Dear Upcoming 1st Grade Families,

We are so excited to get to spend the next school year with your children. They have worked hard all year in Kindergarten. Here are a few tips to help avoid the “summer slide” and get ready for 1st grade:

- Review and develop fluency with the Kindergarten Sight Words.
- Read with and to your child each day.
- Limit screen time and develop social skills through imaginative play.

At this time, we are *NOT* requesting any donations of supplies. We will let you know what our specific needs are at the beginning of the school year at Back to School Night.

Have a wonderful summer and enjoy your time together!

Kindly,
First Grade Teachers
Mrs. Doan, Mrs. Fischer and Mrs. Payne
