be given the opportunity to meet in a restorative circle with the goals of restoring the relationship and making things as right as possible.

Social-Emotional Support Team

Hey Tigers! Are you looking for a safe space to talk about and better understand your feelings and mental health? We have you covered. On our campus, in the South Administration building, you can find a well-rounded team of School Psychologists, Social Workers, and Counselors who are ready to support your needs. We provide supportive and intensive counseling for students, crisis support, grief support, LGBTQ+ support, counseling groups, restorative counseling, community resources for families, and much more! Please refer to our Instagram page ([ehs.se.team](#)) for more information and updates about our events throughout the school year.

Class Meetings (We Act)

Our monthly Class (WE ACT) Meetings are designed to support restorative practices in the classroom and across the school. This time focuses on the subject matter of building relationships, effective communication, cultural competencies, student interactions, participation, relevant, to prepare students for college and career. They are intended to support classroom climate, not to be isolated events.

A Few Important Numbers for Support

- National Suicide Prevention Hotline
 - 988
- Local Suicide Prevention Hotline
 - 988
- 24-Hour Crisis Support

- National Sexual Assault Hotline
 - 1-800-656-HOPE (4673)
- TrevorLifeline for LGBTQ+ Support
 - 1-866-488-7386

Help is just a phone call away!

Edison's Academic Programs "California Gold Ribbon School"

21st century careers will require people to have critical and creative thinking skills that are linked to the fields of Science, Technology, Engineering, and Math (STEM). STEM is one of the fastest growing occupations; yet there is a gap in qualified applicants in relation to job vacancies. If our country maintains the current state of education, there will be a shortfall of about 1 million STEM (Science, Technology, Engineering, and Math) professionals soon. To prepare and equip Edison High School students for

the growing demands in the STEM related fields, Edison is a STEM focused school that promotes four years or more of Math and Science as well as four STEM Pathways: Biomedical Science and Technology, Computer Science, Engineering Design and Development, and Green Energy and Technology Academy (GETA).

All Students—Four or More Years of Mathematics and Science

To expose our students to the academic rigors of post-secondary education and to qualify for Entry Level Mathematics (ELM) exemptions prior to enrollment in the CSU as well as prepare them for the growing careers in the STEM fields, students are enrolled in four years of mathematics and science at Edison High School.

STEM Pathways

The development of career-themed pathways has increased the offerings of instructional experiences that go beyond the classroom, helping students see the application of learning in the real world and exposing them to the expectations of life beyond high school. All pathways incorporate technology. Pathway courses offer students an opportunity to develop the critical thinking skills necessary for college and career readiness.

Green Energy and Technology Academy

Green Energy and Technology Academy (GETA) is in its 11th year of implementation. GETA is a program in partnership with the California Department of Education (*California Partnership Academy*) and PG&E. This is a three-year program (*10th-12th grade*) offering rigorous classes in electronics, lab safety, and photovoltaic energy.

Our other three pathways are modeled after the nationally recognized Project Lead the Way which provides robust training and resources for teachers.

Engineering Design and Development

The Engineering pathway is in its tenth year of implementation and continues to boast very dedicated and active freshman, sophomore, junior and senior cohorts. It consists of a sequence of four engineering courses where students are exposed to Computer-Aided Design and Drafting (CADD), vex robotics, mechanical and electrical engineering.

Biomedical Science and Technology

The Biomedical Science and Technology Pathway is in its ninth year of implementation with all grades. It consists of a sequence of four biomedical courses where students are exposed to biology, medicine, anatomy and physiology, and psychology. Students enrolled in the Biomedicine pathway are likely to complete eight or more science courses before graduating.

Computer Programming and Application Development Program

In the fall of 2014, Computer Programming and Application Development Program started. The Class of 2025 will be the eighth cohort to graduate. Students take two Computer Science Advanced Placement courses, and the goal of this pathway is to help the students become creators of technology and to improve their skills for designing, logical reasoning, problem solving, and collaborating.

