

# District Strategic Plan Action Steps

YEAR 1 2018-19	YEAR 2 2019-20	YEAR 3+ 2020-23
<b>GOAL 1: Student Success</b> Provide quality instruction and educational programming that meets the individual academic, social, and emotional needs of each student		
<b>Objective 1</b> Accelerate student achievement and academic growth through high-quality instruction and educational programming.		
<ul style="list-style-type: none"> <li>A, B, C) Establish Teaching and Learning Advisory Team to inform decisions regarding curriculum, assessments, and PD</li> <li>A) Purchase new curriculum in priority area(s) (elementary and middle school Math) for implementation 2019-20</li> <li>A) Purchase updated curriculum textbooks to align with new standards (Middle School science, HS Pre-Calculus); 2019-20 implementation</li> <li>A) Identify which online curriculum materials we will continue to support and pay for at the district level for 2019-20</li> <li>C) Collect information regarding the perceived effectiveness of current summative and formative assessments being used at each building</li> <li>D) Identify Laude point criteria and identify courses</li> <li>D) Identify future CTE pathways for each High School (those that already exist and new pathways)</li> <li>D) Develop communication plan to address all stakeholders regarding the Latin Laude system, new graduation guidelines, and CTE programming and pathways</li> <li>D) Hire and incorporate the use of 2 student engagement managers to address drop-out recovery and credit recovery (intervention); plan 9th grade Algebra I intervention model for 2019-20 implementation</li> <li>D) Staff and purchase online materials to open online high school in 2019-20</li> <li>E) Establish Online Community Action Team to develop mission, vision, branding of school, curriculum, assessment, locations, staffing, and recruitment strategies</li> <li>E) Develop and prioritize an online school budget and implementation plan</li> </ul>	<ul style="list-style-type: none"> <li>A) Implement new elementary math Board adopted curriculum</li> <li>A) Implement new MS Math blended curriculum pilot</li> <li>A) Purchase new curriculum in priority area(s) (elementary literacy?) for implementation 2020-21</li> <li>A) Revise curriculum adoption priorities and timeline (short and long term)</li> <li>B) Evaluate and revise content of Rubicon scope &amp; sequence (content and format revision; include priority standards for Literacy, Math, SS, Science, World Language, Science, Arts, Physical Education)</li> <li>C) Identify/purchase new diagnostic assessments in math and/or literacy (elementary and middle school if possible) for 2020-21 implementation</li> <li>C) Select nationally-normed district K-12 summative interim assessment for implementation 2020-21 (including online programmatic needs)</li> <li>D) Continue to identify Laude point high school courses</li> <li>D) Implement full CTE pathways for each previously existing CTE pathway and begin implementation of initial courses for newly identified CTE pathways at each High School.</li> <li>D) Examine and identify intervention delivery models and programs that serve students with differentiated needs that are not currently being served effectively</li> <li>D) Identify/implement 9th grade Algebra 1 intervention support curriculum materials and/or intervention model</li> <li>D) Student engagement managers and administrators implement intervention systems of support to address drop-out recovery and credit recovery</li> <li>D) Hire additional student engagement managers</li> <li>D) Revise and implement policies, procedures, and budget related to Concurrent Enrollment</li> <li>E) August 2019- Open online school with (125-150) students</li> <li>E) Identify, purchase and begin implementation of Learning Management systems to leverage technology to support student achievement and growth</li> </ul>	<ul style="list-style-type: none"> <li>A) Implement new board adopted curriculum</li> <li>C) Implement new diagnostic assessments in Math and/or Reading (K-8 priority)</li> <li>C) Implement new K-12 interim assessment in math and literacy aligned to CCSS</li> <li>D) Implement identified intervention delivery models and programs to serve students with differentiated needs (as determined in 2019-20)</li> <li>E) August 2020, increase enrollment of online school to (200-400) students</li> <li>E) Increase one to one and blended learning opportunities across the district at all levels</li> </ul>

**Objective 2**

Ensure every building is led by highly effective instructional leaders.

