Student Schedules:
Official student schedules can be viewed by logging into their Aeries profile. How to download the Aeries App - YouTube. We are encouraging all students to check their schedule prior to the start of school, so they can head straight to their first class. All students will receive a hard copy schedule in their Period 1 class.

For students that cannot access their Aeries account, staff members will be available in the quad to assist them. Additionally, counselors will be available in the quad during Nutrition and Lunch all week to meet with students that need a schedule change.

Guidance Counselors:
At JBHS, students work with counselors based on an alphabetical breakdown by student's last name, unless otherwise specifically assigned. Information about this year's breakdown is available on the Counseling Page of the JBHS website; counselor names are also visible in Aeries.

Free Nutrition and Lunch:
For the 2022-2023 school year all students can eat for free in the cafeteria. This includes one Nutrition and one Lunch meal per day per student. For more information, please visit https://www.busdfoodservices.com/.

COVID Testing Strongly Encouraged:
All students and staff are strongly encouraged to take a COVID test prior to coming on campus this Monday. You can upload your results here BUSD Student COVID-19 Test Results.

As a reminder, students need to stay home if they are experiencing symptoms. Lastly, please contact our school nurse LenoraAguilera@burbankusd.org if you need to report a COVID positive student.

Student Parking:
Assigned parking spaces will begin Tuesday. There will be no parking assignments on the first day of school. It will be on a first come basis. If you signed up for a parking pass, please come to the Student Services Office to pick up your parking pass after lunch or after school on Monday.

Textbooks:
Textbooks can be checked out from the Library before school, during nutrition, and during lunch all week.

Chromebooks:
All students should plan on bringing their District Chromebook or a personal laptop to school starting the first day. Students who do not have a device will be able to check them out the first week of school. More details coming soon. Please contact Mr. Hubbell if you have questions about Chromebook checkout.
