For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those guidelines and/or procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee shall also file a report when obligated to do so pursuant to Penal Code 11166 using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning District Employees)

The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of the mandated reporter's professional capacity or outside the scope of employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that the person knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, the mandated reporter may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)

Disaster Procedures

Disaster Procedures

Please refer to the red Pleasant Valley School District Emergency Operations Procedures (“EOP”) notebook.

Below is a depiction of the fully activated school site emergency management.

Fully Activated ICS for School Site

This model represents a fully developed emergency organization. Sections and Units should only be staffed as necessary. School Sites coordinate and communicate the District through each of the Branches under the Operations Section. The Incident Command System will be used at school sites.

Earthquake

Earthquakes generally occur without warning and may cause minor to serious ground shaking, damage to buildings, and injuries. It is important to note that even a mild tremor can create a potentially hazardous situation, and the following procedures should be implemented in response to all earthquakes regardless of magnitude.

Procedures

Important: Keep calm and remain where you are. Assess the situation, and then act. Remember, most injuries or deaths are the direct cause of falling or flying debris.

1. Upon the first indication of an earthquake, staff should immediately direct students to Drop, Cover, and Hold procedures.
2. Staff and students should move away from windows and overhead hazards to avoid glass and falling objects.
3. Once the shaking stops, the School Administrator will initiate the On-Campus Evacuation action, On-Campus Evacuation procedures. Staff and students will evacuate the buildings using pre-designated routes or other safe routes and convene at the Assembly Area.
4. In the event of an evacuation, all school staff must bring their student rosters and take attendance at the Assembly Area to account for all students. Staff members must notify the Care and Shelter of any missing students.
5. The School Administrator will direct the Security/Traffic Coordinator to post staff a safe distance away from building entrances to prevent access.
6. The Security/Traffic Coordinator will notify the School Administrator of fallen electrical wires and instruct them to avoid any areas with fallen wires. The Security/Traffic Coordinator will also notify the appropriate utility companies (i.e., gas, power, water, sewer) of damages (Refer to the Essential Contacts in the Appendices of this Plan).
7. Staff and school medical personnel will assess student injuries and provide appropriate first aid.
8. The area Search and Rescue staff will make an initial inspection of school buildings to identify any injured or trapped students.
9. The School Administrator initiates contact with the Superintendent and Facilities.
10. The District Superintendent should contact the City of Camarillo's EOC to request damage assessment information from the City of Camarillo. School staff and students should not return to the buildings until Building and Safety teams provide clearance and the School Administrator gives authorization to do so.

11. In coordination with the Superintendent, School Administrator will issue an Off-Campus Evacuation if warranted by changes in conditions at the school.
12. In the event that students need to be released from the school site, refer to Parent-Child Reunification procedures.

In the event that an earthquake occurs during non-school hours:

1. The School Administrator, Facilities staff will assess damages to determine any necessary corrective actions.
2. The School Administrator should discuss damages with the District Superintendent to determine if the school should be closed.
3. The School Administrator and the District Superintendent will coordinate with the District PIO to disseminate information.

School Administrator Checklist- Earthquake

- ☐ Issue “Drop, Cover, and Hold” directive
- ☐ After the shaking stops, issue an On-Campus Evacuation directive
- ☐ Account for all students and staff at evacuation assembly area
- ☐ Initiate further Immediate Action Responses, if needed
- ☐ Assess student injuries and initiate medical response
- ☐ Initiate Search and Rescue to inspect buildings and look for trapped students/staff
- ☐ Initiate contact with Superintendent and Facilities
- ☐ Initiate Off-Campus evacuation if needed
- ☐ Initiate Parent-Child Reunification procedure, if needed