<p>A) Ensure each building administrator leads a minimum of two observation/feedback cycles per week and a minimum of one content data meeting per week</p> <p>A,B,C) Provide leaders with exemplar student master schedules to help them support instruction</p> <p>A,B,C) Create systems to ensure leaders continue to deepen their understanding of content (ie. district led PD, content-focused learning labs)</p> <p>C) Provide professional development to leaders on the strategic use of time, people, money (scheduling, staffing, budgeting)</p> <p>C) Develop leaders understanding of best practices in Math - Math Focus Year 1</p> <p>D) Implement a summative 360-degree feedback tool for school leader reflection and development (should include feedback from multiple stakeholders: parent, colleagues, students, community members, supervisor)</p> <p>E) Develop a protocol for leaders to use to identify potential math demonstration classroom teacher</p> <p>E) Develop leaders' expertise to deliver high impact professional learning</p> <p>E) Develop leaders' real-time coaching skills</p>	<p>A) Ensure each building administrator leads a minimum of two observation/feedback cycles per week and a minimum of one content data meeting per week and provides appropriate documentation</p> <p>A,B) Provide exemplars (inc. scripts, videos of best practice) to support consistency of observation/feedback cycles and weekly data meetings.</p> <p>A,B,C) Create systems to ensure leaders continue to deepen their understanding of content (ie. district led PD, content-focused learning labs)</p> <p>A,B,C) K-8 principals to identify and develop math demonstration classrooms in every building</p> <p>A,B,C) Provide leaders with exemplar leader daily schedules to help them support instructional leadership</p> <p>A,B,C) Develop a system to provide more frequent quality coaching of all leaders</p> <p>C) Continue to develop leaders understanding of best practices in Math - Math Focus Year 2</p> <p>C) Continue to provide professional development to leaders on the strategic use of time, people, money (scheduling, staffing, budgeting)</p> <p>D) Develop and implement new principal mentor system</p> <p>E) Ensure all schools have a well-developed year-long professional development plan in place aligned to UDIP and USIP</p> <p>E) Continue to develop leaders' expertise to deliver high impact professional learning</p> <p>E) Continue to develop leaders' real-time coaching skills</p> <p>E) Provide templates and resources to support leaders with the development and facilitation of year-long professional development in every school</p>	<p>C) Ensure leaders have a strong understanding of the developmental reading process (K-8). Literacy Focus - Year 1</p> <p>D) Implement a "grow your own" instructional leadership pipeline or pathway that spans the continuum (student teacher, teacher, demonstration classroom teacher, teacher coach, school or district level instructional leader, assistant principal/dean, principal)</p>
---	---	---

### Objective 3

Ensure every classroom is led by a highly effective teacher.

