

Dear Parents:

All students attending school in Florence County School District Two will be eligible to participate in the National Lunch and Breakfast Program at no cost for the 2024-2025 School Year. **Parents will not be required to complete an application.**

Parents are asked to encourage their children to participate in the no cost lunch and breakfast program. This alternative is referred to as the Community Eligible Program (CEP). All meals served follow the United States Department of Agriculture (USDA) guidelines for healthy school meals.
