John Burroughs families, students, faculty and support staff, thank you for being such an important part of the start of this school year! We had a great week!

We continue to appreciate your patience as we work through the change in routine of checking in to campus daily. Reminder that school pictures are Monday August 28th and Tuesday August 29th. News from the Instruction and Guidance offices: The last day for students to see counselors and make schedule changes is Tuesday, August 22. Please have your student go to the quad to see a counselor at nutrition or lunch. Due to the volume of emails that counselors have received, we highly encourage that students come in person. Please also note that due to different contributing factors, counselors may not be able to honor every student request. Each year, we spend the first two weeks of school balancing class numbers among teachers and subjects. While we do our best to keep students with the same teachers they start with, students' teachers and/or class periods may still change next week. We understand that changes can be disruptive or frustrating. Please know we make these changes thoughtfully according to students' class needs.

CALIFORNIA SCHOLARSHIP FEDERATION (CSF) MEMBERSHIP DRIVE: The California Scholarship Federation (known as CSF) is a state-wide academic honors organization whose purpose is to recognize

students who have demonstrated outstanding academic achievement. CSF Membership is based on qualifying grades that are earned each semester. Our Fall membership drive starts this week. The deadline to apply is September 16. We have an informational meeting on Tuesday, August 22nd at lunch in the small gym. Interested students should join the google classroom for their grade level to find information on how to apply. Please contact our advisors DawnSnowdenFrost@burbankusd.org or JustinLee@burbankusd.org if you have any questions. See attached PDF for more details.

We look forward to another great week next week!