<ul style="list-style-type: none"><li>A) Complete a comprehensive, diagnostic review of current Culturally and Linguistically Diverse Education (CLDE) district practices</li><li>A) Draft an ELL professional development plan to support CLDE best practices and teacher relicensure; communicate new ELL licensure laws to all teachers</li><li>B) Create year-long professional development opportunities to ensure all teachers deepen their understanding of content and instructional best practices Math Focus - year one</li><li>B) Identify district-wide instructional strategies and provide ongoing professional development to support consistent implementation (ie. number talks)</li><li>C) Ensure every teacher engages in a weekly, collaborative data meeting that results in effective data-driven instruction</li></ul>	<ul style="list-style-type: none"><li>A) Continue to provide ELL professional development to ensure CLDE best practices and teacher relicensure; continue to communicate new ELL licensure laws to all teachers</li><li>A) Use findings from comprehensive CLDE review to draft next steps to ensure compliance and implementation of best practices</li><li>A) Ensure that teachers complete daily lesson plans and facilitate learning that includes: academic warm up, standards-aligned objective, exit ticket, student independent practice, and student to student interactions</li><li>A) Identify, communicate, and ensure teachers use knowledge of priority standards for each content and grade level when planning for grade level instruction (math, literacy, science, arts, PE, social studies, CTE)</li><li>A) Ensure teachers begin to implement new arts, science, and social studies standards</li><li>A, B) Encourage schools to build in calendared or scheduled time throughout the year for teachers to do long-range planning and learning about standards</li><li>B) Create professional development opportunities to ensure teachers continue to deepen their understanding of content - Math Focus Year 2</li><li>B) Continue to identify district-wide instructional strategies and provide ongoing professional development to support consistent implementation district-wide (ie. number talks)</li><li>C) Continue to ensure every teacher engages in a weekly, collaborative data meeting that results in effective data-driven instruction</li><li>D) Provide professional development to teachers on any new curriculum resources, standards-based instruction, and scope and sequence documents</li><li>E) Ensure that teachers have multiple opportunities to receive coaching or ongoing feedback</li><li>E) Identify and train demonstration classroom teachers in math K-8 and/or teacher coaches in every building</li><li>E) Provide opportunities in every K-8 school for teachers to observe best practices in math demonstration classrooms</li><li>E) Ensure that teacher coaches receive high-quality training in order to support teachers</li><li>E) Make progress towards establishing instructional coaching in every building</li><li>F) Provide differentiated support and classes for teachers around classroom management and instructional rigor</li></ul>	<ul style="list-style-type: none"><li>A) Continue to provide ELL professional development to ensure CLDE best practices and teacher relicensure; continue to communicate new ELL licensure laws to all teachers</li><li>A) Implement and monitor progress of CLDE review next steps</li><li>A) Ensure that teachers complete daily lesson plans and facilitate learning that includes: academic warm up, standards-aligned objective, exit ticket, student independent practice, and student to student interaction, Depth of Knowledge, student-specific accommodations</li><li>B) Create professional development opportunities to ensure teachers continue to deepen their understanding of content - Literacy Focus Year 1</li><li>B) Provide year-long district-wide professional development to ensure teachers have a strong understanding of developmental reading process (K-8) and small group instructional practices</li><li>C) Provide training to teachers in how to use any new summative interim assessment and formative diagnostic assessments when planning for differentiated or small group instruction</li><li>E) Provide all teachers with the opportunity for personalized learning opportunities that align with their own personal learning goals</li></ul>
---	--	---

**Objective 4**

Partner with local and state experts to identify and implement evidence-based social and emotional programs and practices in every school.

<ul style="list-style-type: none"> <li>A) Identify outcomes as a result of Social Emotional Learning (SEL) implementation</li> <li>A) Increase local and national partnerships to secure resources in support of SEL for students</li> <li>B) Identify steps for sustainability of Bully Prevention Programs after grant sunsets</li> <li>B) Develop and provide bully prevention trainings to onboard new staff</li> <li>C) Identify needs for culturally responsive training, i.e. LGBTQ, socio-economic, gang awareness, ethnicity, gender, multi-generational families, etc.</li> </ul>	<ul style="list-style-type: none"> <li>A) Partner with local/state experts to conduct a comprehensive review of district policies and school practices to ensure equity and culturally responsive alignment</li> <li>A) Develop a task force to identify SEL curriculum needs and to select SEL program/curriculum (including online program)</li> <li>A) Develop accountability measures for SEL curriculum implementation</li> <li>A) Identify staff to implement and evaluate SEL programs</li> <li>A) Implement and provide PD on selected SEL programs/curriculum to all staff including leaders</li> <li>B) Implement ongoing Bully Prevention training</li> <li>C) Partner with local and national experts to provide district-wide training on culturally responsive practices</li> <li>C) Identify shared definition and list of culturally responsive practices</li> <li>D) Provide professional development for all staff, including leadership on trauma informed practices and identify district trainers to implement a train the trainer model to provide ongoing professional learning</li> <li>D) Develop accountability measures for implementation of trauma informed practices</li> </ul>	<ul style="list-style-type: none"> <li>A) Schedule time to implement SEL curriculum in all schools</li> <li>A) Evaluate and measure SEL implementation</li> <li>B) Evaluate Bully Prevention programs for success</li> <li>C) Develop a trainer of trainer model for SEL programming and culturally responsive practices</li> <li>D) Provide ongoing professional development for trauma informed practices trainers</li> </ul>
---	---	---

**Objective 5**

Implement a multi-tiered system of supports (MTSS) in each building to provide support for all students.