Advanced Placement Program

Did you know that Edison High School offers more AP courses than any other school in Fresno or Clovis? The Advanced Placement (AP) program was created by the College Board (<https://www.collegeboard.org>), which offers college-level curriculum and examinations to high school.

The curriculum is designed to attract and challenge students with strong reading, writing, and critical-thinking skills interested in challenging themselves in preparation for post-secondary education. At the end of the school year, students who take and pass an AP exam with a score of 3 or higher may receive college credits.

If you are interested in our robust AP program, please contact our AP Coordinator, Janina Schulz - janina.schulz@fresnounified.org.

Counselor Welcome

The Counseling Department at Edison High School has a dedicated and dynamic team of counselors ready to serve your child! We have 9 counselors that are assigned by alpha according to your child's last name. We also have a Head Counselor that oversees and guides the work of the Counseling Department. Our counselors provide services in three main domains: academics, personal/ social, and career, and assist with the overall safety of the school. We are an excellent first stop to find the information you may need. Your child can request to see their counselor by email, Teams Chat, or by visiting the Counseling Office in the South Administration building before school, at break, during lunch, or after school. A Counselor Appointment Request Form may also be completed in our office. Students and parents are welcome to email or call their counselor as well. You can find their contact information on the Important Numbers to Know page in this packet. Information on schedule distribution and late registration is also below. We look forward to the 2024-2025 school year!

Post-Secondary Testing Dates

Remember to register for the SAT or ACT. Multiple exposures and practices make a difference. You can also use the free online tools with College Board.org, and ACT.org, to help prepare for these tests.

Student Schedules

Student schedules were created by our counselors and should reflect both graduation and college entrance requirements (A-G). The master schedule was developed based on the requests your child made in the spring during Pre-Registration along with courses needed for graduation and A-G. If you feel there is an error in your child's schedule, your child will have the opportunity to request a change of program if:

1. There is a class missing that your child needs for graduation or CSU/UC requirements.
2. Your child passed a class during summer school.

We cannot accept requests to change to a different teacher or move a class to a different period. We may not be able to accommodate a request for an elective change due to limited space and availability. Requests for schedule changes that are not a result of the items above will require parent notification and may not be honored.

SAT	ACT
August 24 (registration deadline 8/9)	September 14 (registration deadline 8/9)
October 5 (registration deadline 9/20)	October 26 (registration deadline 9/20)
November 2 (registration deadline 10/18)	December 14 (registration deadline 11/8)
December 7 (registration deadline 11/22)	February 8 (registration deadline 1/3)
March 8 (registration deadline 2/21)	April 5 (registration deadline 2/28)
May 3 (registration deadline 4/18)	June 14 (registration deadline 5/9)
June 7 (registration deadline 5/22)	July 12 (registration deadline 6/6)
https://collegereadiness.collegeboard.org/sat/register	https://www.act.org/content/act/en/products-and-services/the-act/registration.html

The Golden Brigade

Get involved in our award-winning band and color guard, The Golden Brigade! Our band performs and competes at the highest levels and has been honored with many awards.

Band Camp officially begins August 5th - 49h from 9am to 1pm. If you have questions, please contact our Band Director, Brad Feyma.
Email: bradly.feyma@fresnounified.org.

Students interested in The Symphony Orchestra, please contact our TBA Symphony Orchestra when appointed.

5 - Star Student App

Students and Teachers will be using the 5-Star system for check-in / check-out for the restroom and activities, as well as positive behavior incentives.

Please encourage your student to download the 5 Star Student App to their phones. Campus Security Assistants may ask your student for proof that they have permission to be out of class. 5 Star is an easy and safe way for our students to demonstrate responsible behaviors while on campus.

The Tiger Theater Company

Summer Greetings! We are excited to offer a very full schedule of activities for Edison Tigers in the 2024-2025 school year.

