In fiscal year 2023-24, the Vallejo Charter has yet to utilize any of the funding received under The Arts and Music in Schools (AMS) Funding Guarantee and Accountability Act. Our Local Education Agency has spent the time learning about the funding stream and how our school's Art Program can best be served by this opportunity. Our school has adopted a project-based learning model in partnership with EL Education. The curriculum has a strong Arts Integration focus where each student receives both a visual and a performing arts class each week. In this upcoming year, we will begin to use the important resources available to us through the AMS funding stream. As we continue to provide quality Arts education we intend to reflect on the delivery of arts education within our school, exploring ways to increase the content connections to the classroom.