<ul style="list-style-type: none"> <li>B) Define and identify evidence based protocols, timelines, and processes</li> </ul>	<ul style="list-style-type: none"> <li>A) Reevaluate MTSS budget, to include post-secondary readiness and career exploration (Individual Career and Academic Plans) housing system</li> <li>A,C) Identify and catalog MTSS best practices</li> <li>A,B,C) Establish a budget, based upon identified MTSS practice needs, to support MTSS implementation, including but not limited to, professional development, substitutes, stipends and/or dedicated FTE(s), and intervention resources for MTSS implementation at every school</li> <li>A) Develop a unified system to ensure MTSS teams meet regularly and use data to develop (universal, targeted, and intensive) interventions for all students</li> <li>A,C) Provide professional development to all staff regarding the purpose and scope of MTSS practices</li> <li>B) Provide professional development to MTSS teams on identified evidence based protocols, timelines, and processes</li> <li>B) Develop and implement comprehensive practices to increase student attendance at all levels, including hiring of additional community advocates</li> </ul>	<ul style="list-style-type: none"> <li>A) Evaluate effectiveness of MTSS Teams and evaluate implementation of interventions</li> <li>A,B,C) Provide on-site technical assistance to MTSS team</li> <li>A,C) Continue to provide professional development to all staff regarding the purpose and scope of MTSS practices</li> </ul>
---	---	--

## GOAL 2: Community Engagement

Increase the engagement and confidence of internal and external stakeholders via a coherent communications plan, strong partnership, and transparency.

### Objective 1

Implement a coherent communications system and strategy

<p>A) Develop and communicate new branding utilizing D60 as official district logo</p> <p>B) Utilize Facebook and social media to communicate information</p> <p>C) Identify and use 5 modes of consistent communication:</p> <ul style="list-style-type: none"><li>• Word of Mouth/Networking</li><li>• Website and Intranet (District and Building)</li><li>• Social Media (District and Building)</li><li>• Newspaper/Local Media (District and Building)</li><li>• District and School specific mobile app</li></ul> <p>D) Research available website platforms that are user friendly, have in-house functionality, and are compliant with ADA requirements</p> <p>D) Identify funding and purchase a new website platform provider; provide adequate training to update and maintain the new platform, and outsource the design of the new websites for district migration over the summer of 2019</p>	<p>A) Implement rebranding campaign utilizing official/legal name of District 60</p> <p>A) Phase-out PCS branded materials and replace with new logo and marketing</p> <p>A) Create partnerships and opportunities to highlight our teachers</p> <p>A,B) Use 5 modes of consistent communication to communicate new marketing strategy and response to misinformation</p> <p>B) Systematically respond to misinformation online and on social media (new hire?)</p> <p>C) Utilize mobile app platforms available through new website</p> <p>C) Utilize stakeholder needs assessment &amp; feedback loop to determine effectiveness of school/district communication and more effective ways to communicate and engage stakeholders. Use results to drive marketing strategy</p> <p>D) Implement new website platform fall, 2019</p> <p>E) Define system for communicating new and important information, including use of Channel 18</p> <p>E) Identify messaging targeted to specific audiences (including use of social media for student audience)</p> <p>F) Identify a community network for personalized, direct communication of critical information regarding district initiatives</p> <p>E) Utilize app platforms and consider those who may not use technology</p> <p>E) Design a mobile app that incentivizes users</p> <p>E) Develop key media and community contacts</p>	<p>A,B) Use 5 modes of consistent communication to communicate new marketing strategy and response to misinformation</p>
--	---	--

**Objective 2**

Develop and implement a comprehensive strategy to engage and inform our community, parents, students, and staff regarding District/school priorities and initiatives so that all stakeholders are engaged and have a voice.

