Dear JBHS Families,

This Monday we welcome all students to campus for the first time since March of 2020. We have been working hard to make it a smooth and safe transition for our students.

The goal of this message is to provide you with some key updates, reminders, and tips for the first day/week of school:

First Day Traffic Tips:
The first day of school is the busiest day of the year for drop off/pick up and we currently have limited street parking. Here are a few tips that might help you navigate the first day of drop off:

- Arrive early - Campus doors will open at 6:45 a.m. Plan on arriving no later than 7:30 a.m.
- Drop off students a few blocks from campus.
- Check Aeries this weekend to know where your Period 1 class is located.

Student Schedules:
Official student schedules can be viewed by logging into their Aeries profile. How to download the Aeries App - YouTube. For students that cannot access their Aeries account, hard copy schedules will be available in the quad at 7 a.m. Counselors will be available in the quad during Nutrition and Lunch all week to meet with students that need a schedule change.

Lunch Plan:
We are expanding our outdoor seating options at lunch to prevent indoor gatherings while eating. Students will be provided with specific locations on Monday during school. Additionally, we will be opening the Auditorium daily during lunch, so students have an air conditioned space to sit in once they are done eating.

As a reminder, all students will eat for free this year in California. More information can be found on our district website. Due to the uncertain demand, please be patient as we may see long lines the first few weeks of school.

Health and Safety Updates:
As a reminder, masks will be required at all times indoors. Please self-screen students before they come to school on Monday.

We will have COVID testing opportunities on site next week for unvaccinated students and/or students that may have been exposed. If you plan on getting tested for COVID-19 at one of our BUSD schools (a nasal swab and antigen test), please authorize testing in the following ways:

- By Phone: Text: BUSD to (747) 215-2171
- By Computer: https://app.formdr.com/practice/MTU2NjM=/form/L0L7uHDR_mnIiKbCpxYApgXUua9ar7av

Most of our health and safety updates come directly from the District Office. Please watch for email updates from Superintendent Dr. Hill. For more resources, please visit the District's Health and Safety page. https://www.burbankusd.org/Page/3080

Textbooks:
Textbooks can be checked out from the Library before school, during nutrition, during lunch, or after school all week.

Chromebooks:
We will be asking all 9th graders to start bringing their Chromebooks (or personal devices) to campus as soon as possible. 9th graders that still need a Chromebook can check them out from Room 2101 (next to Library) all week before or after school.

Our plan is to start checking out Chromebooks out to 10th, 11th, and 12th grade students in early September. Until then, 10th, 11th, and 12th graders are not expected to bring devices to campus.

Grade Change Form Deadline:
As a reminder, the deadline to submit the application to change letter grades to Pass or No Pass for the 2020-21 school year is Sunday, August 15. Filming Note:
The television show *Saved by the Bell* has been filming on our campus since June. They will be wrapping up production in the next two weeks. Please note that all crew members will be kept separate from students and they will be expected to follow BUSD health and safety guidelines. Lastly, please note that their production will limit street parking around campus for the first two weeks of the year.

We are sorry for any inconvenience this will cause. We have no other filming planned once the S*aved by the Bell* crew wraps production.
