AMERICAN RESCUE PLAN ACT-ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ARP-ESSER) AGREEMENT

This agreement ("Agreement") is made by and between the Commonwealth of Pennsylvania ("Commonwealth"), through its Pennsylvania Department of Education ("Department"), and Duquesne City SD located at 300 Kennedy Ave, Duquesne, PA 15110, ("Grantee").

The Department, created by Section 201 of the Administrative Code of 1929, as amended, 71 P.S. § 61, is the State Education Agency responsible for administration of grant programs pursuant to the General Appropriation Acts and the Public School Code of 1949, as amended, 24 P.S. § 1-101 et seq. and has been awarded funds by the US Department of Education for American Rescue Plan Act - Elementary and Secondary Emergency Relief (ARP-ESSER) programs under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2.

The parties, intending to be legally bound, agree as follows:

1. Pursuant to this Agreement, Grantee will receive funds in the amount of \$4,819,220.00. The grant shall be used to defray program costs incurred from March 13, 2020 to September 30, 2024.
2. The Agreement shall become effective on the date it is fully executed by all required parties and shall terminate on September 30, 2024, unless terminated earlier in accordance with the terms hereof.
3. Grantee shall furnish all qualified personnel, facilities, materials and other services and in consultation with the Department, provide the services described in Appendix B.
4. This Agreement is comprised of the following Appendices which are hereby incorporated by reference into this Agreement:

Appendix A – Special Program Terms

Appendix B – Grantee’s Program Narrative and Budget

Appendix C – Payment Terms, Responsibilities and Contact Information

5. Grantee acknowledges having reviewed a copy of the Department’s Master Standard Terms and Conditions, which are available at www.education.pa.gov/mstc and are incorporated by reference into and made a part of this Agreement as if fully set forth herein.

The parties, intending to be legally bound, have signed this Agreement below:

ARP ESSER Prior Approval - Other Capital Expenditures	Federal	223-21-0124	84.425U	\$0.00	\$0.00

Grantee agrees to comply with the following terms and conditions:

1. The development and execution of the program outlined in this Agreement and subsequent reimbursement for such program by the Department will be in accordance with this Agreement's provisions as finally approved by the Department and shall comply with all applicable provisions of federal, state and local laws, the official regulations pertaining thereto, program guidelines and instructions issued by the Pennsylvania Department of Education.
2. Grantee will comply with all reporting requirements in relation to program and fiscal components of the ARP-ESSER program as defined by the Department and/or federal governing agencies.
3. Grantee will maintain documentation of expenditures, procurement and activities carried out through this grant for a period of the current year plus six years in accordance with Department guidelines. Grantee will provide records to Department, monitors or federal awarding agency upon request.
4. Grantee will comply with all reporting requirements in relation to any waiver authorized under the ARP-ESSER and applied for and approved through the grantee agency. The Department will provide reporting requirements and due dates when available from the federal awarding agency.
5. Payment to Grantee under this Agreement is contingent upon appropriation and availability of funds to the Commonwealth.
6. Grantee will reserve at least 20% for learning loss mitigation, including through:
 - Afterschool, summer schools, extended day/year programs.
 - Targeted to ESEA subgroups, students experiencing homelessness, and children and youth in foster care.

General Federal Requirements:

1. Grantee shall use such fiscal control and fund accounting procedures necessary to ensure the proper disbursement of, and accounting for, federal funds paid to the applicant under each such program.
2. Grantee shall comply with the Uniform Grant Guidance – Subpart D (Post Federal Award Requirements) Standards for Financial and Programs, 2 CFR §200.300-§200.345, as applicable.
3. Grantee shall comply with the Uniform Grants Guidance -- Subpart D (Post Federal Award Requirements) methods of procurement to be followed. 2 CFR §200.320.
4. Grantee shall ensure that all written policies and procedures required by the Uniform Grants Guidance for the administration of federal grant dollars are created, approved, implemented and are available for review by monitors.
5. Grantee shall comply with the Uniform Grants Guidance – Subpart E (Cost Principles) 2 CFR §200.400-§200.417 and 2 CFR §200.420-§200.475, as applicable.
6. Grantee shall comply with the Uniform Grants Guidance – Subpart F – Audit Requirements, specifically sections 2 CFR §200.500-§200.512, as applicable.

