Devon Hurt will be joining the Arts Department in the 2024-2025 school year as an after-school instructor in ukulele, guitar, and bass. Over the last few years, Devon has been a frequent guest at Pike, performing bass at our Lower School winter and spring music concerts. He is an exceptionally kind and humble person who loves to make music with children and has been a friendly presence on stage for many of our students.

Devon received his Bachelor of Music in Bass Guitar Performance from the UMass Lowell in 2013, as well as a Masters in Contemporary Improvisation from the New England Conservatory in 2017. He is a multi-instrumentalist, composer, and improviser with over a dozen years of experience in the music industry. Devon has performed across four continents, including The Warped Tour, a jazz musician on cruise ships, and a faculty member at Berklee's Global Music Institute in Delhi. He prides himself on finding and cultivating a unique experience for all of his students. Devon will be available for lessons on campus for 3 days a week starting in September 2024.
