AP Exam Updates

This year, the College Board made important changes to the AP exam process. Here's what JBHS families need to know:

- Students enrolled in an AP course must sign up for a College Board online account, join their AP class(es), and select the exam(s) they will be taking at myap.collegeboard.org. This process should be completed by September 20, 2019.
- Exams must be purchased in the fall this year. You can purchase exams online through the JBHS WebStore or at the Student Store beginning on Monday, October 14, 2019. The price is $94 per exam.
- The deadline to purchase AP exams will be Wednesday, November 13, 2019. Exams purchased after this date will incur a late fee of $40 per exam.
- After November 13, 2019, a $40 cancellation fee (per exam) will be charged to students who purchased an exam, but decide not to take the exam.
- Spring Semester Exception: Only students enrolled in a second semester AP Economics or AP Government class will be eligible to purchase that class exam at a later date. The spring sales window will be open from March 3 - March 12, 2020 for these students.