Other Federal Requirements:

1. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, Grantee shall clearly state:
 1. the percentage of the total costs of the program or project that will be financed with federal money;
 2. the dollar amount of federal funds for the project or program; and
 3. the percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.
2. Grantee shall ensure that its personnel, whose salaries and/or benefits are federally funded are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official business, or from using government supplied electronic equipment to text message or email when driving.

3. Insofar as any construction projects are funded with this Agreement, Grantee shall comply with all applicable federal and state legal requirements with respect to such construction projects, including, without limitation, the pre-approval requirements set forth in 2 CFR §200.439, the construction requirements set forth in 34 CFR §§ 75.600-75.617 (such as 34 CFR 75.609 (Safety and Health standards) and 75.616 (Energy Conservation)), and the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). The federal equal opportunity clause applicable to federally assisted construction contracts contained at 41 CFR § 60-1.4 is incorporated herein by reference.
4. Grantee acknowledges that this Agreement may be revised pursuant to ongoing guidance from the relevant federal or Commonwealth agency regarding requirements for the funds subject to this Agreement. Grantee agrees to abide by any such revisions upon written notification from Commonwealth of the revisions, which will automatically become a material part of this Agreement, without the necessity of either party executing any further instrument.

Section: Narratives - Assessing Impacts and Needs

LEA ARP ESSER APPLICATION

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by Local Education Agencies (LEAs), schools, and educators to support students during the COVID-19 pandemic. The application below requests information from LEAs about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of local plans to respond to these needs and impacts, (3) Specific elements in the LEA Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "the LEA" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the LEA application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the LEA (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

Section I: Assessing Impacts and Needs

In this first section, LEAs are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1)

Academic impact of lost instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	Methods Used to Understand Each Type of Impact
Academic Impact of Lost Instructional Time	District common assessments, benchmark and diagnostic assessments
Chronic Absenteeism	attendance data from Sapphire and RFA's for attendance
Student Engagement	Daily attendance data, teacher attendance data by period, and student and teacher feedback/surveys
Social-emotional Well-being	DSAP referrals, Discipline referrals, and PBIS data
Other Indicators	

Documenting Disproportionate Impacts

2. Identify at least three student groups in the LEA that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts
Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA])	IEP goals and progress monitoring, benchmark and diagnostic assessments
Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)	district common assessments, daily attendance, benchmark and common assessments, RFA's, and PBIS data
Students from low-income families	district common assessments, daily attendance, benchmark and common assessments, RFA's, and PBIS data

Reflecting on Local Strategies

3. Provide the LEA's assessment of the top two or three strategies that have been most effective in supporting the needs of students, in particular specific student groups most impacted by the COVID-19 pandemic. Include at least one strategy addressing **academic needs** and at least one strategy addressing **social-emotional needs**.

Strategy Description

	Strategy Description
Strategy #1	Differentiated instruction during intervention time to work with students on their instructional level as measured by benchmark and diagnostic assessments

i. Impacts that Strategy #1 best addresses: (select all that apply)

- Academic impact of lost instructional time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

ii. If Other is selected above, please provide the description here:

iii. Student group(s) that Strategy #1 most effectively supports: (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness
- Children and youth in foster care
- Migrant students
- Other student groups: (provide description below)

Section: Narratives - Engaging Stakeholders in Plan Development

Section II: Engaging Stakeholders in Plan Development

In this second section, LEAs are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the LEA will make its LEA Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

4. Stakeholder Engagement

Describe how the LEA, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. (3,000 characters max)

(Stakeholders include students; families; school and district administrators (including special education administrators); teachers; principals; school leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the LEA, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

The school district has regular meetings with the ESSER committee on spending. The committee has representatives from the professional staff, non-professional staff, parents, community and administration.

5. Use of Stakeholder Input

Describe how the LEA has taken or will take stakeholder and public input into account in the development of the LEA Plan for the Use of ARP ESSER Funds. (3,000 characters max)

The committee really wanted to focus a lot on learning loss and social and emotional learning for the students. They wanted to explore a variety of different options and ways to address to meet the diverse needs of the population. Some parents presented ideas that no one at the school district had heard of and it helped build relationships with other parents as we learned how to best serve our students. The district administration plans to continue to report out on the use of funds during public board meetings as it has become a best practice.