<p>C) Encourage businesses and organizations to “adopt a school” (formalize program, ie. “Project: Purpose and Impact”)</p>	<p>A,B) Develop and implement student and stakeholder survey, and honor input</p> <p>A) Superintendent/district administration meet with student representatives monthly</p> <p>C) Create webpage that provides clear contact information organized by department/category</p> <p>C) Publish list and contact information of wraparound and mental health supports available to students and families (ie. State of Grace; Wellness Centers)</p> <p>D) Publish webpage to share concurrent enrollment &amp; post-secondary information and options</p> <p>E) Calendar dates to host legislators in our schools; include school tours to highlight programs &amp; challenges targeted at specific legislations</p> <p>E) Host a legislative forum open to the public to discuss public education matters with State and local elected officials</p> <p>E) Develop opportunities for the community to hear from elected officials using video presentations</p>	<p>A) Hold informal student forums, facilitated by non-admin (ie. recent graduate)</p> <p>B) Conduct staff surveys to collect information on school and district climate and educational topics</p> <p>D) Target communications to appropriate grade levels/audiences</p> <p>D) Develop transition guide to target transition years - K, MS, HS, early college - written by parents for parents</p> <p>D) Create “school tour” or school fairs to highlight school opportunities and ease transition between levels</p>
---	---	---

**GOAL 3: Safe and Positive Culture**

Foster an environment that promotes a safe and positive culture that honors and exemplifies our District Core Values

**Objective 1**

Ensure that behaviors, practices and decisions align with our District Core Values.

	<ul style="list-style-type: none"><li>A) Develop professional development, communication, on-boarding and/or orientation processes to communicate core values for returning and new staff</li><li>A) Communicate and immerse school staffs in district core values and ensure aligned decision-making</li><li>A) Hold focus groups to discuss and develop shared understandings and definitions of our shared core values</li><li>B) Survey and gather feedback from students, staff, and community on school and district culture</li><li>B) Use survey feedback to establish common vocabulary, practices, and a budget to support a positive culture</li><li>B) Develop a comprehensive plan to address loss in student enrollment aligned to our core values; to include action steps across all five district strategic plan goal areas</li><li>B) Identify avenues to celebrate and publicize positive events in our schools and district</li><li>C) Define and identify the criteria and process to recognize schools that exemplify District goals and core values</li><li>C) Develop systems and timelines for recognizing individual and school achievement aligned to district goals, priorities, and core values (Note: Awards could include: Superintendent Awards, Department Awards, Level Awards,...)</li></ul>	<ul style="list-style-type: none"><li>A) Implement professional development, communication, on-boarding and/or orientation processes to communicate core values for returning and new staff</li><li>B) Update Budget to support a positive school/district culture</li><li>B) Revise and strengthen current practices in support of a positive culture based upon the previous year's data</li><li>C) Establish and extend annual awards to recognize excellence aligned to core values</li></ul>
--	---	---

## Objective 2

Foster an environment that promotes a safe and positive culture.

