Library Updates: The Library is closed temporarily due to software upgrades. The Textbook Room is open 8am - 8:30, nutrition, and lunch.

CSF Tutoring: Tutoring is set to start the week of August 28 after school. The library will be open only after school for those coming for tutoring.

Food Delivery: Please keep in mind that food delivery services CANNOT drop student lunches off at the school. This includes attempting to deliver food to the side gates. It poses a safety risk as we cannot effectively monitor the drop off of the food. If food is attempted to be delivered, it will not be given to the student. If a student has a lunch pass, they can go off campus to get their lunch delivered directly to them, but if it is attempted to be delivered to the front door/school, it will not be held and will be confiscated. Parents/Guardians may drop off lunches directly for their student, but it should be done sparingly as it is also challenging for the school to supervise this process. We highly encourage all students to utilize the Free Lunch program or bring their lunch with them.

Have a great week!!

Go Bears!