6. Public Access to LEA Plan for the Use of ARP ESSER Funds

Describe the process for development, approval, and making public the LEA Plan for the Use of ARP ESSER Funds. The LEA Plan for the Use of ARP ESSER Funds must be made publicly available on the LEA website and submitted to PDE within 90 days of LEA receipt of ARP ESSER funding, must be written in a language that parents/caregivers can understand, and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability. (3,000 characters max)

The plan was started by district administration and then discussed during regular monthly meetings as well as shared as a document through email for feedback. The plan will be uploaded

to the district's website within the 90 days of submitting the grant to PDE.

Section: Narratives - Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

Section III: Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

In this third section, LEAs are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the LEA plan for the use of ARP ESSER funds, beginning with the minimum 20 percent reservation, to address the impact of lost instructional time as required by section 2001(e)(1) of the ARP Act.

Instructions: For both (a) the 20 percent reservation to address the impact of lost instructional time and (b) remaining funds, describe the LEA's principles for emphasizing educational equity in expending ARP ESSER funds, including but not limited to:

- Responding to students' academic, social, emotional, and mental health needs, and addressing opportunity gaps that existed before—and were exacerbated by—the pandemic.
- Allocating funding to individual schools and for LEA-wide activities based on student need.
- Implementing an equitable and inclusive return to in-person instruction. An inclusive return to in-person instruction includes, but is not limited to, establishing policies and practices that avoid the over-use of exclusionary discipline measures (including in- and out-of-school suspensions) and creating a positive and supportive learning environment for all students.
- Taking steps to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the ARP ESSER-supported program, in compliance with the requirements of section 427 of GEPA (20 U.S.C. 1228a).
- Attending to sustainability of plans supported by non-recurring ARP ESSER funds beyond the ARP ESSER funding period.

7. Plan for 20 percent Reservation to Address the Impact of Lost Instructional Time (Learning Loss)

How will the LEA use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs? **(3,000 characters max)**

The response must include:

- a. A description of the evidence-based interventions (e.g., providing intensive or high-dosage tutoring, accelerating learning) the LEA has selected, and how the LEA will evaluate the impact of those interventions on an ongoing basis to determine effectiveness.
- b. How the evidence-based interventions will specifically address the needs of student groups most disproportionately impacted.
- c. The extent to which the LEA will use funds it reserves to identify, engage, and support (1) students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and (2) students who did not consistently participate in remote instruction when offered during school building closures.

The district has opened a community center where students can receive tutoring to address learning loss after school. The district is also addressing the learning loss by hiring a Director of Technology who can really support the online learning/online platforms for the students, families and teachers. We are also looking at hiring instructional coaches and/or instructional aides, who by way of data, will be able to pull small groups of students to work with, to provide high-doses of tutoring who are unable to go to the community center during the school day. The teachers will also be provided more in-depth professional development on how to better differentiate their instruction so that all kids have an opportunity to accelerate their students at a faster rate. In addition will be using some of the funds to keep smaller classes by not furloughing 3 teachers so that students are forced into a classroom that will have desks less than 3 ft apart.

8. Plan for Remaining Funds (*funds not described under the question above*)

How will the LEA spend its remaining ARP ESSER funds including for each of the four fields below, as applicable? (3,000 characters max)

- a. Continuity of Services: How will the LEA use ARP ESSER funds to sustain services to address students' academic needs; students' and staff social, emotional, and mental health needs; and student nutrition and food services?
- b. Access to Instruction: How will the LEA use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
- c. Mitigation Strategies: How will the LEA use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff? Consider the LEA's Health and Safety Plan in developing the response.
- d. Facilities Improvements: How will the LEA use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the LEA's Health and Safety Plan in developing the response.

To address the social and emotional needs of our students, we will be using a platform that students will do a daily check -in to that will be able to tell us the social and emotional well-being when they get to school. Teachers, administrators will be able to use that data to provide more support to those students who have identified themselves as needing support in some capacity. We will be providing opportunities for students to learn that is more equitable and will provide an instructional delivery model that will create better engagement for our students which will lead to more regular attendance and on-time students.

9. For LEAs with one or more Comprehensive Support and Improvement (CSI) or Additional Targeted Support and Improvement (ATSI) school only

Please verify consultation of the Evidence Resource Center in developing the LEA Plan for the Use of ARP ESSER Funds and provide a justification for any intervention that is not supported by tier 1, 2, 3, or 4 evidence. If the LEA does not include a school with a CSI or ATSI designation, indicate "Not Applicable." (3,000 characters max)

10. 20% Reservation Calculation

Please enter your ARP ESSER total allocation amount and then click Save.

*Please ensure that your 20% (or greater) budgeted amount for Learning Loss is itemized in your Budget.

	ARP ESSER Allocation	Reservation Requirement	Reservation Amount (calculated on save)
20 Percent Reservation	4,815,793	20%	963,159

Section: Narratives - Monitoring and Measuring Progress

Section IV: Monitoring and Measuring Progress

In this fourth section, LEAs are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

11. Capacity for Data Collection and Reporting

LEAs must continuously monitor progress and adjust strategies as needed. Describe the LEA's capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	Data Collection and Analysis Plan (including plan to disaggregate data)
Student learning, including academic impact of lost instructional time during the COVID-19 pandemic	The district will utilize common assessments, i-Ready and iLit data to identify learning loss as well as create small group instruction within the classroom and for pull-out with instructional aides.
Opportunity to learn measures (see help text)	The district will be hiring a Director of Technology to provide professional development of teachers on the effective use for technology.
Jobs created and retained (by number of FTEs and position type) (see help text)	The number of jobs that are being retained are 5...that covers their salary and benefits. We are also creating 4 new positions to support with SEL and Learning loss.
Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)	Students will participate in summer camps provided by the school district and have the opportunity to attend a community center to accelerate their learning.

Section: Narratives - ARP ESSER Assurances

ARP ESSER Fund Assurances

Please complete each of the following assurances prior to plan submission:

The LEA will implement appropriate fiscal monitoring of and internal controls for the ARP ESSER funds (e.g., by updating the LEA's plan for monitoring funds and internal controls under the CARES and CRRSA Acts; addressing potential sources of waste, fraud, and abuse; conducting random audits; or other tools).

The LEA will complete quarterly Federal Financial Accountability Transparency Act (FFATA) reports and comply with all PDE reporting requirements, including on matters such as:

- How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to mitigating COVID-19 in schools;
- Overall plans and policies related to LEA support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
- Data on each LEA's and school's mode of instruction (fully in-person, hybrid, and fully remote) and conditions;
- LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
- LEA uses of funds to sustain and support access to LEA-supported early childhood education programs;
- Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
- Student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning;
- Requirements under the FFATA; and
- Additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER fund use.

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of: (a) the United States Department

of Education and/or its Inspector General; (b) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; (c) the Pennsylvania Department of Education; and/or (d) the Pennsylvania Auditor General, Pennsylvania Inspector General, or any other state agency.

☑

Records pertaining to ARP ESSER Funds, including financial records related to the use of grant funds, will be tracked and retained separately from those records related to the LEA's use of other Federal funds, including ESSER I and ESSER II Funds.

☑

The LEA will maintain inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, all computing devices, and special purpose equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: inventory of equipment purchased with federal funds must be broken out by funding source.

☑

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

☑

The LEA will conduct its operations so that no person shall be excluded from participation in, be denied the benefits of, or be subject to discrimination under the ARP ESSER program or activity based on race; color; national origin, which includes a person's limited English proficiency or English learner status and a person's actual or perceived shared ancestry or ethnic characteristics; sex; age; or disability. These non-discrimination obligations arise under Federal civil rights laws, including but not limited to Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. In addition, the LEA must comply with all regulations, guidelines, and standards issued by the United States Department of Education under any of these statutes.

☑

The LEA will comply with all ARP Act and other ARP ESSER requirements, including but not limited to complying with the maintenance of equity provisions in section 2004(c) of the ARP Act. Under Maintenance of Equity, per-pupil funding from state and local sources and staffing levels for *high poverty schools* may not be decreased by an amount that exceeds LEA-wide reductions in per-pupil funding and staffing levels for *all schools* served by the LEA¹. High poverty schools are the 25 percent of schools serving the highest percent of economically disadvantaged students in the LEA as measured by information LEAs submitted in PIMS that includes individual student

data and identifying if the student meets economically disadvantaged criteria. This data is used to calculate school poverty percentages . Note: An LEA is exempt from the Maintenance of Equity requirement if the LEA has a total enrollment of fewer than 1,000 students, operates a single school, serves all students in each grade span in a single school, or demonstrates an exceptional or uncontrollable circumstance, as determined by the United States Secretary of Education.