<ul style="list-style-type: none"><li>A) Review current disciplinary practices throughout the district for consistent alignment to core values and district policy</li><li>A) Revise disciplinary practices and policy at the district level as necessary (District Code of Conduct)</li><li>A) Identify internal exemplar student-centered disciplinary practices (ie. Restorative Justice, No Bully Solution Teams, etc.) in an effort to expand successful practices</li><li>A) Develop a streamlined process to match students with alternative educational opportunities</li><li>C) Establish a consistent practice for reviewing, refining, and communicating district wide safety and security protocols with all school and community stakeholders (Note: need to identify who, what, when and how often this takes place. Topics should include: District Emergency Response Manual, School Emergency Management Plan, Threat Assessment process, exemplar internal models, communication with all stakeholders...)</li><li>C) Schedule time to train all stakeholders in safety and security practices and protocols (staff, parents, students)</li></ul>	<ul style="list-style-type: none"><li>A) Conduct a comprehensive review of disciplinary practices in conjunction with a district policy review using a culturally responsive lens</li><li>A) Create a consistent, common template for school handbooks</li><li>A) Review and update District Code of Conduct</li><li>A) When possible, transition students who are not being successful to an aligned learning environment that meets their behavior and educational needs</li><li>B) Create Action Teams to facilitate roll out of District Health and Wellness Plan</li><li>B) Update "Comprehensive Health &amp; Wellness Plan" to ensure plan encompasses staff and student mental health, physical health and wellness needs</li><li>C) Review and revise practices annually to reflect current best practice and needs in our schools</li></ul>	<ul style="list-style-type: none"><li>A) Update and review school handbooks annually to ensure alignment with District Code of Conduct</li><li>A) Review and update District Code of Conduct</li><li>A) Review and update process for student transition Health and Wellness Plan to meet changing needs of staff and students</li><li>C) Revise practice annually to reflect current best practice and needs in our schools.</li></ul>
---	---	---

**GOAL 4: Quality Staff**

Recruit and retain high quality staff.

**Objective 1**

Develop procedures to effectively recruit and retain highly qualified staff.

<p>A) Refine current staffing model to prioritize socio-economic and social-emotional building needs in addition to enrollment and budget constraints Re-evaluate model annually in years 2, 3, and beyond</p> <p>B) Create employee surveys</p> <ul style="list-style-type: none"> <li>• New hire (all new employees)</li> <li>• Career (Teacher only) <ul style="list-style-type: none"> <li>• Year 4, 10, and 20+</li> </ul> </li> <li>• Exit (all employees upon separation from PCS)</li> </ul> <p>B,C) Implement new employee management system (Frontline Technologies)</p> <ul style="list-style-type: none"> <li>• Electronic personnel files, forms, contracts, etc.</li> </ul> <p>B) Evaluate the effectiveness of PCS current hiring, retention, and development practices for staff</p> <ul style="list-style-type: none"> <li>• Create new hiring standard operating procedures (SOPs) for Administration, Teachers, and Classified staff</li> <li>• Implement new features from Frontline Technologies to streamline and automate hiring, retention, and development processes</li> </ul> <p>D) Align Human Resources practices, policies, contracts, and agreements to the four-day school week</p> <ul style="list-style-type: none"> <li>• Negotiate agreements and update MOUs for all groups for 2019-20.</li> </ul>	<p>B) Re-evaluate current staffing model with 2018-2019 data-January</p> <p>B) Send out employee surveys</p> <ul style="list-style-type: none"> <li>• New hires- October</li> <li>• Year 4, 10, 20+</li> <li>• Exit survey-Automated</li> </ul> <p>B) Develop comprehensive marketing campaign to attract and recruit qualified candidates locally and nationally</p> <p>B,D) Implement new time and attendance system that goes live July, 2019</p> <p>C) Develop electronic onboarding process</p> <ul style="list-style-type: none"> <li>• Utilize new “forms” features from Frontline</li> <li>• Work with PD department on onboarding vs.new teacher orientation</li> </ul> <p>D) Refine Human Resources practices, policies, contracts, and agreements as they pertain to the four-day school week with 2018-2019 data-Spring 2020</p>	<p>B) Present bi-yearly survey results to Board</p> <p>B) Re-evaluate current staffing model with 2019-2020 data-January</p> <p>B) Create a system that allows PCS to monitor recruitment, hiring, induction, mentoring, professional growth, compensation, work environment, and performance of all staff</p> <p>C) Create digital video library of onboarding requirements/resources</p>
--	--	--

## GOAL 5: Budget and Sustainable Funding

Submit a balanced budget to the Board that allows for and ensures full implementation of the District Strategic Plan

### Objective 1

Identify and allocate resources which allows for transparency and ensures full implementation of the District Strategic Plan

