Celina ISD Athletics Letter Jacket Policy

Awards are granted to students for exemplary representation of the school. Winners of such awards are subject to the rules and regulations of the school and community. Should the student's behavior during his/her school career be such that he or she is not representative of the school, then the school may withhold presentation or revoke the award and repossess the symbol of the award, although minimum requirements as outlined below have been satisfied. In order to letter, an athlete must be on a varsity team and must satisfy the requirements stated below.

Guidelines that will be followed by all are:

1. An athlete must participate at the varsity level. UIL rules will be followed in regard to the cost of jackets.
2. No participant will receive more than one letter jacket.

7. Athletes that participate in an individual sport must participate at the varsity level of a district-level competition (District Track Meet, District Golf Tournament, District Tennis Match) or higher competition.
8. Sports Medicine Students are eligible for a Letter Jacket after receiving credit for Sports Medicine 1&2 and participating in Sports Medicine 3.