Drop, Cover, and Hold

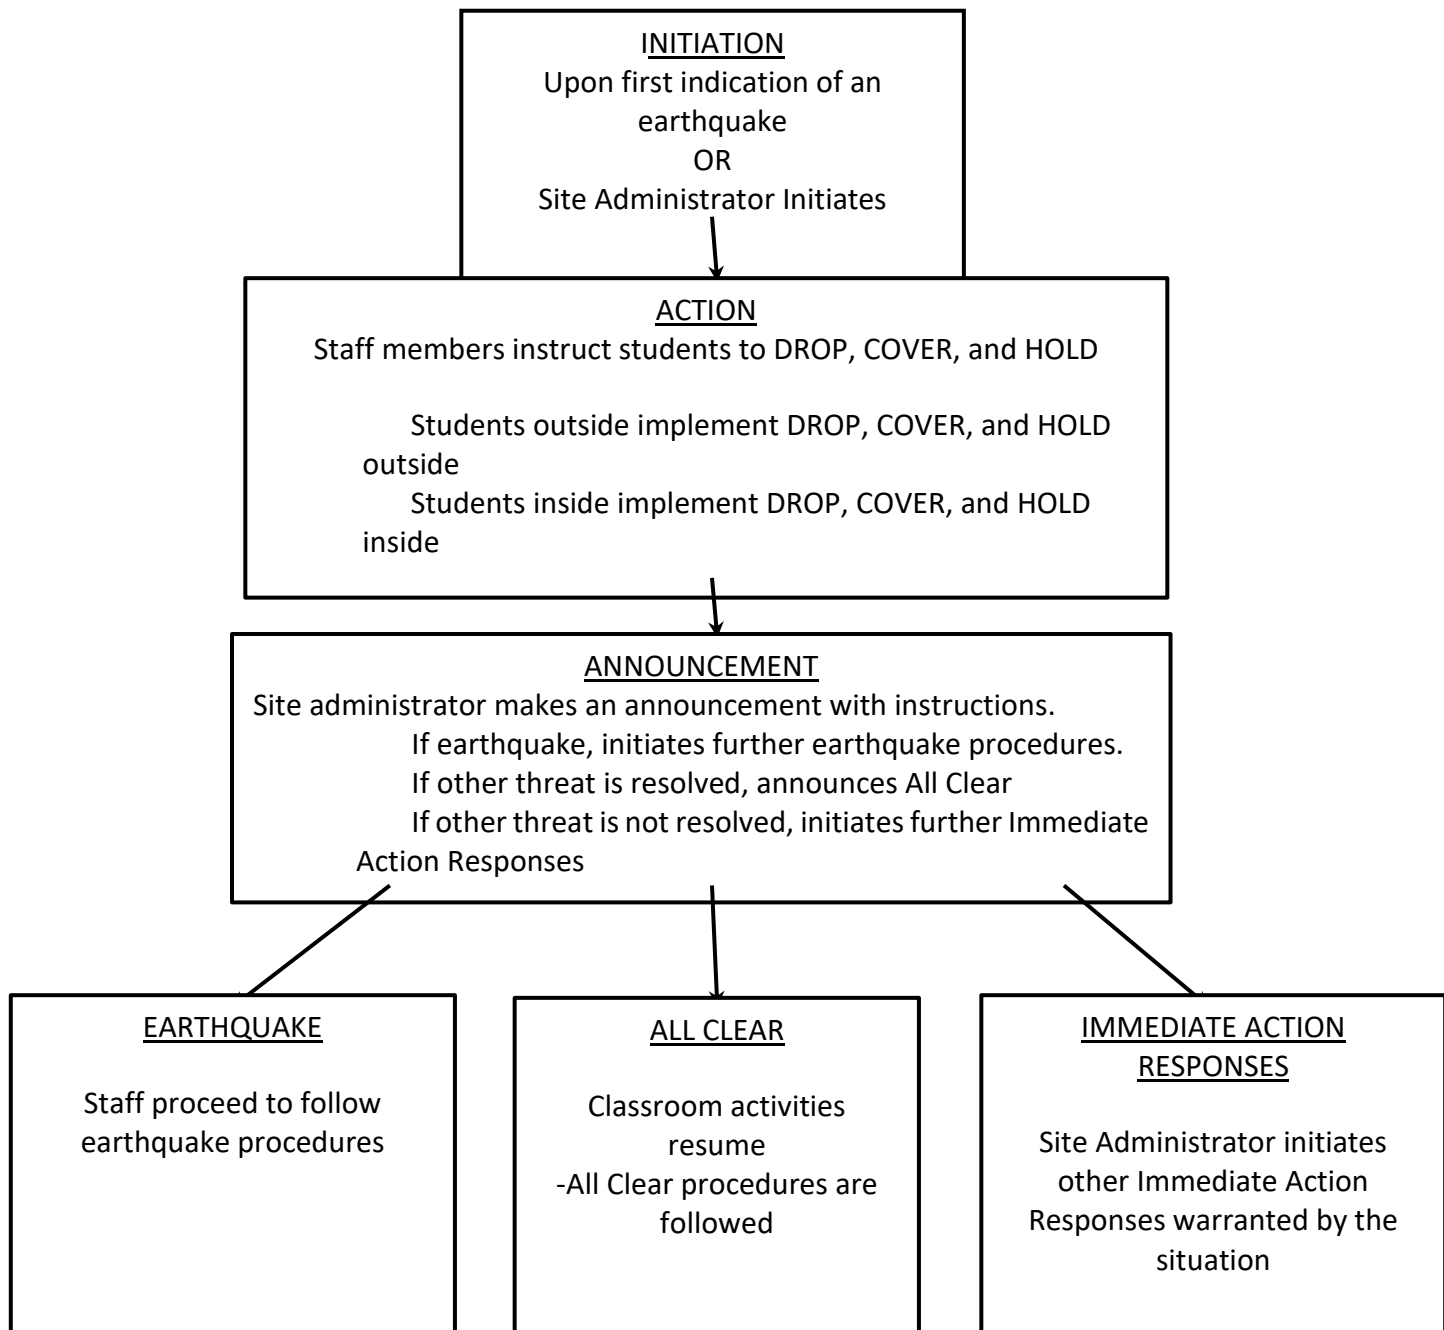

This action is taken to protect students and staff from flying or falling debris.

Description of Action

1. Upon the first indication of an earthquake, or upon the instructions from the Site Administrator to implement the procedure, students and staff should immediately begin drop, cover, and hold procedures.
2. If inside, school staff must instruct students to drop under their desks and cover their heads with their arms and hands, while holding onto the desk. Those students and staff who are physically unable to drop into a protected position under a table or desk should remain seated or, if possible, move to an interior wall away from windows and heavy objects, and cover their head with their arms and hands.
3. If outside, school staff must instruct students to drop to the ground, place their heads between their knees, and cover their heads with their arms and hands. For those students and staff who are physically unable to drop to the ground, they should remain seated and cover their head with their arms and hands.
4. After the initial shaking has completely stopped, or after the risk which prompted the procedure has been eliminated, the School Administrator at each school site in the PVSD must make an announcement on the Public Address (PA) system. If the PA system is not available, the School Administrator will use other means of communication (e.g., sending messengers to deliver instructions). The School Administrator should be calm, convey reassuring comments that the situation is under control, and provide clear and consistent directions. Below is an example of an announcement to be made by the School Administrator:

“YOUR ATTENTION PLEASE. AS YOU ARE AWARE, WE SEEM TO HAVE HAD AN EARTHQUAKE. FOR EVERYONE’S PROTECTION, ALL STUDENTS AND STAFF SHOULD CONTINUE TO IMPLEMENT DROP, COVER, AND HOLD PROCEDURES IN THE EVENT OF ADDITIONAL SHAKING. PLEASE MAINTAIN A SAFE DISTANCE FROM WINDOWS AND HEAVY OBJECTS UNTIL FURTHER INSTRUCTIONS ARE PROVIDED. PLEASE FOLLOW SCHOOL SITE EARTHQUAKE PROCEDURES.”

DROP, COVER, AND HOLD

