Wax Museum

This is the second year for our new Wax Museum initiative, the brainchild of Mrs. Richards. Students research a famous person and create a display about his/her life. Then they “become” that person in a Wax Museum, giving speeches about “their” life to parents and community guests.

Lunches with Ladies and Donuts with Dudes

We are pleased to offer Donuts with Dudes and Lunches with Ladies to give students a chance to show important adults in their life their school, their friends, and a sneak peek into their day.

COAD

This is our first year to partner with Senior Corps to invite “Foster Grandparents” into our building to make connections with our students. Grandma Flo, Grandma Terry, and Grandma Vicki have become an invaluable part of our Tiger Family. The help they have given and the connections they have made with our kids is invaluable. If you would like to become a foster grandparent, please contact Kirk Guisti at 330-987-7232.
