This Agreement, effective _____, 20____, is made by and between Burbank Unified School District, Los Angeles County, California, hereinafter called the "Owner" and _____ hereinafter called the "Contractor."

WITNESSETH: That the Contractor and Owner for the consideration hereinafter named agree as follows:

ARTICLE I. SCOPE OF WORK. The Contractor agrees to finish all labor, equipment, and materials, including tools, implements, and appliances required, and to perform all the work in a good and workmanlike manner, free from any and all liens and claims from mechanics, material suppliers, subcontractors, artisans, machinists, teamsters, freight carriers, and laborers required for:

all in strict compliance with the plans, drawings and specifications therefore prepared by Burbank Unified School District and other contract documents relating thereto.

ARTICLE II. CONTRACT DOCUMENTS. The Contractor and the Owner agree that all of the documents listed in Article 1.1.1 of the General Conditions form the Contract Documents which form the contract.

ARTICLE III. TIME TO COMPLETE AND LIQUIDATED DAMAGES. Time is of the essence in this contract, and the time of completion for this Project shall be sixty (60) calendar days from the date established in the Owner's Notice to Proceed. Failure to complete the Project within the time and in the manner provided for by the Contract Documents shall subject the Contractor to liquidated damages. For purposes of liquidated damages, the concept of substantial completion shall not constitute completion and is not part of this agreement. The actual occurrence of damages and the actual amount of the damages which the Owner would suffer if the Project were not completed within the specified times set forth are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which the Owner would suffer in the event of delay include but are not limited to: Loss of the use of the project, disruption of activities, costs of administration, supervision and the incalculable inconvenience and loss suffered by the public.

Accordingly, the parties agree that the amount herein set forth shall be the amount of damages which the Owner shall directly incur upon failure of the Contractor to complete the Project within the time specified: **\$ 100.00**, for each calendar day by which completion of the Project is delayed beyond the completion date.

If the Contractor becomes liable under this section, the Owner, in addition to all other remedies provided by law, shall have the right to withhold any and all retained percentages of payments and/or progress payments, and to collect the interest thereon, which would otherwise be or become due the Contractor until the liability of the Contractor under this section has been finally determined. If the retained percentages and withheld progress payments appear insufficient to discharge all liabilities of the Contractor incurred under this Article, the Contractor and its sureties shall continue to remain liable to the Owner for such liabilities until all such liabilities are satisfied in full.

If the Owner accepts any work or makes any payment under this Agreement after a default by reason of delays, the payment or payments shall in no respect constitute a waiver or modification of any Agreement provisions regarding time of completion and liquidated damages.

ARTICLE IV. PAYMENT. The Owner agrees to pay the Contractor in current funds _____dollars (\$_____) for services satisfactorily performed after receipt of properly documented and submitted applications for payment and to make payments on account thereof, as provided in the General Conditions.

ARTICLE V. CHANGES. Changes in this Agreement or in the Work to be done under this Agreement shall be made as provided in the General Conditions.

ARTICLE VI. TERMINATION. The Owner or Contractor may terminate the Contract as provided in the General Conditions.

ARTICLE VII. PREVAILING WAGES. Pursuant to the provisions of Section 1770 et seq. of the Labor Code of the State of California, which are hereby incorporated by reference and made a part hereof, the Director Industrial Relations has determined the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the work is to be performed, for each craft, classification or type of worker needed to execute this Contract. Per diem wages shall be deemed to include employer payments for health and welfare, pension, vacation, apprenticeship or other training programs, and similar purposes. Copies of these rates are on file at the Owner's principal office. The rate of prevailing wage for any craft, classification or type of workmanship to be employed on this Project is the rate established by the applicable collective bargaining agreement which rate so provided is hereby adopted by reference and shall be effective for the life of this Agreement or until the Director of the Department of Industrial Relations determines that another rate be adopted. It shall be mandatory upon the Contractor and on any subcontractor to pay not less than the said specified rates to all workers employed in the execution of this Agreement.

The Contractor and any subcontractor under the Contractor as a penalty to the Owner shall forfeit not more than Two Hundred Dollars (\$200.00) for each calendar day or portion thereof for each worker paid less than the stipulated prevailing rates for such work or craft in which such worker is employed. The difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage rate shall be paid to each worker by the Contractor.

The Contractor and each Subcontractor shall keep or cause to be kept an accurate record for work on this Project showing the names, addresses, social security numbers, work classification, straight time and overtime hours worked and occupations of all laborers, workers and mechanics employed by them in connection with the performance of this Contract or any subcontract thereunder, and showing also the actual per diem wage paid to each of such workers, which records shall be open at all reasonable hours to inspection by the Owner, its officers and agents and to the representatives of the Division of Labor Law Enforcement of the State Department of Industrial Relations.

Projects using state bond funds are subject to labor compliance monitoring and investigative activities by the Compliance Monitoring Unit ("CMU") of the Division of Labor Standards Enforcement, Department of Industrial Relations of the State of California ("DIR"), in conformance with Labor Code sections 1771.55 and 1771.75, and subchapter 4.5 (commencing with section 16450) of title 8 of the California Code of Regulations. CMU may also conduct on-site visits to each Project job site as described by 16451, subd. (d), of title 8 of the California Code of Regulations. Owner shall withhold contract payments when CMU issues Owner a notice to withhold such payments upon a finding by CMU that payroll records are delinquent or inadequate. In addition to withholding contract payments based on delinquent or inadequate payroll records, penalties may be assessed for failure to timely comply with a written request for certified payroll records. Further, upon a finding by CMU that Contractor is liable for unpaid wages or penalties, the Labor Commissioner may issue and serve a Civil Wage and Penalty Assessment.

Successful bidder(s) shall include the requirements of Labor Code Sections 1725.5 and 1771.1 in their contract with subcontractors and ensure that all subcontractors are registered with the Department of Industrial Relations, www.dir.ca.gov/Public-Works at the time of bid opening and maintain registration status for the duration of the Project.