Drills are conducted monthly and the drill reports for the current school year are attached to this plan.

Tactical Response to Criminal Incidents Including Active Shooters

This response is adopted from the Ventura County Sheriff's Office Emergency Preparedness Considerations Manual.

Active Shooter/Armed Assailant

These steps can be done in any order. It is not necessary to act in the given order. In some instances, you may have to fight right away and then run after. Every situation is different.

Avoid/Run:

- Have an escape route and plan in mind for both students and staff.
- Evacuate regardless of whether others agree to follow.
- Leave your belongings behind.
- If possible, help others escape.
- Prevent individuals from entering an area where the assailant may be.
- Follow instructions from Law Enforcement.
- Call 9-1-1 when you are safe and away from the threat and give updated information.

Deny/Hide:

- Lock the door(s).
- Be out of the assailant's view.
- Silence cell phone(s) or any other electronic devices.
- Hide behind large items (e.g., cabinets, desk, etc.).
- Remain quiet and calm.
- If possible, cover windows/conceal windows.
- Designate one person to call 9-1-1 and alert Law Enforcement of the assailant's location (Note: if you cannot speak, leave the line open so the dispatcher can listen).

Defend/Fight:

- Act as aggressively as possible against the threat or the assailant(s).
- Throw items and use improvised weapons (fire extinguishers, chairs, scissors, etc.)
- Yell and use noise to disorient assailant(s).
- Work together to overcome / overwhelm the assailant(s).
- Do not stop until the assailant is neutralized and/or flees the area.
- Note: When law enforcement arrives, be quiet and compliant. Keep hands empty and hold them up when law enforcement approaches. If known, tell law enforcement where the assailant is located.

Lockdown

A school lockdown is necessary when the threat of violence or gunfire is identified or when directed by law enforcement and it is necessary to prevent the perpetrator(s) from entering occupied areas. During lockdown, students are to remain in the classroom or designated locations at all times.

