1. CALL TO ORDER

NOTICE IS HEREBY GIVEN that the 7:30 a.m. Virtual (online) Meeting is held pursuant to Executive Order N-29-20 issued by California Governor Gavin Newsom, which suspends certain requirements of the Ralph M. Brown Act. Balancing the health risks associated with the Coronavirus (COVID-19), while appreciating the public's right to conduct the people's business in a transparent and open manner, during the current State of Emergency and in the interest of public health and safety, most and possibly all of the Committee Members will be participating by teleconference. District facilities are closed to the public until further notice and the public will not be able to physically attend the School Facilities Oversight Committee Meeting. The District is providing alternatives to in-person attendance for viewing and participating. Any individual or group representative may address the Committee on any agenda item or subject within its jurisdiction. In order to facilitate public participation at meetings while adhering to proper social distancing guidelines, the School Facilities Oversight Committee will accept public communications via email at kathyyaeger@burbankusd.org and/or by voicemail at (818) 729-5502, no later than 5:00 p.m., October 6, 2020 Individuals that provide their public communications will then be invited to speak during Request to Address the Committee followed by staff and Committee responses. Any communication received after this time, will be distributed to staff and/or Committee members on October 8, 2020. The meeting will be streamed by visiting https://burbankunifiedschooldistrict-584.my.webex.com/burbankunifiedschooldistrict-584.my/j.php?MTID=ma5d45afd9c5a4a38312bb7ec6271aa9f.

Minutes of the Virtual Meeting Held on
September 2, 2020

1. CALL TO ORDER

The virtual meeting of the School Facilities Oversight Committee was called to order by Chairman Worsham at 7:30 a.m. Committee Members present: Janet Diel, David Dobson, Elena Hubbell, Raymond Juarez, Joe Marando, Brandon Mullins, Brian Smith and Justin Worsham. Juan Redin was absent.

Alternate Members present: Carolyn Bisson, Shaun Hasas, Chantal Sampogna and Geovanna Waters.

Also present: Board Vice-President Steve Frintner, Superintendent Matt Hill, Assistant Superintendent Debbie Kukta, Director of Facilities Larry Cross and Interim Director of Information Technology and Educational Support Rick Vonk.

2. APPROVAL OF MINUTES OF AUGUST 5, 2020 – It was moved by Mr. Smith and seconded by Mr. Dobson that the minutes of August 5, 2020 be approved as corrected (Item 5 – gigabytes to gigabits). Motion carried 6-0 with the abstention of Mr. Marando. Roll call was then held.

3. REQUEST TO ADDRESS THE COMMITTEE – Mr. Cross read the questions from Greg Jackson, resident and former member of the School Facilities Oversight Committee. Mr. Jackson's questions follow: Has Silvercreek resolved the outstanding structural issues for the Disney modular units with the Division of State Architect (DSA)? If not, why? Has California Financial Service (CFS) determined the status of the 77 projects listed on the monthly Measure S Program Financial Report as "in the process of determining project status"? If not, why?

4. UPDATE OF COMMITTEE MEMBER SITE VISITS – There were no site visits to report. Chairman Worsham reminded members to visit McKinley and Monterey during the month of September, and Miller and Adult School during the month of October. Site administrators should be contacted to schedule visits.

5. STATUS OF RESPONSE TO PREVIOUS QUESTIONS –
UPDATE OF MCKINLEY FLOOD CHECK TESTING – Mr. Cross reported that the testing has not been accomplished yet. The contractor will be doing this testing free of charge when he has a water truck in the area. This item will be updated at the next meeting.

VERIFICATION OF MCKINLEY SIGNAGE HEIGHT – Mr. Cross reported that per Title 24, signage is required to fall between 48-60 inches. The McKinley signs are at 54 inches.

UPDATE OF STEVENSON HVAC PROJECT – Mr. Cross reported there is now a project number and that the scope of work is just about determined. The legal paperwork is in progress. This project will be presented to the Board for approval when the contract is awarded. The plan is to go out to bid in October. This item will be updated at the next meeting.

BURBANK WATER AND POWER BACKUP MANUAL SWITCHOVER TIME – Mr. Vonk reported that the manual switchover would take about an hour. This is a free back up provided by the City of Burbank.

UPDATE OF LIVE INSTRUCTION AND TECH REQUIREMENTS – Mr. Vonk reported that the monitors purchased for the teacher work stations have a camera and two speakers. These were purchased about five to six years ago and are working well during distance learning. Some teachers have taken their technology system home to work and some teachers continue to work in the classroom. Chairman Worsham reported that Zoom seems to be pretty effective, but that there are lag issues with Google Meet. Mr. Vonk is looking into not using the grid app from the student side as a possible solution to signal issues.

