Congratulations Class of 2024

Hello Summer and thank you to our families, community members, staff and students for a wonderful year!

We are excited to welcome **Tyler Bates** as our new Girls Basketball Coach. Coach Bates will also teach math for us at Strasburg. His family includes wife Whitney, son Taysom, and daughter Monroe.

Our students will be active within our facilities and around the community. If you see a Tiger in the wild, say hello! The MAC will remain open throughout the summer for our community members to remain active.

We will use the summer to plan, prepare and recharge for next school year. Please, everyone, have a safe and fun summer! Let the summer days go by slowly. Now just a few words for the Class of 2024.

Congratulations to the Class of 2024 as they represent the best of the Burg! We are very proud of our graduates and look forward to the next journey and our community will be here to support them along the way. Our Tigers will enter college, the military or a career field, we wish them nothing but the best.

Parents and families, thank you for showing up day in and day out. Thank you for waking up early or staying up late because you cared even though you were exhausted. Thank you for challenging them and holding them accountable for all the right reasons. Thank you for being active in their lives at games or school events. It mattered.

Some advice I offer to students. Never stop growing as a person. You will never be complete. Keep working on being the best version of yourself. See the world. Set the bar high for yourself and exceed all expectations, even your own. Control your own destiny. Be Fearless, never be afraid to chase your dreams. Be Yourself, social media isn't the real world. Find Your Passion, do what you love and it will never feel like a job. Have Fun, smile, laugh and surround yourself with good people.

Most importantly, never stop hugging your family and saying I love you. Always and forever so make sure you Call home, text back and stop to visit.