Description of Action

1. If a lockdown situation is required, the School Administrator will make an announcement on the PA system. If the PA system is not available, the School Administrator will use other means of communication. The School Administrator should be calm, convey reassuring comments that the situation is under control, and provide clear and consistent directions. Below is an example of an announcement to be made by the School Administrator:

“YOUR ATTENTION PLEASE. WE HAVE AN EMERGENCY SITUATION AND NEED TO IMPLEMENT LOCKDOWN PROCEDURES. TEACHERS ARE TO LOCK CLASSROOM DOORS UNTIL NOTIFIED BY AN ADMINISTRATOR OR LAW ENFORCEMENT. IF OUTSIDE, STUDENTS AND STAFF ARE TO PROCEED TO THE NEAREST CLASSROOM OR BUILDING. PLEASE REMAIN INDOORS UNTIL FURTHER INSTRUCTIONS ARE PROVIDED.”

2. If inside, school staff should instruct students to gather in the safe zone of the room (low to the floor and below window level), lock the doors (if possible), and close any shades or blinds if it appears safe to do so. Students and staff who are physically unable to lie on the ground should move away from doors and windows. Staff should instruct students to stay quiet and still.
3. If outside, students should proceed to their classrooms if it is safe to do so. If it is not safe, staff must direct students into nearby classrooms or school buildings (e.g., auditorium, library, cafeteria, gymnasium).
4. School staff and students must remain in the classroom or secured area until further instructions are provided by the School Administrator or law enforcement.
5. Landline phones should not be used. School staff should use cell phones and speak quietly. If safe to do so, teachers should email the office a list of any missing students.
6. All campus entrances and exits must be locked and no visitors other than appropriate law enforcement or emergency personnel are to be allowed on campus.

The need to evacuate a building on campus should occur after the decision has been made that it is unsafe to remain in the building.

