**\*\*PLEASE POST\*\***  
**NOTICE OF PUBLIC HEARING**

*The Burbank Unified School District will hold a public hearing on April 20, 2023, to gather public input regarding the potential composition of trustee area boundaries.*

The Burbank Unified School District’s Board of Education is currently elected under an “at-large” election system, where Board members are elected by voters of the entire District. On December 15, 2022, the Board adopted a resolution, signaling its intent to transition to by-trustee area elections commencing with the 2024 election cycle. In a by-trustee area election system, each Board member must reside within the designated trustee area boundary and is elected only by the voters in that trustee area.

On April 20, 2023, the District’s demographer will provide information on the transition process, review the districting criteria, and trustee area boundary maps submitted by the public and developed by the demographer. Following the presentations, the Board will hold the fourth of five statutorily required hearings in this process, pursuant to Elections Code section 10010(a)(1). This will be the second Board hearing at which the public and Board can review and comment on the draft maps and provide direction on desired any regarding new or revised maps. It is the Board's opportunity to consider all of the submissions with the intent of selecting a final map at the fifth and final Public Hearing scheduled for May 4, 2023.

The public hearing is scheduled as follows:
