

South Colby Elementary School

2024-2025 Supply List

The following supply lists identify basic items your student will need for the school year. We recommend students use a backpack without wheels to transport their belongings back and forth from school. Every student will need a pair of tennis shoes for PE days. Your student will also need a personal water bottle that has a tight seal with no straw. Please put their names on their water bottle. At the open house, individual teachers might ask for a few additional items needed for their class.