<p>A) Hold budget informational meetings at multiple times and locations to accommodate the larger community</p> <p>A) Enhance "Financial Transparency" PCS Website Link to include: information on Colorado Statutes, such as Gallagher and TABOR amendments in addition to the Financial Transparency Data Tool</p> <p>B) Establish a Bond Political Action Committee</p> <p>C) Hold ongoing meetings with internal departments, Cabinet, and schools to review educational and facility priorities</p> <p>C) Share results of department/school meetings with District Accountability Committee, School Board and the broader community to verify alignment with strategic plan.</p> <p>C) Adjust budget based on identified priorities</p> <p>D) Develop a Facility Master Plan that includes a comprehensive facilities condition assessment</p> <p>D) Review building utilization and capacity data</p> <p>D) Hold stakeholder and community meetings for review master facility plan information and options</p> <p>D) Develop potential Capital Bond question for voter consideration</p> <p>D) Conduct school closure/consolidation planning</p> <p>D) Implement 5-year computer replacement cycle (Year 2)</p> <p>D) Revise District Technology Plan to add instructional technology vision and action steps</p>	<p>A) Expand budget process to include community groups ( i.e. PEDCO, Pueblo Chamber of Commerce &amp; City Council, media, District Accountability Committee, bargaining units linked to PCS)</p> <p>A) Identify and include new community groups in budget process</p> <p>A) Take first steps to create a yearly, comprehensive budget document that meets ASBO International certification requirements</p> <p>A) Enhance "Financial Transparency" PCS Website Link to include: information on Colorado Statutes, such as Gallagher and TABOR amendments in addition to the Financial Transparency Tool</p> <p>A) Improve communication regarding the budgetary process including:</p> <ul style="list-style-type: none"><li>• Use of new district branding and logos</li><li>• Use written handouts to engage and enhance understanding</li><li>• Use social media as a platform for more frequent and fuller transparency</li></ul> <p>A) Hold community forums to provide information regarding State of Colorado public education funding statutes and definitions of technical financial terms</p> <p>B) Identify individuals to lobby on behalf of district and State educational issues</p> <p>B) Explore District Education Foundation funding source opportunities</p> <p>C) Hold ongoing meetings with internal departments, Cabinet, and schools to review educational and facility priorities</p> <p>C) Share results of department/school meetings with District Accountability Committee, School Board and the broader community to verify alignment with strategic plan.</p> <p>C) Adjust budget based on identified priorities</p> <p>D) Implement year one school closure/consolidation using Board Of Ed policy</p> <p>D) Begin planning for construction and renovation of schools subject to passage of Capital Bond</p> <p>D) Implement 5-year computer replacement cycle (Year 3)</p> <p>D) Replace outdated analog telecom system with upgraded VoIP</p> <p>D) Establish technology procurement protocols to facilitate instructional technology/tools that match the needs of 21st Century Learning</p>	<p>A) Identify and include new community groups in budget process</p> <p>A) Continue to refine yearly, comprehensive budget document that meets ASBO International certification requirements</p> <p>B) Identify individuals to lobby on behalf of the district and State educational issues</p> <p>B) Consider District Education Foundation funding source opportunities</p> <p>B) Consider mill levy override election for additional funding</p> <p>C) Hold ongoing meeting with internal departments, Cabinet, and schools to review educational and facility priorities</p> <p>C) Share results of department/school meetings with District Accountability Committee, School Board and the broader community to verify alignment with strategic plan.</p> <p>C) Adjust budget based on identified priorities</p> <p>D) Implement year two school closure/consolidation based upon Board of Ed Policy</p> <p>D) Begin construction and renovation of schools subject to passage of Capital Bond</p> <p>D) Implement 5-year computer replacement cycle. (Year 4)</p> <p>D) Include infrastructure such as cabling, network equipment, and other IT assets into replacement cycle</p> <p>D) Implement action steps within instructional technology/tool that match the needs of 21st Century Learning</p>
--	--	--