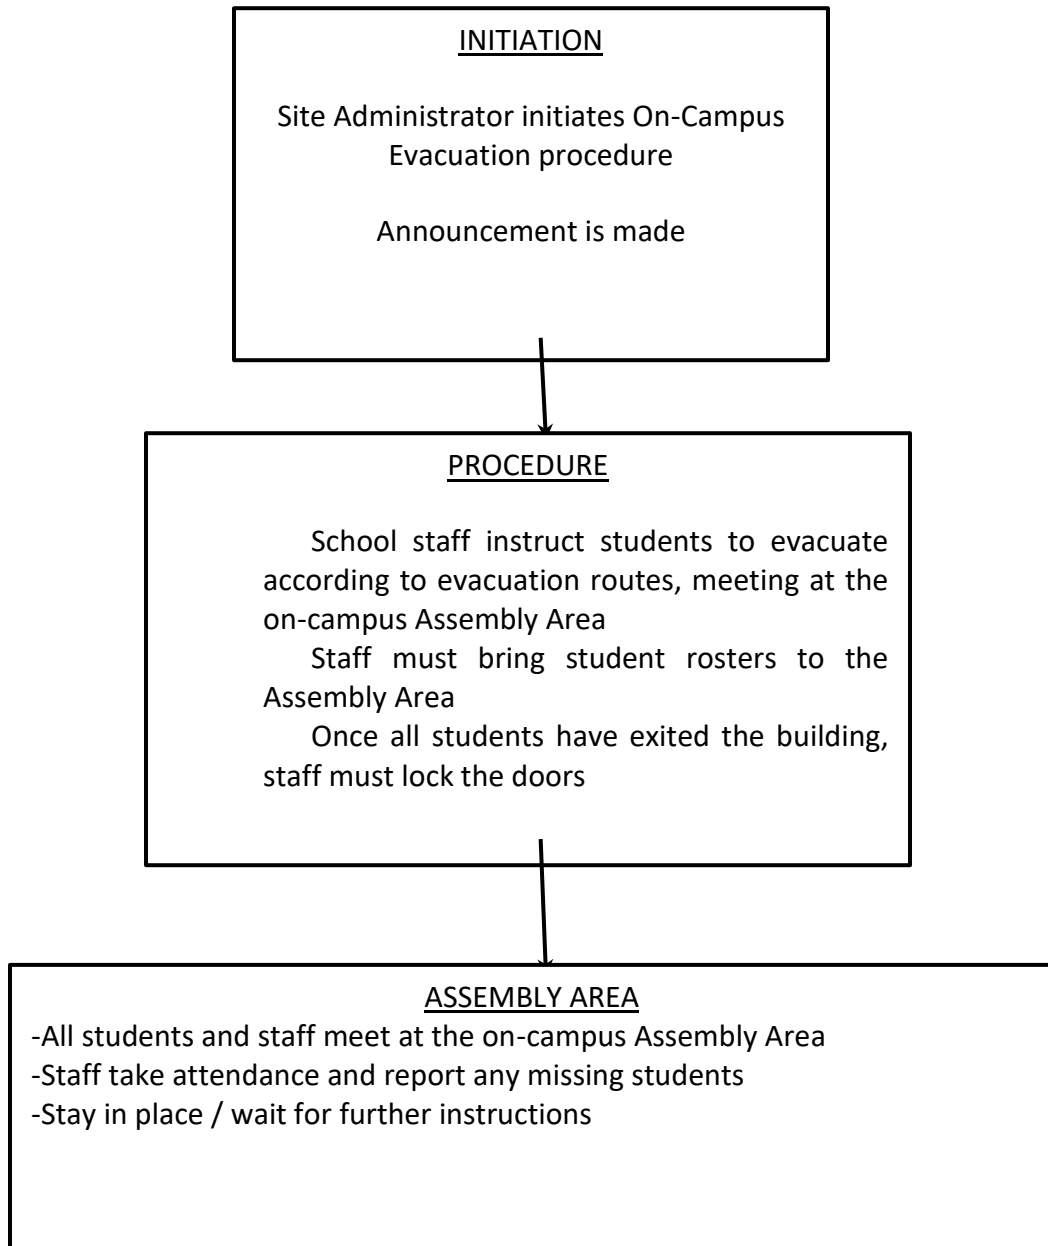

Description of Action

1. Once a building has been determined as unsafe, the School Administrator should initiate a fire alarm.
2. If a building has been identified as unsafe, the School Administrator will make an announcement on the PA system. If the PA system is not available, the School Administrator will use other means of communication (e.g., sending messengers to deliver instructions). If the PA system is not available, the School Administrator will use other means of communication (e.g., sending messengers to deliver instructions). The School Administrator should be calm, convey reassuring comments that the situation is under control, and provide clear and consistent directions. Below is an example of an announcement to be made by the School Administrator:

“YOUR ATTENTION PLEASE. WE NEED TO INSTITUTE AN OFF-CAMPUS EVACUATION. TEACHERS ARE TO TAKE THEIR STUDENTS TO THE PRE-DESIGNATED OFF-CAMPUS ASSEMBLY AREA. STUDENTS ARE TO REMAIN WITH THEIR TEACHER. TEACHERS NEED TO TAKE THEIR STUDENT ROSTERS AND LOCK THE CLASSROOM WHEN ALL STUDENTS HAVE EXITED THE ROOM.”

2. The School Administrator will determine the safest method for evacuating the campus. Each school site is responsible for identifying appropriate evacuation routes.
3. School staff will secure the student rosters when leaving the classroom and take attendance once the class is assembled in a pre-designated safe location.
4. Once assembled off-campus, school staff and students will stay in place until further instructions are given.
5. In the event clearance is received from appropriate agencies, the School Administrator may authorize students and staff to return to their classrooms.

Elementary and Intermediate Schools – Sister Sites

1. In the event that appropriate authorities deem a particular elementary school site unsafe for occupancy, the Site Administrator will direct school staff and students to a primary or secondary sister site.
2. Each elementary school site is responsible for inserting its sister site location and map in their individual emergency operations plan (EOP).

