A. Parent and Family Engagement Policy

PURPOSE

Parents serve as a key shareholder in the educational processes of the students attending Oldham County Middle School. The Parent and Family Engagement Policy of OCMS ensures equitable participation in the planning, reviewing, and implementing of all parent programs and activities. Developing a teacher-parent partnership requires a positive attitude and conscious effort. Teachers and parents working together enables us to reach the educational goals we set for our children.

DEFINITION OF PARENT

The legal definition of a “parent” is a parent, stepparent, or foster parent of a student or a person who has legal custody of a student pursuant to a court order and with whom the student resides.

For the purposes of this policy, we will use the term “parent” to encompass all diverse family situations.

BACKGROUND CHECK

Any parent wishing to serve as a parent volunteer in the school must complete a criminal background check and attend confidentiality training if working directly with students or in classrooms.

COMMITMENTS

We commit to:

1. Sharing clear information about each student’s progress with parents.
2. Offering practical suggestions to parents on how they can support student learning at home.
3. Providing activities designed to successfully engage families in their children’s learning as appropriate.
4. Making representative parents and community members full partners in our decision-making.
5. Facilitating the involvement of our military families, parents with limited English proficiency, parents with disabilities, and parents of migratory children.
6. Seeking and supporting adult volunteers to work with and inspire our students, as well as making every effort, when legally appropriate, to accommodate the involvement of adults other than parents who are already involved in a student’s life.

We will honor these commitments through a school-parent compact. The school-parent compact will be communicated to all OCMS parents through school events (i.e. registration, open house, conferences, etc.). New families to OCMS will also receive the student-parent compact when they register their student.

SCHOOL-PARENT COMPACT

Our students' parents, families, extended families, students themselves, as well as our local community, are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents, and the students:

SCHOOL RESPONSIBILITIES

Oldham County Middle School will:

1. provide high quality curriculum and instruction in a supportive and effective learning environment that enables the participating students to meet Kentucky's student academic achievement standards.
2. communicate clear expectations.
3. utilize research-based materials and method.
4. provide a safe, positive, and healthy learning environment for each student.
5. address the individual needs of each student.

PARENT RESPONSIBILITIES

Parents are asked to:

1. ensure their child attends school regularly, is punctual, and prepared to learn.
2. create an atmosphere that supports learning.
3. encourage their child to demonstrate respect for school personnel, classmates, and school property.
4. remain informed about their child's education.
5. model respect by going to the teacher first regarding concerns.

STUDENT RESPONSIBILITIES

With support from parents, students are asked to:

1. come to school on time and be prepared to learn.
2. obey all school and classroom rules.
3. pay attention to their teachers, tutors, and family members and ask for help when needed.
4. commit to learning and do their best work each day.

A – Principal Selection Policy

PREPARATION

When the council learns that the school needs to hire a principal, they will:

1. Meet with the superintendent, or designee, (who will replace the principal as chair of the council) and review the *Best Practices for Principal Selection* document available on the Kentucky Association of School Councils website.
2. Select a trainer of their choice to deliver training in recruitment and interviewing techniques. The Council Vice-Chair (or Superintendent's designee) will arrange for this training on a date agreed upon by the council and call a special meeting of the council for this purpose with "Principal Selection Training" as the agenda.
3. Distribute copies of this policy to all members before the scheduled training and send a copy to the trainer who will be providing the selection training.

*The council may want to elect a Vice-Chairperson (if none exists) to act as a liaison and contact person with the Chair (superintendent) during this process.

SELECTION PROCESS

The council will:

1. Design and carry out processes to get shareholder input on what traits will make the best leader for this school. Shareholder input will involve but not be limited to faculty and staff, parents, and students (where appropriate).
2. Call a special meeting of the council and meet in open session to:
 - a. Discuss the process and the timeline for receiving applications, and other steps in the hiring process.
 - b. Develop a set of criteria for a strong candidate using the shareholder input plus council members' ideas. The council will aim for a list of about 10 criteria. These criteria will not discriminate based on race, ethnicity, gender, marriage or family status, religion, political affiliation, disability, or age.
 - c. Use the criteria they have developed to write or select standard interview questions that fit those criteria and which will be asked of all candidates in in-person interviews.
 - d. Decide on other methods, if needed, to gather information about the candidates. The methods may include (but not be limited to) some or all of the following: applications and résumés, references, applicant portfolios, open forums, and written responses to hypothetical work-related challenges.
3. Call a special meeting of the council and meet in closed session to:
 - a. Review all applications and written references and select applicants to interview.

Oldham County Middle School SBDM Council Policies

- b. Determine if information in the written applications and résumés points to any specialized questions that should be asked of a particular applicant and develop those questions if necessary.
4. Schedule interviews with each applicant who has been selected to be interviewed.
5. Conduct each interview in a special called meeting in closed session during which:
 - a. All the standardized questions will be asked in the same order for every candidate.
 - b. Any specialized or follow-up questions may also be asked.
 - c. A discussion will be held immediately following each interview about how well the applicant meets the criteria.
6. Hold closed session discussion of the merits of all applicants and work toward consensus on the final selection.
7. If the council is not satisfied with any of the candidates, the council should discuss the option of having an interim principal appointed by the superintendent until a suitable applicant is found.
8. Keep all closed session discussion confidential.

SELECTION OF THE NEW PRINCIPAL

After all information is gathered, the council will:

1. Meet in open session to vote for the final selection of a new principal.
2. Ask the superintendent to complete the hiring process.

ALTERNATIVE SELECTION PROCESS

The SBDM Law allows for an alternative principal selection process —Before the selection process begins, the superintendent may propose a candidate to the council in closed session. The council may decide to accept or decline this candidate. If they decline then they would proceed with the steps in the principal selection policy.

The OCMS SBDM understands that the hiring of the principal position is the responsibility of the superintendent and if desired, the superintendent may only consult with the council on the selection.

5. Arrange all interviews including calling special meetings if needed.

The Interview Committee will:

1. Develop a set of criteria for a strong candidate. These criteria will not discriminate based on gender, ethnicity/race, marriage or family status, religion, political affiliation, disability, age, or other illegal grounds.
2. Use the criteria they have developed to write or select standard interview questions that fit those criteria. These questions will be asked of all candidates in an in-person interview.
3. Determine if information in the written application or résumé points to any specialized questions that should be asked of a particular applicant and develop those questions if they are necessary.

INTERVIEWS

The following procedures will be followed during scheduled closed session interviews:

1. All the standardized questions will be asked of each candidate in the same order.
2. Following each standardized question, specialized questions (if any) and follow-up questions (if any) may be asked.

CONSULTATION WITH THE COUNCIL

After interviews are complete, in a closed (no public attendance) session the council will meet, the principal will share the outcome of the committee interviews. The council members will have the opportunity to ask questions or offer comments on the selected candidate.

If a quorum of the council fails to attend this meeting, the principal may either call another meeting or declare an emergency and conduct the required consultation with the council members present so the hiring process can continue.

During summer months or when a candidate needs to be hired because of timelines, the principal may confer with the council via email communication. The email will contain information on the selected candidate and rationale for hiring.

SELECTION OF THE PERSON TO BE HIRED

After considering the input from all the closed session meetings, the principal will make the final selection of the person he or she believes will contribute most to the success of the school's students and notify the superintendent and council of his or her choice. The decision made by the principal is binding on the superintendent who will complete the hiring process.