ETTC always produces amazing shows on the big stage; one play in the fall and one musical in the spring. We will also be very busy with showcases on our smaller stage in D102.

Catch our Improv Team and Special Performances at these showcases. We will also attend festivals and competitions for Acting and Technical Theater events. These Festivals will be special field trips for Drama Club members and Advanced Theatre and Technical Theatre Students. We also attend a few field trips to see Broadway Touring Shows and some trips just for fun and fellowship.

Want to know more? Come attend our meetings! Meetings for the Drama Club are on Tuesdays @ lunch in room D102! Get information about ETTC from our Instagram: [@edisontigertheatre](https://www.instagram.com/edisontigertheatre) or our website: <https://www.edisontigertheatre.com/>

Parking, Drop-Off & Pick-Up

Edison High School values the safety and security of our students, staff, and visitors. Our Administrators and Campus Safety Assistants start arriving at 7:30am. The main office opens at 7:30am and closes at 4:30pm. If you are dropping your child off, we recommend early arrival to avoid congestion and traffic. Dropping your child off by 8:00am will ensure they will be on time for class. Keep in mind heavy traffic begins after 8:00am. For families who transport their child, we ask that you drop off and pick up in front of the school due to heavy vehicle and pedestrian traffic in the parking lot.

Student Parking Permits REQUIRED

All students who drive to school must obtain an EHS Student Parking Permit from our Financial Technician, Mr. Yang. Parking Permit Applications will be available on August 14, 2024. Students must complete an application and provide a copy of their CA driver's license and car registration. We will start enforcing Parking Permits on the first day of school, August 19, 2024. Parking Permits must be hung from the rear-view mirror and be visible. Students will need to park in the student parking lot in front of the gym. Students are not allowed to park in the North Parking Lot or the South Parking Lot or any other reserved places for staff and visitors. ***With student safety as our primary focus, any student that does not have a parking pass will not be allowed to park on campus.***

Student Medication

Students may NOT carry medications on campus without proper approval. For medication to be administered at school, a Medication at School Form must be signed by the parent and physician and renewed each academic school year.

All medications, including inhalers, prescription meds, and over-the-counter meds are to be reviewed by our School Nurse and kept in the Nurse's Office in a locked cabinet.

Any emergency medication, such as glucagon, EpiPen and inhaler can be carried by student with a written order from a physician and cleared by our School Nurse. Education Code Section 49423 defines certain requirements for administration of medication, "any pupil who is required to take, during the school day, medication prescribed for them by a physician", if the school district receives the following:

- 1.A written statement from such physician detailing the method, amount, and time schedules by which such medication is to be taken and
 - 2.A written statement from the parent or guardian of the pupil indicating the desire that the school
-

Tiger Athletics

We are looking forward to another exciting campaign for all our 24 comprehensive teams. We hope to see you at our many events as we use athletics to promote learning, teamwork, empathy, collaboration and so much more.

In the fall season we offer football, girls' volleyball, boys' water polo, girls' water polo, boys' cross country, girls' cross country, girls' tennis, girls' golf, and sideline cheer.

In the winter season we offer boys' basketball, girls' basketball, boys' soccer, girls' soccer and wrestling along with sideline cheer that extends into multiple seasons.

The spring season offers most sports that include the following: boys' track, girls' track, baseball, softball, girls' badminton, girls' lacrosse, boys' golf, boys' volleyball, competitive sport cheer.

We also have the privilege of featuring Unified Sports which are designed to promote the well-being of our special Olympians along with our general education students. Unified Sports feature soccer, basketball, and track & field.

All students must maintain a grade point average of 2.0 or better to participate in athletics. In addition, all student-athletes must complete the Athletic Packet along with a yearly sport physical. Physical packets are available in North administration. Please turn in the sports physical to your head coach.

If you have questions, please contact our Athletic Director at 457-2744.