¹Calculations for Maintenance of Equity: Per Pupil Funding from combined State and local funding = Total LEA funding from combined State and local funding for all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. Full time equivalent staff = Total full-time equivalent staff in all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. These calculations should be completed for all schools in the LEA as well as for high poverty schools in the LEA for FY 2021-22 and 2022-23. Reductions must not be greater for high poverty schools than for all schools in the LEA.

The LEA will implement evidence-based interventions, as required by section 2001(e)(1) of the ARP Act.

The LEA will address the disproportionate impact of the COVID-19 pandemic on underserved students (i.e., students from low-income families, students from underserved racial or ethnic groups and gender groups, English learners, children with disabilities, students experiencing homelessness, children and youth in foster care, migrant students, and other groups disproportionately impacted by the pandemic that have been identified by the LEA) as required by section 2001(e)(1) of the ARP Act.

The LEA will develop and make publicly available a Plan for the Safe Return to In-Person Instruction and Continuity of Services, hereinafter referred to as the LEA Health and Safety Plan, that complies with section 2001(i) of the ARP Act. The plan will be submitted to PDE, in a manner and form determined by PDE, no later than July 30, 2021.

The LEA's Health and Safety Plan will include (1) how the LEA will, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff; (2) how the LEA will ensure continuity of services, including but not limited to services to address the students' academic needs, and

students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services; (3) how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC: (a) universal and correct wearing of masks; (b) modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); (c) handwashing and respiratory etiquette; (d) cleaning and maintaining healthy facilities, including improving ventilation; (e) contact tracing in combination with isolation and quarantine, in collaboration with the State and local health departments; (f) diagnostic and screening testing; (g) efforts to provide vaccinations to school communities; (h) appropriate accommodations for children with disabilities with respect to health and safety policies; and (i) coordination with state and local health officials.

The LEA will review its Health and Safety Plan at least every six months during the duration of the ARP ESSER grant period and make revisions as appropriate. When determining whether revisions are necessary, the LEA will take into consideration significant changes to CDC guidance on reopening schools and will seek public input and take public input into account.

The LEA's Health and Safety Plan will be made publicly available on the LEA website and must be written in a language that parents/caregivers can understand or be orally translated for parent/caregivers and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability.

The LEA will provide to PDE: (1) the URL(s) where the public can readily find data on school operating status; and (2) the URL(s) for the LEA websites where the public can find the LEA's Health and Safety plan as required under section 2001(i) of the ARP Act; and the LEA Plan for the Use of ARP ESSER Funds.

Type of Project: Other Capital Expenditures/Improvements

4. Describe the proposed project that is requested to be funded in full or in part from federal ESSER funds. (3000 characters)

The replacement of pavers that are leaking to mitigate water penetration that is causing mold and other airborne issues within the building. The pavers currently have a rubber membrane underneath and when water gets through the pavers, it leaks into the building. The pavers will be replaced with concrete so that it stops the leaking and mold causing issues.

5. Explain how the LEA has determined that the proposed project complies with the Cost Principles in 2 CFR Part 200, subpart E (e.g., the cost must be "necessary and reasonable" (2 CFR §§ 200.403-200.404)); (3000 characters)

Due to the mold issue that is growing from the water leak, we deem the costs necessary because students and staff use the area of the building where the leaks are happening. The cost is reasonable because it meets the market prices for our geographical area. This grant is subject to our audit every year and will be a direct cost for the actual removal of the current pavers, removal of the membrane underneath (if applicable) and the pouring of the new concrete to stop the current leak.

Please note that the burden remains on grantees and subgrantees to maintain the appropriate documentation that supports the expenditure.

6. Projected Costs by Funding Source (please note: obligation dates are included. Each project has an additional 90 days for liquidation):

	ARP Act (ESSER III – 9/30/2024)	State/Local Funds
Total Cost	142,000	0