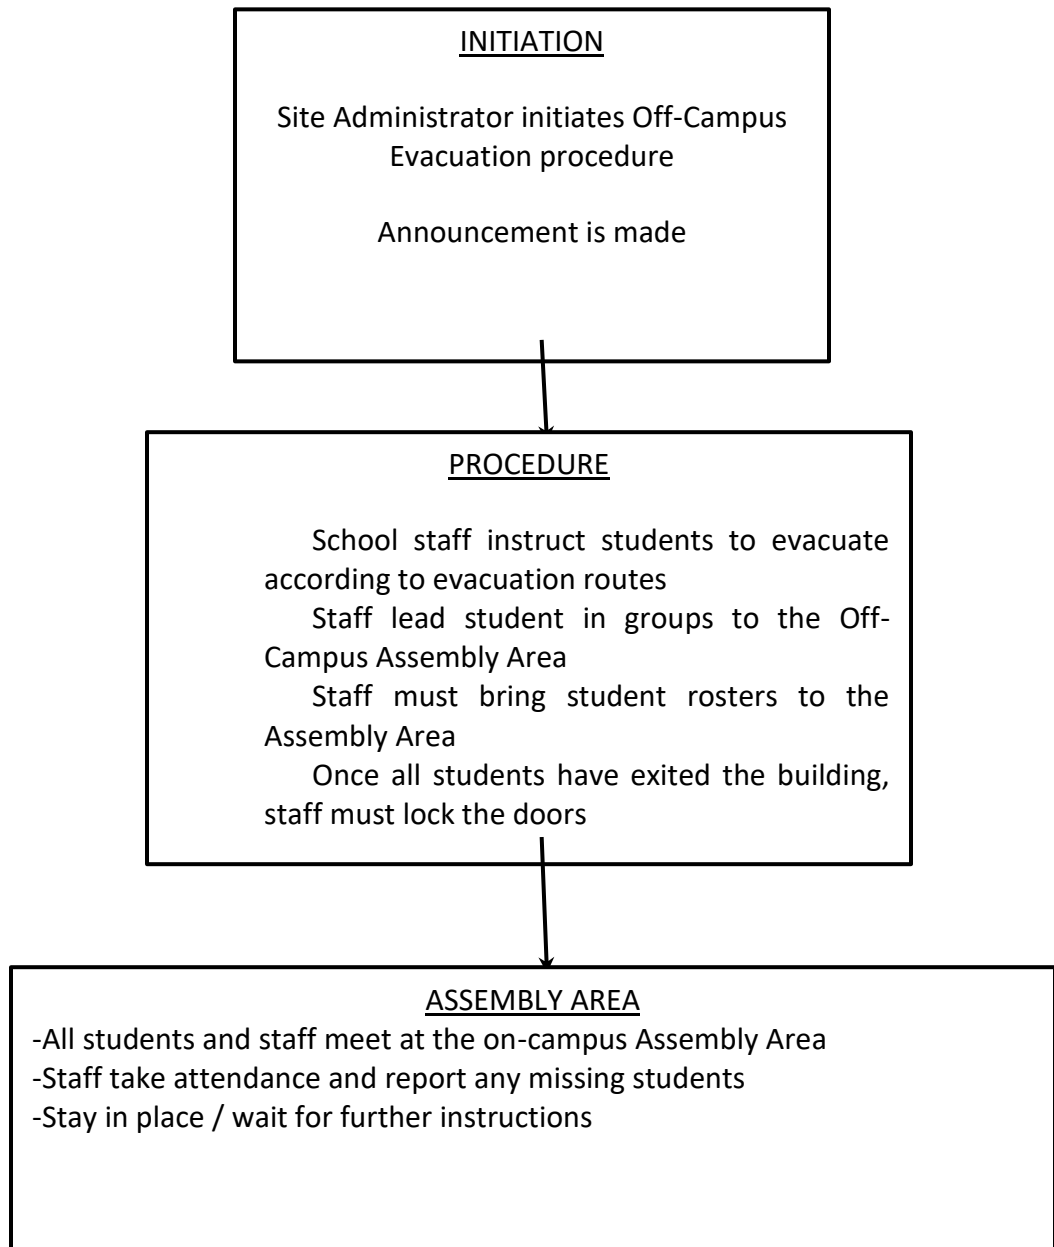

The following contains the list of Sister Sites:

- Los Primeros K-8 & Monte Vista Middle School
- Camarillo Heights Elementary & Las Posas Elementary
- Dos Caminos Elementary & La Mariposa Elementary
- Las Colinas Middle School & Tierra Linda Elementary
- Pleasant Valley School of Engineering and Arts & Rancho Rosal Elementary
- Santa Rosa K-8 & Las Colinas/Los Primeros

Bus Evacuation

In the event that the Off-Campus evacuation assembly area is not safe and students must be transported out of the area, a bus evacuation will be initiated. The Site Administrator will receive instructions from the Superintendent and EOC.

Off-Campus Evacuation

All Clear

This action is taken to notify school staff that normal school operations should resume.

Description of Action

1. Once the emergency event is over, the School Administrator will make an announcement on the PA system. If the PA system is not available, the School Administrator will use other means of communication (e.g., sending messengers to deliver instructions). The School Administrator should be calm, convey reassuring comments that the situation is under control, and provide clear and consistent directions. Below is an example of an announcement to be made by the School Administrator:

“YOUR ATTENTION PLEASE. IT IS NOW OKAY TO RETURN TO YOUR CLASSROOM AND RESUME NORMAL OPERATIONS. I WOULD LIKE TO THANK AND COMMEND STUDENTS AND STAFF FOR THEIR COOPERATION.”

