Notes about this example:

- entries are listed in alphabetical order, using the first letter of the entry (ignore a, an and the)
- all lines after the first line of each entry are indented by tabbing once
- dates are abbreviated, and in day month year order (18 Apr. 2024)
- Entry one is a **website** with no author or date of website (written using #16 on Bib guide)
- Entry two is an **eBook from EPIC**, with one author (written using #3 on Bib guide)
- Entry three is copied and pasted from **World Book Online** (MLA)
- Entry four is an **eBook from WBO**, with one author (written using #3 on Bib guide)
- Entry five is a **website** (written using #16 on Bib guide)