Mr. Vonk checks each morning to see if there are any connectivity issues and staff is then informed. A trouble shooting email was sent out that included the different items that students and parents can try to address problems. There is no hardware that the District could install to alleviate these types of issues. Most issues may be due to service providers being overloaded by users. District staff is currently supporting over 12,000 families. Mr. Marando suggested that plugging in and not using the Wi-Fi could help with speed and quality of service. Mr. Vonk has distributed information regarding available speed tests. Chairman Worsham suggested that repetition of information might provide an opportunity to hit more eyes.

6. PROJECT PLANNING UPDATE – DISNEY –
PROPERTY LINE DETERMINATION – Mr. Cross reported the surveyor has submitted their report to the County for approval. This company was hired as the original architect felt there may be a three-foot discrepancy in the property line. The survey has been delayed due to Covid-19 and the County has confirmed that they are running behind. The County hopes to have this survey report completed and recorded this month. The surveyor company has only partially been paid at this time. This item will be updated at the next meeting.

Mr. Cross reported that the delay in approval at Division of State Architect (DSA) is also affecting the Montebello School District. The Disney plans were submitted to DSA on July 18, 2019. DSA is reporting that 34 changes were sent to Silver Creek between July-October 2019 with no response back. DSA has five projects with Silver Creek that have been held up. DSA also reports that Silver Creek is using an outside structural engineer. Montebello School District reports that their plans have been held up in DSA for two years. DSA conducted an internal review and is committed to having the Disney project approved by the end of September 2020. While this is good news, the following concerns have surfaced: the cost of the building may have gone up; is Silver Creek financially stable enough to complete this three-year project; a completion bond is an option; switching to a different modular company; buy a complete set of DSA approved plans from another District or stay with Silver Creek. Ms. Kukta had concerns with the feet dragging and ran a Dun and Bradstreet report. Silver Creek's credit did not come back stellar. Silver Creek has successfully completed other buildings for the District utilizing a piggyback contract, but a tough decision will need to be made.

Ms. Diel arrived at 8:18 a.m.

Silver Creek has been paid an upfront deposit and fees only. The fees and costs paid thus far will be broken out and reported back to the Committee. Mr. Smith requested that a feasibility study be developed with an outline of all the different options and possible costs of each to help with the decision-making process. This feasibility study with update is requested for the next meeting.

Mr. Cross reported that an internal DSA memo stated that all Silver Creek issues have been resolved and approvals should come by the end of the month. Ms. Kukta stated that the pros and cons will need to be looked at to determine if Silver Creek will have the cash flow needed to build.

7. REVIEW OF BUDGET STATUS –
UPDATED REPORT OF CALIFORNIA FINANCIAL SERVICES – The California Financial Service (CFS) Measure S Program Financial Report to the SFOC was presented (copy is attached to these minutes). Ms. Kukta reported that the project status colors have been updated and most of the projects now reflect completion. Some projects are funded from multiple sources such as E-Rate, Deferred Maintenance, Developer Fee Fund, Fund 40 and Bond Fund. Mr. Cross will post the latest CFS report on the District website and advise the Committee of the location. The Dun and Bradstreet report cannot be shared as it is a paid subscription. Ms. Kukta will provide an overview of the report to the Committee by email.

8. UPDATE OF COMMITTEE BYLAWS – The Board of Education approved the amended Bylaws 5-0 with no discussion. The committee can now meet quarterly as opposed to monthly. Discussion followed regarding continuing to meet monthly or bi-monthly at this time. Mr. Smith moved that the Committee continue to meet monthly. Mr. Mullins seconded the motion. Motion carried 8-0.

9. COMMITTEE COMMENTS – Ms. Hubbell asked if a visit to the Adult School should wait until the administrator returns. The Superintendent suggested that Ms. Hubbell reach out to the interim administrator to set up a visit.

   Mr. Smith requested an update on the District Service Center (DSC) generator. Mr. Cross reported that although the generator has the capacity to do more than it is currently doing, there is no funding to make changes at this time.

10. ALTERNATE/EX-OFFICIO COMMENTS – No comments were made.

11. NEXT MEETING – The next meeting will be held Wednesday, October 7, 2020, 7:30 a.m. Virtual meetings will be held until further notice. Suggestions for agenda items should be emailed to Chairman Worsham.