2. This action signifies the emergency is over.

If appropriate, school staff should immediately begin discussions and activities to address students’ fears, anxieties, and other concerns.

Fire on School Grounds

The following procedure addresses the necessary actions that should be taken in the event that a fire is discovered on school grounds. A timely response to this situation is critical to prevent injuries and further property damage.

Procedure

1. If a fire is discovered on campus, school staff will immediately signal the fire alarm and direct students out of the building. The School Administrator will immediately initiate the On-Campus Evacuation procedures. Staff and students will evacuate buildings using pre-designated routes or other safe routes and convene at the Assembly Area.
2. The School Administrator will initiate simultaneous calls to 911, the Superintendent's Office, and Facilities.
3. School staff members must bring their student rosters and take attendance at the Assembly Area to account for all students. Staff will notify the Care and Shelter Branch of any missing students.
4. If safe to do so, staff will use fire extinguishers to suppress the fire until the local fire department arrives. *All fires, regardless of size, which are extinguished by school personnel, require a call to VCFD to indicate "the fire is out."*
5. The School Administrator will ensure that the Security/Traffic Coordinator has secured the area to prevent unauthorized entry and keep access roads clear for emergency vehicles.
6. In the event that students need to be released from the school site, refer to Parent-Child Reunification procedures.
7. If necessary, initiate Off-Campus Evacuation procedures
8. Any affected areas will not be reopened until VCFD or the appropriate agency provides clearance and the School Administrator issues authorization to do so.
9. For fires during non-school hours, the School Administrator and the District Superintendent will determine if the school will open the following day.

School Administrator Checklist- Fire on School Grounds

- ☐ Signal fire alarm and initiate On-Campus Evacuation procedures
- ☐ Initiate calls to 911, the Superintendent, and Facilities.
- ☐ Attempt to suppress fire, if safe to do so
- ☐ Keep students and staff from blocking emergency vehicle access routes on the campus
- ☐ Initiate Parent-Child Reunification procedure if needed

- ☐ Initiate Off-Campus Evacuation procedures if needed
- ☐ Affected buildings may not be reopened until deemed safe by appropriate authority

Pleasant Valley School District Board Policy 5144.1

Last Revised 6/4/2020

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when the behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus
4. During, going to, or coming from a school-sponsored activity

(Education Code 48900.5, 48900.6)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-8 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)
Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in an open session of a Board meeting.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is

meeting its goals for improving school climate as specified in its local control and accountability plan.

Suspension from Class by a Teacher

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level, including grades K-8. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or

However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, the

student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against the student, and shall be given the opportunity to present the student's version and evidence. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)
 - a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
 - b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)
 - c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)
 - d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for

Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

The Board shall provide the student and parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting the student's teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication or other medication prescribed by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion

hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918.

The stipulation agreement shall be in writing and shall be signed by the student and parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code 48918.5)

1. Receive five days' notice of the scheduled testimony at the hearing
2. Have up to two adult support persons present at the hearing at the time the witness testifies
3. Have a closed hearing during the time the witness testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code

48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the

issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

4. If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))
5. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

6. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during the testimony.
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

- d. The person presiding over the hearing may remove a support person who is disrupting the hearing.
 - e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
 - g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.
 - I. The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - II. At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
 - III. The person conducting the hearing may:
 - i. Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - ii. Limit the time for taking the testimony of a complaining witness to normal school hours, if there is no good cause to take the testimony during other hours
 - iii. Permit one of the support persons to accompany the complaining witness to the witness stand
7. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from school, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by the student's parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in

public. (Education Code 48918(j))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)

4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)

6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board a recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education

Code 48916)

5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

Notification to Teachers of Dangerous Pupils

Pleasant Valley School District Board Policy 4158 Employee Security

Last Revised 6/21/2018

The Board of Trustees desires to provide a safe and orderly work environment for all employees. As part of the district's comprehensive safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for providing necessary assistance and support when emergency situations occur.

Any employee against whom violence or any threat of violence has been directed in the workplace shall notify the Superintendent or designee immediately. As appropriate, the Superintendent or designee shall initiate legal and security measures to protect the employee and others in the workplace.

