INTERSECTION 5 MINUTES
PRIOR TO THE ROUTE START TIME**

NILES TOWNSHIP HIGH SCHOOLS
BUS ROUTE INFORMATION
Daily Bus Service

The information contained in this booklet describes the Niles Township High Schools, District 219 student transportation guidelines. Please read this information carefully.

For the 2024/2025 school year, Students will be provided with free bus service.

Student riders are required to exhibit good behavior at all times on school buses and at boarding points. Regular school disciplinary guidelines apply to school bus riders. Students will be removed and or not allowed to ride the bus if school rules are not followed.

AM PICK-UP ROUTES:

Bus routes are outlined in this booklet. The bus company makes every effort to be prompt. Students should be at their corner 5 minutes before arrival times. **If the bus is late a call should be made to the bus company, First Student, at 847-637-0786** and a report should be made to the Assistant Principal for Operations at your child's high school, please call 847-626-2020.

PM RETURN ROUTES:

Buses begin loading after school. The P.M. routes are identified with the same letter designation as the morning route.

ACTIVITY BUS SERVICE:

Students participating in extracurricular activities and who are registered to ride the bus are eligible to use the "Activity Bus". There are two Activity runs, one leaving the school at 5:30pm and one leaving at 6:30pm. The activity bus runs a consolidated bus route as we do not provide door to door service. Drop off can be as much as four to six blocks from the student's home. The drop off locations are not assigned on the Activity Routes. **Upon entering the bus your student(s) should let the bus driver know where along the route they would like to exit the bus.**

For additional information regarding bus routes please go to the Niles North website and view the boundary map showing all area streets and pick up locations.

If you have any questions regarding bus service, please contact Susan Bumbaris at 847-626-2020.

Operational Services

Administrative Procedure - School Bus Safety Rules

The Building Principal shall distribute the following rules to all students. Those students not qualifying for school bus transportation to and from school should receive a copy because they may from time-to-time be transported to school activities by school bus.

1. Be aware of moving traffic and pay attention to your surroundings.
2. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
3. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
4. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
5. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
6. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.
7. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
8. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take at least five giant steps (10 feet) away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic, even after the driver's signal.
11. Never run back to the bus, even if you dropped or forgot something.