12. ADJOURNMENT – Chairman Worsham adjourned the meeting at 8:35 a.m.

2013 MEASURE S G.O. BOND ELECTION

Glossary of Measure S Program Funding Sources

Fund 21 - General Obligation Bonds (G.O. Bonds): Measure S is a voter approved bond measure within the boundaries of the District. It represents a maximum tax of $60 per $100,000 of assessed property value.

Fund 25 - Developer Fees: School districts have the ability to impose impact fees from new residential development or additions and commercial/industrial development for the construction or reconstruction of school facilities. Developer fees are collected at the time a building permit is issued and are restricted to the funding of additional capacity (e.g. New Construction).

Fund 35 - State School Facility Program Grants (SFP): The SFP provides grants for school districts to acquire school sites, construct new school facilities, or modernize existing school facilities. The two major funding types available are "new construction" and "modernization". The new construction grant provides funding on a 50/50 State and local match basis. The modernization grant provides funding on a 60/40 basis.

Prop. 39 – Energy Savings – California Clean Energy Jobs Act: Prop. 39 is an energy efficiency grant program that provides funding for eligible repairs to heating, ventilation, and air-conditioning (HVAC) systems; new chillers, boilers and furnaces; new lighting and lighting control systems; Installation of energy-efficient windows, programmable thermostats, and thermal window shades; and on-site clean energy generation, such as solar photovoltaic.

Fund 14 – Deferred Maintenance Fund: On January 23, 2013, the SAB approved the last annual item to distribute $254,430,098 in DMP funding to school districts and county offices of education. One hundred percent of the funding available was proportionately distributed to all participating school districts and county offices of education based on a funding baseline established by the SAB on April 22, 2009 for the 2008/2009 through 2012/2013 funding cycles.

Fund 40 – District Special Reserve Fund: This fund represents the District's Capital Facility Fund Reserve.

E-Rate Funding: The Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) provides affordable access to telecommunications services for all eligible schools and libraries in the United States. The USAC is a not-for-profit corporation appointed by the Federal Communications Commission (FCC) to ensure that the benefits of telecommunications services reach students and communities across the country. The Program provides discounts on telecommunications services, Internet access and internal connections.

Re: Walt Disney Elementary School Record of Survey

Dear Larry,

Based on our survey, we have established that the property line is correct and is shown on our map with supporting documents referenced.

After approved and recorded, we will go out to the site and set the corners as noted on the map.

Please feel free to contact me with any questions.

Sincerely,

Cost Feasibility Report

9/29/20

There are 3 main methods of construction in a public school. Conventional Stick build (build on site), Modular buildings (build off site and trucked in) and buying a DSA set of plans from another school site. Buying plans still requires being conventionally built. Below is a breakdown on current costs of construction.

1) Disney's Two Story Project has approximately 10,560 sq./ft. of work space at a cost of $3,156,512.00. The cost per square foot is $298.91.

2) In the month of August 2020 I received a verbal quote from American Modular Systems (AMS) for the same layout and type of building for $4,200,000. If the buildings are like for like this would equal approximately $397.72 sq./ft. , almost $100.00 per sq./ft. higher than Silver Creek.

3) I called another Architectural Agency DSK Architects to find out if they were doing any stick build projects close to Burbank. They are doing a stick build school building for the Santa Monica School District at almost $1,000.00 sq./ft.. Granted, this number is high due to the location of the District, adhering to Santa Monica's COVID restrictions when building onsite and the cost of materials that are in high demand due in part by the COVID shut down of businesses.

In Summary Silver Creek is still the best and most affordable option to complete this project as designed and in budget.

Facilities Projects Update

Modular Classroom Building Project, Phase IV

Disney ES: **Silver Creek has submitted the final design review to DSA on 9/28. Back check review should take DSA two weeks to complete. Once complete, Cannon Design will complete their design review with DSA for the final stamped approval from DSA. Anticipated DSA completion is about the first week of November. Once a stamped set of plans are received, Lundgren Management will begin the process of going out to bid for this project.
Property line survey has been completed, copy of letter attached to the agenda. There were no findings, the property lines are correct.
Stephen Payte DSA Inspections Inc. has been awarded the contract for DSA Inspection services.

Other Projects in Progress

Roosevelt ES: Parking lot and playground renovations complete. CCD submitted to DSA reducing scope but was not approved. Ziemba+Prieto to revise and resubmit.

Stevenson ES Auditorium HVAC: Going out to bid the week of October 14th (CUPCCAA list only) as an informal bid.