The Superintendent or designee may pursue legal action on behalf of an employee against a student or his/her parent/guardian to recover damages to the employee or his/her property caused by the student's willful misconduct that occurred on district property, at a school or district activity, or in retaliation for lawful acts of the employee in the performance of his/her duties. (Education Code 48904, 48905)

The Superintendent or designee shall ensure that employees receive training in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques, procedures for responding to an active shooter situation, and crisis resolution. The Superintendent or designee also shall inform teachers, in accordance with law, of crimes and offenses committed by students who may pose a danger in the classroom. Nondiscrimination And Harassment Policy

Nondiscrimination and Harassment Policy

Pleasant Valley School District Board Policy 5145.3 Students

Nondiscrimination/Harassment

Last Revised Date: 6/18/2020

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Governing Board desires to provide a safe school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment,

intimidation, and bullying and other required information on the district's web site in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation.

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the

district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students.

In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Issues Unique to Intersex, Nonbinary, Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Intersex student means a student with natural bodily variations in anatomy, hormones, chromosomes, and other traits that differ from expectations generally associated with female and male bodies.

Nonbinary student means a student whose gender identity falls outside of the traditional conception of strictly either female or male, regardless of whether or not the student identifies as transgender, was born with intersex traits, uses gender-neutral pronouns, or uses agender, genderqueer, pangender, gender nonconforming, gender variant, or such other more specific term to describe their gender.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

Refusing to address a student by a name and the pronouns consistent with the student's gender identity

Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable

Blocking a student's entry to the restroom that corresponds to the student's gender identity

Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex

Revealing a student's gender identity to individuals who do not have a legitimate need for the information, without the student's consent

Using gender-specific slurs

Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against intersex, nonbinary, transgender, and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's gender identity, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that intersex, nonbinary, transgender, and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

Right to privacy: A student's intersex, nonbinary, transgender, or gender-nonconforming status is the student's private information. The district shall develop strategies to prevent unauthorized disclosure of students' private information. Such strategies may include, but are not limited to, collecting or maintaining information about student gender only when relevant to the educational program or activity, protecting or revealing a student's gender identity as necessary to protect the health or safety of the student, and keeping a student's unofficial record separate from the official record.

The district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's intersex, nonbinary, transgender, or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's intersex, nonbinary, transgender, or

gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the intersex, nonbinary, transgender, or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is intersex, nonbinary, transgender, or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

Student Records: Upon each student's enrollment, the district is required to maintain a mandatory permanent student record (official record) that includes the student's gender and legal name.

A student's legal name as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. A student's gender as entered on the student's official record required pursuant to 5 CCR 432 shall only be changed with written authorization of a parent/guardian having legal custody of the student. (Education Code 49061)

However, when proper documentation or authorization, as applicable, is not submitted with a request to change a student's legal name or gender, any change to the student's record shall be limited to the student's unofficial records such as attendance sheets, report cards, and school identification.

Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

School Wide Dress Code Policy

The PVSD Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction that would interfere with the educational process (BP/AR 5132). Wearing of attire that suggests gang affiliation, promotes drugs, tobacco or alcohol, or contains profanity or demeaning remarks is unacceptable.

If a student's clothing or appearance creates an unnecessary distraction or safety hazard, the school administration reserves the right to ask the student to make an adjustment in his/her clothing or appearance. Consequently, parents may be called to bring their child a change of clothing.

Safe Ingress/Egress of Students, Parents and Employees

Pleasant Valley School District Board Policy 1250 Visitors/Outsiders

Last Revised Date: 11/16/2017

The Board of Trustees believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during non instructional time.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. All outsiders will abide by our civility policy. Students are to enter the gate and line up on the blacktop at the designated spot for their class. Teachers will meet their class and will walk students to their classrooms. Gates will be closed at 8:07 a.m.

Children that ride buses will have a designated pick-up area. They are to report promptly to their designated area and wait in an orderly manner.

Upon dismissal, prior arrangements must be made for children to arrive home safely. Children are not to wander or loiter on campus but must remain in front of the school until picked up by their designated family member, care provider or transportation carrier.

Parking Lot Safety

It is of the utmost importance that all drivers, walkers, and bicyclists exercise caution at all times when entering or exiting our parking lot and school grounds. Please make every effort not to block the flow of traffic. Bicycle riders are to walk their bikes in front of the school and on campus. At Camarillo Heights, we will be doing our part with classes and programs that will alert our students to safety hazards. We ask that you, as parents, do your part to assist us by being alert as well.

Parents are asked to be especially cautious when driving in and around the school during the congested times immediately before and after school. **NEVER SIGNAL CHILDREN** to cross through the parking lot and between cars. We especially urge you to consider parking half a block away from the school, or on the streets adjacent to the school parking lot, then walking to the campus to deliver or meet your child. In the past, such a cooperative effort has significantly reduced the congestion created by dropping children off immediately in front of the school. Children who walk to and from school should always walk in twos or small groups exercising great care along Mission Drive and other neighboring streets.
